Reminiscence And Recall A Guide To Good Practice Care Professional Handbook Series:

Reminiscence and Recall Faith Gibson,1998 A revised edition of the volume originally published in 1994 which considers the value of reminiscence to relationships The British National Bibliography Arthur James Wells,1998 **The Arts in Health Care** Charles Kaye,Tony Blee,1997 Adopting a practical approach this book aims to help staff in health care to introduce and develop the use of arts in their own spheres of influence Above all it will help professionals to improve the quality of life of those in care **Spiritual Growth and Care in the Fourth Age of Life** Elizabeth MacKinlay,2006-02-08 This book explores the spiritual dimension of ageing and investigates the role of pastoral and spiritual care in helping the frail elderly cope with end of life issues Focusing on the experience of nursing home residents and anecdotes gathered in interviews MacKinlay sensitively presents the struggles facing older people in need of care **Reminiscence Theatre** Pam Schweitzer,2007 This book is a comprehensive guide to the nature practice and therapeutic effects of reminiscence theatre Drawing on examples from real life case studies Pam Schweitzer provides practical advice on the process of taking an oral history creating from it a written script and developing that into a dramatic production on whatever scale **Reminiscence and Life Story Work** Faith Gibson,2011-08-15 Reminiscence is a valuable tool for the professional carer as well as those looking after a family member or friend It enhances and enriches the care relationship and benefits both the person being cared for and the carer This fully updated fourth edition is full of practical information on planning and running successful reminiscence work *The ^AVoice of the Past* Paul Thompson,2017-02-24 Oral history and life stories through recording the experiences of people of all kinds invigorate both past and present broadening life s base with unique testimony from hidden spheres of experience such as family relationships the informal culture of work or the lives of migrants This fully revised fourth edition of Paul Thompson s classic *The Voice of the Past* offers an invaluable tool for anyone using this approach **The Oxford Handbook of Oral History** Donald A. Ritchie,2011 The Oxford Handbook of Oral History brings together 40 authors on five continents to address the evolution of oral history the impact of digital technology the most recent methodological and archival issues and the application of oral history to both scholarly research and public presentations Communication and the Care of People with Dementia John Killick,Kate Allan,2001 This book argues that communication is at the heart of all approaches to dementia care and is an in depth exploration of ways of establishing and developing communication with people with dementia It examines both the nature of dementia as a condition and the subjective experience of those affected The authors consider in detail how communication between people with dementia and those who care for them changes and how it can be maintained and enhanced They include a significant amount of material quoted from people with dementia and suggest ways of interpreting their words and actions We learn about what it might be like to have dementia and what sort of help is needed by people in this situation Throughout the book the authors address the ethical issues and the implications for practice The combination of creativity and critical analysis which the joint authors as

poet and psychologist bring to this book is especially productive The interweaving of substantial practice examples based on conversations with people with dementia give persuasive authority to the careful exposition and detailed analysis The book is much more than an exhortation to carers about how they should communicate It challenges them to understand themselves and shows how they might use themselves to engage with people with dementia Faith Gibson Emeritus Professor of Social Work Communication and the Care of People with Dementia is a key resource for students and professionals in health and social care work including those in such fields as social work nursing occupational therapy speech therapy physiotherapy clinical psychology geriatric medicine and the management of services **Whitaker's Books in Print** ,1998
