Reminiscences And Recollections Of Huey P Long:

Reminiscences and Recollections of Huey P. Long Calvit L. Walker,1996-01 *Kingfish* Richard D. White, Jr.,2009-03-25 From the moment he took office as governor in 1928 to the day an assassin s bullet cut him down in 1935 Huey Long wielded all but dictatorial control over the state of Louisiana A man of shameless ambition and ruthless vindictiveness Long orchestrated elections hired and fired thousands at will and deployed the state militia as his personal police force And yet paradoxically as governor and later as senator Long did more good for the state s poor and uneducated than any politician before or since Outrageous demagogue or charismatic visionary In this powerful biography Richard D White Jr brings Huey Long to life in all his blazing controversial glory White taps invaluable new source material to present a fresh vivid portrait of both the man and the Depression era that catapulted him to fame From his boyhood in dirt poor Winn Parish Long knew he was destined for power the problem was how to get it fast enough to satisfy his insatiable appetite With cunning and crudity unheard of in Louisiana politics Long crushed his opponents in the 1928 gubernatorial race then immediately set about tightening his iron grip The press attacked him viciously the oil companies howled for his blood after he pushed through a controversial oil processing tax but Long had the adulation of the people In 1930 the Kingfish got himself elected senator and then there was no stopping him White s account of Long s heyday unfolds with the mesmerizing intensity of a movie Pegged by President Roosevelt as one of the two most dangerous men in the country Long organized a radical movement to redistribute money through his Share Our Wealth Society and his gospel of pensions for all a shorter workweek and free college spread like wildfire The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools hospitals and universities his outrageous antics on the Senate floor gained him a growing national base By 1935 despite a barrage of corruption investigations Huey Long announced that he was running for president In the end Long was a tragic hero a power addict who squandered his genius and came close to destroying the very foundation of democratic rule Kingfish is a balanced lucid and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics The Cumulative Book Index ,1997 A world list of books in the English language

The Emergence of the New South, 1913–1945 George Brown Tindall,1967-11-01 The history of the South in this century has been obscured in the ever growing mass of information about the region s rapid change and turbulent development In this book Volume X of A History of the South the historical image of the modern South is brought into full focus for the first time George Brown Tindall presents a thorough and well balanced historical narrative of the region during the years 1913 1945 when the South underwent a transformation from a predominantly agricultural area to one of growing industrialization The inauguration of President Woodrow Wilson ended a half century of political isolation for the South and ushered in an era of agrarian reforms prohibition woman suffrage industrial growth and recurring crises for Southern farmers During the 1920 s the South was caught in a contrast of urban booms and farm distress There were flareups of racial violence and the Ku Klux

Klan was revived Mr Tindall devotes considerable attention to the Southern literary renaissance which produced William Faulkner Thomas Wolfe and many other notable writers and critics The Emergence of the New South provides a new understanding of the changing political and social climate in the South under the stresses of depression the New Deal the labor movement Negro unrest and two world wars Voices of the Army of the Potomac Vincent L. Burns,2021-10-29 Finalist 2021 Army Historical Foundation Distinguished Writing Awards As historian David W Bright noted in Race and Reunion The Civil War in American Memory No other historical experience in America has given rise to such a massive collection of personal narrative literature written by ordinary people This massive collection of memoirs recollections and regimental histories make up the history of the Civil War seen through the eyes of the participants This work is an overview of what Civil War soldiers and veterans wrote about their experiences It focusses on what veterans remembered what they were prepared to record and what they wrote down in the years after the end of the war In an age of increased literacy many of these men had been educated whether at West Point Harvard or other establishments but even those who had received only a few years of education chose to record their memories The writings of these veterans convey their views on the cataclysmic events they had witnessed but also their memories of everyday events during the war While many of them undertook detailed research of battles and campaigns before writing their accounts it is clear that a number were less concerned with whether their words aligned with the historical record than whether they recorded what they believed to be true This book explores these themes and also the connection between veterans writing their personal war history and the issue of veterans pensions Understanding what these veterans chose to record and why is important to achieving a deeper understanding of the experience of these men who were caught up in this central moment in American life The Kingfish and His Realm William Ivy Hair,1996 The best biography of Long written to date New Orleans Times Picayune A remarkable work Of all the biographies of Huey Long Hair s best captures the atmosphere of public life in the Pelican State Written with passion and mordant wit the book is literally hard to put down Reviews in American History Well proportioned and tartly written Hair s book is notable for its conceptualization and exhaustive research for its analysis of Long s extraordinary control of Louisiana and his role in national politics and for its interpretation of the Long phenomenon Journal of American History A masterly biography of the redneck messiah A consistently engrossing portrait Kirkus Reviews starred review A fascinating and highly readable look at the improbable rise and fortunate fall of one of the most dangerous politicians in American History San Francisco Chronicle *Louisiana, a Narrative History* Edwin Adams Davis,1971 *The Story of Louisiana* Edwin Adams Davis,1960 **The Western Confederacy's Final Gamble** James Lee Mcdonough,2013-10-01 After Major General William Tecumseh Sherman s forces ravaged Atlanta in 1864 Ulysses S Grant urged him to complete the primary mission Grant had given him to destroy the Confederate Army in Georgia Attempting to draw the Union army north General John Bell Hood s Confederate forces focused their attacks on Sherman s supply line the railroad from Chattanooga

and then moved across north Alabama and into Tennessee As Sherman initially followed Hood s men to protect the railroad Hood hoped to lure the Union forces out of the lower South and perhaps more important to recapture the long occupied city of Nashville Though Hood managed to cut communication between Sherman and George H Thomas s Union forces by placing his troops across the railroads south of the city Hood s men were spread over a wide area and much of the Confederate cavalry was in Murfreesboro Hood s army was ultimately routed Union forces pursued the Confederate troops for ten days until they recrossed the Tennessee River The decimated Army of Tennessee now numbering only about 15 000 retreated into northern Alabama and eventually Mississippi Hood requested to be relieved of his command Less than four months later the war was over Written in a lively and engaging style The Western Confederacy s Final Gamble presents new interpretations of the critical issues of the battle James Lee McDonough sheds light on how the Union army stole past the Confederate forces at Spring Hill and their subsequent clash which left six Confederate generals dead He offers insightful analysis of John Bell Hood s overconfidence in his position and of the leadership and decision making skills of principal players such as Sherman George Henry Thomas John M Schofield Hood and others McDonough s subjects both common soldiers and officers present their unforgettable stories in their own words Unlike most earlier studies of the battle of Nashville McDonough s account examines the contributions of black Union regiments and gives a detailed account of the battle itself as well as its place in the overall military campaign Filled with new information from important primary sources and fresh insights Nashville will become the definitive treatment of a crucial battleground of the Civil War **The Story of Louisiana** ,1960 *AB Bookman's Yearbook* ,1959 Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **The FDR Years** William D. Pederson,2009 Born in 1882 in New York Franklin Delano Roosevelt entered public service through the encouragement of the Democratic Party and won the election to the New York Senate in 1910 This book details his administration at the height of the Great Depression as he valiantly led the nation with the phrase The only thing we have to fear is fear itself **A Companion to Warren G. Harding, Calvin Coolidge, and Herbert Hoover** Katherine A.S. Sibley,2014-07-22 With the analysis of the best scholars on this era 29 essays demonstrate how academics then and now have addressed the political economic diplomatic cultural ethnic and social history of the presidents of the Republican Era of 1921 1933 Harding Coolidge and Hoover This is the first historiographical treatment of a long neglected period ranging from early treatments to the most recent scholarship Features review essays on the era including the legacy of progressivism in an age of normalcy the history of American foreign relations after World War I and race relations in the 1920s as well as coverage of the three presidential elections and a thorough treatment of the causes and consequences of the Great Depression An introduction by the editor provides an overview of the issues background and historical problems of the time and the personalities at play **A History of the South: Tindall, G. B. The emergence of the new south, 1913-1945** Wendell Holmes Stephenson,Ellis Merton Coulter,1967 *Huey Long* Harry Williams,1970 **Catalogue of the**

Cambridge Public Library, 1887 Cambridge Public Library (Cambridge, Mass.),1887 At the Table of Power Diane M. Spivey,2022-09-13 At the Table of Power is both a cookbook and a culinary history that intertwines social issues personal stories and political commentary Renowned culinary historian Diane M Spivey offers a unique insight into the historical experience and cultural values of African America and America in general by way of the kitchen From the rural country kitchen and steamboat floating palaces to marketplace street vendors and restaurants in urban hubs of business and finance Africans in America cooked their way to positions of distinct superiority and thereby indispensability Despite their many culinary accomplishments most Black culinary artists have been made invisible until now Within these pages Spivey tells a powerful story beckoning and daring the reader to witness this culinary cultural and political journey taken hand in hand with the fight of Africans in America during the foundation years from colonial slavery through the Reconstruction era These narratives together with the recipes from the nineteenth and twentieth centuries expose the politics of the day and offer insight on the politics of today African American culinary artists Spivey concludes have more than earned a rightful place at the table of culinary contribution and power **Encyclopedia of Life Writing** Margaretta Jolly,2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *Trevilian Station, June 11-12, 1864* Joseph W. McKinney,2016-02-18 In June 1864 General Ulysses Grant ordered his cavalry commander Philip Sheridan to conduct a raid to destroy the Virginia Central Railroad between Charlottesville and Richmond Sheridan fell short of his objective when he was defeated by General Wade Hampton s cavalry in a two day battle at Trevilian Station The first day s fighting saw dismounted Yankees and Rebels engaged at close range in dense forest By day s end Hampton had withdrawn to the west Advancing the next morning Sheridan found Hampton dug in behind hastily built fortifications and launched seven dismounted assaults each repulsed with heavy casualties As darkness fell the Confederates counterattacked driving the Union forces from the field Sheridan began his withdrawal that night an ordeal for his men the Union wounded and Confederate prisoners brought off the field and the hundreds of starved and exhausted horses that marked his retreat killed to prevent their falling into Confederate hands
