Integrity.... When No One's Looking Marvin Soskil,2022-05-04 We all have freedom of choice Nobody is telling you what you must do It is your conscience that you have to live with As we look around us these days do you notice how the world has changed We went from better to worse worse to horrific and we re heading from horrific to dread We can have the power to control situations only if we raise the levels of our own consciousness and get back to basics Remember when we wore white shirts and black ties for assembly When your parents told you to do something you didn t ask why you just did it When No One is Looking is about bringing Integrity back into our lives and being more conscious of decisions we make and actions we take which can make this a better world The most influential tool we have in your entire arsenal is your integrity Zig Zigler Only a person with integrity has the ability to command a long time respect and admiration young or old rich or poor It doesn t matter what you have now you can live with integrity and elegance and you can take utmost pride in that That is because integrity is something you decide to have It is a principle you chose to live by Each of us will someday be judged by our standard of life not by the standard of living by our measure of giving not by our measure of wealth by our simple goodness not by seeming greatness William Arthur Ward

Carter,1996-12-19 Why do we care more about winning than about playing by the rules Integrity all of us are in favor of it but nobody seems to know how to make sure that we get it From presidential candidates to crusading journalists to the lords of collegiate sports everybody promises to deliver integrity yet all too often the promises go unfulfilled Stephen Carter examines why the virtue of integrity holds such sway over the American political imagination By weaving together insights from philosophy theology history and law along with examples drawn from current events and a dose of personal experience Carter offers a vision of integrity that has implications for everything from marriage and politics to professional football He discusses the difficulties involved in trying to legislate integrity as well as the possibilities for teaching it As the Cleveland Plain Dealer said In a measured and sensible voice Carter attempts to document some of the paradoxes and pathologies that result from pervasive ethical realism If the modern drift into relativism has left us in a cultural and political morass Carter suggests that the assumption of personal integrity is the way out
