Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions *Understanding World Religions* presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam *The Illustrated World's Religions* Huston Smith,1995-08-18 Retaining all the beloved qualities of Huston Smith s classic *The Religions of Man* and the current fully revised and updated *The World s Religions* this stunning pictorial presentation refines the text to its wonderful essentials In detailed absorbing richly illustrated and highly readable chapters on Hinduism Buddhism Confucianism Taoism Islam Judaism Christianity and primal religions we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions The approach is at once classic and contemporary retaining all the empathy eloquence and erudition that millions of readers love about the earlier editions while being edited and designed for a contemporary general readership This delightful marriage of winsome text and remarkable pictures vividly brings to life the scope and vision of Huston Smith s expertise and insight *Holy People of the World* Phyllis G.
