

Remarriage and Step- Families

Remarriage And Stepparenting

Kay Pasley, Marilyn Ihinger-Tallman

Remarriage And Stepparenting:

Remarriage and Stepparenting Kay Pasley, Marilyn Ihinger-Tallman, 1987-10-05 Since the mid 1970 s the texture of modern society has been changed dramatically by the increasing presence of the stepfamily No longer considered the exception to the norm the stepfamily has been thrust into the mainstream by a 50% divorce rate combined with a high incidence of remarriage According to some estimates 35% of children born in the 1980 s will experience stepfamily living by the time they reach the age of 18 Although interest in remarriage and stepfamily relationships is growing the literature often takes the form of popular work or anecdotal accounts with minimal data This volume provides a much needed overview of current research and theory in the field It stems from a series of meetings sponsored by the Society for Research in Child Development and funded by the Foundation for Child Development The nine scholars who participated in the year long study group along with two others prominent in the field have produced a work which explores the intricacies of remarriage and stepfamily living from a variety of perspectives How do divorce and remarriage determine parent s adjustment and parent child relationships How are the boundaries set within this new family form What are the dynamics between biological and step parents both within the newly created nuclear family and within the linked family units those tied together for life by their common children This comprehensive volume sheds new light on these issues and more including the relatively untouched area of stepsibling relationships It incorporates findings from five recent research studies providing data not available elsewhere The contributors also examine the stepfamily within historical social and cultural contexts from changing demographics to stepfamily stereotypes They cast a critical eye on current literature in the field and on research methodologies providing insights on the changing nature of the stepfamily and developing conceptual frameworks for further research With so much important up to date scholarship under one cover REMARRIAGE AND STEPPARENTING TODAY is a valuable resource for researchers and clinicians in the areas of sociology psychology psychiatry and social work as well as for advanced students pursuing any of these disciplines *Remarriage and Stepparenting* Kay Pasley, Marilyn

Ihinger-Tallman, 1984 *Stepparenting* Marilyn Ihinger-Tallman, Kay Pasley, 1995-07-30 Pasley and Ihinger Tallman provide a critical analysis of the current literature on stepparenting and summarize the progress made in research theory and practice related to stepfamilies The chapters are written by contributors with expertise in various fields related to stepparenting The contributors discuss a range of concerns and issues theoretical concerns and present models useful to the study of stepparenting research related to relationships within stepfamilies and the development of new roles within stepfamilies and practical considerations related to family therapy stepfamilies and schools and stepparenting and the law

Family Transformation Through Divorce and Remarriage Margaret Robinson, 2003-09-02 Looks thoroughly at the complete divorce remarriage stepfamily cycle in the context of demographic data the legal process and the systemic theoretical framework Impact of Divorce, Single Parenting and Stepparenting on Children E. Mavis

Hetherington, Josephine D. Arasteh, 2014-01-02 This book a result of a conference sponsored by the National Institute of Child Health and Human Development explores developmental and clinical evidence of how divorce and the transition to single parenting and stepparenting affects children Many of the articles collected here look at the legal measures being used to make such transitions easier for families

Factors Affecting the Quality of the Remarriage and Stepparenting Relationship Patrick Proctor, 1992

Remarriage and Stepparenting in the Jewish Community Nathalie Friedman, 1993 Although the two parent family remains the norm this is not always the reality this article deals with difficulties that arise in divorced families dealing with an Ex Spouse a new spouse and most significantly for Jewish identity problems associated with simchas such as bar or bat mitzvah

Stepfamilies Emily B. Visser, John S. Visser, 1979 First Published in 1980 Routledge is an imprint of Taylor Francis an informa company

Stepfamily Relationships Lawrence Ganong, Marilyn Coleman, 2016-07-15 This second edition synthesizes the emerging knowledge base on the diversity of stepfamilies their inherent concerns and why so relatively little is still known about them Its extensive findings shed needed light on family arrangements relatively new to the literature e g cohabitating stepparents the effects of these relationships on different family members e g stepsiblings stepgrandparents the experiences of gay and lesbian stepfamilies and the stigma against non nuclear families Coverage reviews effective therapeutic and counseling interventions for emotional familial and social challenges of stepfamilies as well as the merits of family education and self help programs The authors explore prevailing myths about marriage divorce and stepfamily life while expanding the limits of stepfamily research Among the topics included The cultural context of stepfamilies Couple dynamics in stepfamilies Gay and lesbian couples in stepfamilies The dynamics of stepparenting Siblings half siblings and stepsiblings Effects of stepfamily living on children Clinical perspectives on stepfamily dynamics For researchers and clinicians who work with families it enriches the literature as it offers insights and guidelines for effective practice as well as possible avenues for future research

Stepparenting, with Annotated Bibliography Renato Espinoza, Yvonne Newman, 1979

Family Man Scott Coltrane, 1996-03-28 The typical American family has changed dramatically since the days of Ozzie and Harriet and Father Knows Best Double income families are now the rule and fathers are much more involved in raising the children and cleaning house Reactions to these changes have been diverse ranging from grave misgivings to a sense of liberation and new possibility Groups as diverse as Promise Keepers the Million Man March and Robert Bly s mythopoetic men s movement tell us that fathers are important From the fundamentalist right to the feminist left opinions about the changing nature of the family and the consequent rethinking of gender roles have been vehement if not always very well founded In *Family Man* sociologist Scott Coltrane brings a wealth of compelling evidence to this debate over the American family Drawing on his own extensive research and many fascinating interviews Coltrane explodes many of the common myths about shared parenting provides first hand accounts of men s and women s feelings in two job families and reveals some innovative solutions that couples have developed to balance job and family

commitments Readers will find an insightful discussion of precisely how and why family life has changed what forms it may take in the future and what new kinds of fathers may be on the horizon The author firmly places these questions within a broad contextual framework He provides for instance an illuminating history of the family that shows that far from being a fixed structure the family has always adapted to changing economic social and ideological pressures And by examining how families operate in a variety of non industrial societies he demonstrates that our own notions of gender specific work and parenting roles are culturally rather than biologically determined and thus inherently flexible And indeed these roles are changing While contemporary American women still perform the bulk of domestic tasks Family Man gives us decisive evidence that men are becoming increasingly involved in both housework and childrearing Coltrane argues convincingly that this trend will continue Given the current economic situation with two job households now the norm and the gradual ideological shift away from restrictive gender roles more and more couples will find it both necessary and desirable to share the workload More important Coltrane suggests that as fathers participate more fully in raising their children and performing traditionally female household tasks men will themselves be transformed by the experience in profoundly positive ways and American society as a whole will move closer to true gender equity Family Man succeeds brilliantly in bringing clarity perspective and above all hope to a discussion that is too often shrill chaotic and beset with the rhetoric of nostalgia It shows us not only exactly where the family is today but where it has been and what it may become

The Complete Idiot's Guide to Stepparenting Erika Lutz,1998-04-01 You re no idiot of course You know how to push a toddler on a swing the recipe for the gooey chocolate chip cookies and even how to get teens to confide in you Your own kids think you re hip too although they d never admit to it But when it comes to figuring out how not to come across as the wicked stepparent you feel like you need a magical potion Don t reach for the garlic yet The Complete Idiot s Guide to Stepparenting gives you sanity saving advice for dealing with the stepfamily getting to know your stepchildren and feeling confident in your role

Parenting in Stepfamilies Gladys Lan Tak Lam-Chan,2018-08-13 First published in 1999 this book contains the findings of an exploratory study using in depth interviews on parenting and the dynamics of Hong Kong Chinese stepfamilies The stepfamily is a topic which is in lack of local research in Hong Kong but is an emerging family structure which has increasing need for professional intervention This study began as a result of the researcher s concern about the soaring number of divorces and broken families in Hong Kong and her curiosity to uncover the untold stories of stepfamilies The literature review presentation and thematic analysis of the findings of this study will increase the readers knowledge and understanding of stepfamilies in contexts which are different from Western societies This book unveils the perceptions and life experiences of the stepmothers social workers and teachers attitudes towards stepfamilies and the parenting behaviours of stepfamilies in Hong Kong The author has reflectively analyzed the complex interplay between the social attitudes cultural stereotyping of stepfamilies influenced by Chinese traditional values aspirations towards marriage and marital relationships parental

expectations and parent child relationships ideology and policy issues affecting professional intervention **Stepparenting** Stanley H. Cath, Moisy Shopper, 2013-04-15 In an era when teachers commonly report that up to half of the children in their classes come from multiple homes and have multiple caretakers the special psychological challenges of stepparenting have never been in greater need of examination As thoughtful clinicians have long known stepparenting is among the most complicated of psychological projects it may simultaneously be a multifaceted burden and a spur to personal autonomy deepened sensitivity to others and newfound competence as a nurturer Among the thousands of divorced people who remarry each year most despite their best resolve to live in the present persist in reassessing the price of separation especially as they come to appreciate the fact that divorce is seldom a total break for their children Stepparenting is a comprehensive exploration of the process of reconstructing families More specifically it is a book about the perils and promise of stepparenting a caretaking role that may be more challenging than biologically given child rearing Contributors follow people as they try to reevaluate past misunderstandings and acclimate to new parenting contexts and obligations Editors Cath and Shopper have taken pains to offer a balanced purview that includes both successful and maladaptive instances of stepparenting Of special note are the clinical examples throughout the book that chart the extended periods of slow creative learning experienced by parents and children biological and step as they test the waters of new family systems and try to elicit newly attuned responses from each other **Stepparenting** Jeannette Lofas, 2004 One big step beyond love and marriage Stepfamilies Roni Berger, 2020-04-01 Combining theoretical empirical and clinical knowledge Stepfamilies A Multi Dimensional Perspective contains recent research and information that will help mental health practitioners family therapists psychologists and counselors understand the characteristics dynamics needs and issues of nonclinical stepfamilies Based on direct experiences with diverse types of stepfamilies this book gives you new guidelines and strategies that will enable you to offer more successful sessions to your clients and improve your effectiveness as a practitioner Developed to give you a more realistic understanding of stepfamilies this text helps you avoid the stereotypes and false perceptions that often surround stepfamilies Offering methods and strategies aimed at making your clients feel comfortable about themselves and their situations Stepfamilies A Multi Dimensional Perspective examines several aspects of these families that you need to know in order to improve your effectiveness with them including the definition and description of stepfamilies and recognizing historical and social changes in the stepfamily structure critical reviews on the present knowledge of stepfamilies describing the complexity of family structure the ambiguity of boundaries and roles and the struggle with the diverse phases of the life cycle discussing key issues for stepfamilies such as past orientation and acceptance rejection of differences from non stepfamilies and focal subsystems the profile characteristics and case studies of an innovative typology of stepfamilies that includes integrated families invented families and imported families aspects of ethnically and culturally different stepfamilies including American stepfamilies Israeli stepfamilies and immigrant stepfamilies from the former Soviet

Union social perceptions and attitudes of stepfamilies in schools social services community organizations the media and with the law Offering case studies and data on a variety of families and situations Stepfamilies A Multi Dimensional Perspective will show you that all stepfamilies are not the same and cannot be helped by just one practice method Complete with principles and instruments to assess patients and the success of sessions Stepfamilies A Multi Dimensional Perspective works to promote an understanding of stepfamilies that will result in effective and positive therapy for your clients Becoming A Stepfamily Patricia L. Papernow, 2015-07-17 What determines whether stepfamilies remain together What helps stepfamilies overcome the difficulties of remarriage and become mutually supportive family units How can mental health professionals better support this development This book brings both clarity and depth to the unique and complex dynamics of remarried families Patricia Papernow draws on interviews with over 100 stepfamily members up to date research a solid theoretical framework and an empathic clinical sensibility to present an insightful model of stepfamily development the Stepfamily Cycle This details account of the sages of forming a lasting cohesive group is richly illustrated by stepfamily members own stories Becoming a Stepfamily describes the developmental challenges involved in building nourishing reliable relationships between stepparents and stepchildren in the newly married couple and between different family groups who must learn to live together in a remarried family Papernow discusses the factors that influence the pace and ease of development and she provides four full length case studies illustrating the varied paths through the stepfamily cycle to the successful remarried life The author offers therapists clergy school personnel and others involved with stepfamilies a range of effective interventions including preventive educational and clinical approaches She provides practical guidance for helping family members deal constructively with the differing attachments of children to their biological parents and stepparents assisting stepparents as they cope with feeling excluded from the powerful biological parent child bond and guiding biological parents torn between their spouse s need for intimacy and privacy and their children s needs for support and attention

Stepfamilies Alan Booth, Judy Dunn, Judith F. Dunn, 2014-04-08 Stepfamilies represent an increasing number of American households and shape the upbringing of countless stepchildren Despite their prominence in society our knowledge about these families is very limited To address this deficit the editors have drawn together the work of 16 nationally known scholars to deal with four questions Marriages that create stepfamilies Why do they occur Fail Succeed How do stepfamilies function as child rearing environments How do stepfamilies function as sources of support in later life Building research and policy agendas What is needed In seeking answers to these questions the book bridges the disciplines of psychology sociology social psychology child development demography law and policy Readers will gain an understanding of the current knowledge about stepfamilies obtain an appreciation of the diverse views on a variety of stepfamily issues learn about existing and anticipated laws and policies that affect stepfamilies and acquire ideas on needed research and policy agendas Chapter authors are leading figures in psychology sociology demography human development and family law their contributions are

valuable to researchers teachers and students as well as policymakers and legislatures *Helping Youth and Families of Separation, Divorce and Remarriage* United States. Youth Development Bureau, American Institutes for Research, 1980

Stepfamilies Marvin B Sussman, 2020-04-01 Stepfamilies History Research and Policy examines language use laws cultural stereotypes media images and social policies and practices to create an understanding of how predominant views about stepfamilies and stepfamily members are constructed within society As the rates of divorce and remarriage continue to increase it is more important than ever to overcome nuclear family ideology and abandon the model of research that compares stepfamilies with nonstepfamilies This book shows you how honor and empowerment can be attained in new family structures and how alternative kin networks can be just as healthy as the traditional nuclear family unit As this book examines the ability of different societies to integrate different family forms into mainstream notions of family you will realize the damaging effects of treating stepfamilies as incomplete undesirable institutions In fact Stepfamilies History Research and Policy will challenge your notions of family over and over again as it discusses key relationships in stepfamilies stepfather involvement in parenting after remarriage meaning of gender in a stepfamily differences in investment between biological and nonbiological parents demographic change and significant shifts in the social and cultural implications of stepfamilies attempting to reconstruct a household like that of a previous marriage the impact of stereotypes on the internal dynamics of stepfamilies and on the interactions of stepfamilies with outsiders the absence of guidelines and cultural norms for role performance and problem solving in stepfamilies Stepfamilies History Research and Policy discusses both the difficulties of forming new families and households as well as the factors that promote family cohesiveness and integration in stepfamilies From stereotypes of stepmothers to ambiguous legal relationships to child maltreatment in stepfamilies to sibling relations there isn't much that the penetrating lens of this book leaves uncovered

Remarriage And Stepparenting Introduction

In today's digital age, the availability of Remarriage And Stepparenting books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Remarriage And Stepparenting books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Remarriage And Stepparenting books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Remarriage And Stepparenting versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Remarriage And Stepparenting books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Remarriage And Stepparenting books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Remarriage And Stepparenting books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Remarriage And Stepparenting books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Remarriage And Stepparenting books and manuals for download and embark on your journey of knowledge?

FAQs About Remarriage And Stepparenting Books

1. Where can I buy Remarriage And Stepparenting books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Remarriage And Stepparenting book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
