Right Wing Extremism In The Twenty First Century:

Right-wing Extremism in the Twenty-first Century Peter H. Merkl, Leonard Weinberg, 2003 Dialogos encompasses Greek language and literature Greek history and archaeology Greek culture and thought present and past a territory of distinctive richness and unsurpassed influence It seeks to foster critical awareness and informed debate about the ideas events and achievements that make up this territory by redefining their qualities by exploring their interconnections and by reinterpreting their significance within Western culture and beyond

Right-wing Extremism in the Twenty-first Century Peter Merkl, Weinberg LEONARD, 2004-08-02 Revising the 1997 first edition this study covers events that occurred in Oldham and Bradford after the year 2000 The rise of right wing extremist groups is put under scrutiny in a number of states including Britain Germany Austria Russia and France

Terrorism in the Twenty-First Century Cynthia C. Combs, 2017-11-28 Terrorism in the Twenty First Century helps readers understand terrorism responses to it and current trends that affect the future of this phenomenon Putting terrorism into historical perspective and analyzing it as a form of political violence this text presents the most essential concepts the latest data and numerous case studies to promote effective analysis of terrorist acts Terrorism in the Twenty First Century objectively breaks down the who what why how of terrorism giving readers a way both to understand patterns of behavior and to more critically evaluate forthcoming patterns New to the 8th Edition Provides a more intense exploration of religion as a primary cause of contemporary terrorism Focuses on the role of social media in recruitment and propaganda Examines the radicalization and recruitment by ISIS to fighting and to domestic young people to carry out attacks at home Explores the growing threat and reality of cyber attacks Updates the material on the networking of terrorism today

Twenty-First Century Fictions of Terrorism Arin Keeble, 2024-05-31 Examining novels by celebrated authors some neglected and some brand new texts Arin Keeble offers a detailed analysis of the ways novels from around the world have represented terrorism in the early twenty first century Over five chapters he uncovers a movement away from event based narratives toward depictions of terrorism as a violent symptom or feature of twenty first century world systems and neoliberalism Beginning with the early literary response to 9 11 and the 9 11 novel genre the book moves through more recent depictions of the endless war on terror state terror white nationalist terror and historical narratives of terror that resonate in the current political climate In doing so it examines the changing ways literature has sought to make sense of both the reasons why terrorism occurs and the effects it has on victims survivors and international and intercultural relations

Transnationalism and German-Language Literature in the Twenty-First Century Stuart Taberner, 2017-03-01 This book examines how German language authors have intervened in contemporary debates on the obligation to extend hospitality to asylum seekers refugees and migrants the terrorist threat post 9 11 globalisation and neo liberalism the opportunities and anxieties of intensified mobility across borders and whether transnationalism necessarily implies the end of the nation state and the dawn of a new cosmopolitanism The book proceeds through a series of close

readings of key texts of the last twenty years with an emphasis on the most recent works Authors include Ter zia Mora Richard Wagner Olga Grjasnowa Marlene Streeruwitz Vladimir Vertlib Navid Kermani Felicitas Hoppe Daniel Kehlmann Ilija Trojanow Christian Kracht and Christa Wolf representing the diversity of contemporary German language writing Through a careful process of juxtaposition and differentiation the individual chapters demonstrate that writers of both minority and nonminority backgrounds address transnationalism in ways that certainly vary but which also often overlap in surprising ways

Right-Wing Terrorism in the 21st Century Daniel Koehler,2016-10-04 This book is the first comprehensive academic study of German right wing terrorism since the early 1960s available in the English language It offers a unique in depth analysis of German violent extremist right wing movements terrorist events groups networks and individuals In addition the book discusses the so called National Socialist Underground NSU terror cell which was uncovered in late 2011 by the authorities The NSU had been active for over a decade and had killed at least ten people as well as executing numerous bombings and bank robberies With an examination of the group s support network and the reasons behind the failure of the German authorities this book sheds light on right wing terrorist group structures tactics and target groups in Germany The book also contains a complete list of all the German right wing terrorist groups and incidents since the Second World War Based on the most detailed dataset of right wing terrorism in Germany this book offers highly valuable insights into this specific form of political violence and terrorism which has been widely neglected in international terrorism research

Terrorism in the Twenty-First Century Cindy C. Combs,2015-09-21 This book s major strengths are its content which is excellent its organization which is logical and the fact that it devotes considerable attention to counterterrorist strategies and operations

Extreme Right Wing Political Violence and Terrorism Max Taylor,Donald Holbrook,P.M. Currie,2013-02-14 In this collection senior experts explore all aspects of extreme right wing political violence from the nature of the threat processes of engagement and ideology to the lessons that can be drawn from exiting such engagement Further right wing activism and political violence are compared with Jihadi violence and engagement Also the European experience is placed within a greater framework including that of the United States and the Arab Spring The book opens with an essay on U S far right groups investigating their origins and processes of recruitment It then delves into violence against UK Mosques and Islamic centers the relationship between Ulster loyalism and far right extremism the Dutch extremist landscape and the July 2011 Norway attacks Also discussed are how narratives of violence are built and justified at what point do individuals join into violence and how differently states respond to left wing vs right wing extremism This comparative work offers a unique look into the very nature of right wing extremism and will be a must read for anyone studying political violence and terrorism

The New Extremism in 21st Century Britain Roger Eatwell,Matthew Goodwin,2012-11-12 Since the 1990s there has been a growing concern about the resurgence of extremist and radical movements in the Western world Although a variety of challenges to the liberal democratic order have emerged the main focus of concern among academics policy

makers and practitioners within Europe and beyond has been on the growth and activities of Islamists and to a lesser extent the extreme right. However, these forms of extremism are seldom placed alongside each other and in a manner that is sensitive to both the causes and consequences of extremist mobilization. This book presents new empirical research on the causes of these two new extremisms in 21st Century Britain and the appropriate responses to it by both the state and civil society. Both forms of extremism pose vital questions for those concerned with the development of a more cohesive and stable society. Unlike many studies, this volume adopts a holistic approach, bringing together experts from a variety of disciplines to examine the factors that cause support and the potential policy responses, including key questions such as: What is the current level of support for Islamism and right wing extremism? Who votes for extreme right parties such as the BNP in modern Britain, and despite its recent gains, why has the extreme right achieved only limited success? What are the steps of recruitment into radical violent takfiri jihadism? How effective are current responses to Islamism and the extreme right, such as those offered by Preventing Violent Extremism (PVE), wider public policy and policing? What is the potential role of political actors, media and civil society in responding to the extremist challenge? Challenging broad assumptions and bringing together leading scholars in this rapidly developing field, this work is essential reading for all those with an interest in terrorism, fascism, political extremism, social cohesion and the future of race relations.

Right-Wing Extremism in Canada Barbara Perry, Ryan Scrivens, 2019-08-19. This book comprehensively examines right wing extremism (RWE) in Canada, discussing the lengthy history of violence and distribution, ideological bases, actions, organizational capacity and connectivity of these extremist groups. It explores the current landscape, the factors that give rise to and minimise these extremist groups, strategies for countering these groups and the emergence of the Alt Right. It draws on interviews with law enforcement officials, community activists and current and former right wing activists to inform and offer practical advice, paired with analyses of open source intelligence on the state of the RWE movement in Canada. The historical and contemporary contours of right wing extremism in Canada are situated within the social, political and cultural landscape that has shaped the movement. It will be of particular interest to students and researchers of criminology, sociology, social justice, terrorism and political violence.

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19. Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades. This phenomenon has been far from uniform, however, and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies. Furthermore, the electoral scores of these parties have also varied over time, with the same party recording low electoral scores in one election but securing high electoral scores in another. This book, available in paperback for the first time, examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s. It proposes a number of different explanations as to

why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

Mobilizing on the Extreme Right Manuela Caiani, Donatella della Porta, Claudius Wagemann, 2012-02-16 Research on the extreme right is rare and the extreme right has even more rarely been analysed as a social movement In this volume the extreme right is compared in Italy Germany and the United States using concepts and methods developed in social movement studies In particular the book describes the discourse action and organizational structures of the extreme right and explains these on the basis of the available discursive and political opportunities Three main empirical methods are used in the research Firstly the frame analysis looks at the cognitive mechanisms that are relevant in influencing organizational and individual behaviour Second network analysis looks at the inter organizational structural characteristics of right wing organizations Finally protest event analysis allows for an empirical summary of the actions undertaken by right wing extremists over the last decade The substantive chapters address the organizational structure of the extreme right their action repertoires the framing of protest events the definition of us the struggle against modernity old and new forms of racism opposition to globalization and populism

The role of terrorism in twenty-first-century warfare Susanne Martin, Leonard Weinberg, 2016-12-21 This book presents a critical reflection on the major armed conflicts that occurred during the 1990s and the first decade of the twenty first century Conflicts in Bosnia Kosovo Chechnya Iraq Afghanistan and Syria all involved the use of terrorism by one or more groups Looking to the future the book asks what this means for violent conflicts yet to come Using a variety of case studies the authors provide a systematic and comprehensive analysis of the role played by terrorism as a stand alone tactic as well as one used to ignite broad scale conflict They also pose the question on what occasions does terrorism tend to occur as an armed conflict begins to subside and when in other words is it a trailing indicator

Liberal Democracy Into the Twenty-first Century Roland Axtmann, 1996 This book offers a contemporary critique of liberal democracy understood as a set of institutions and as a set of ideas Roland Axtmann asks what democracy means today as it faces the challenges of feminism multiculturalism globalization and European integration Axtmann analyses in turn each of liberal democracy s component parts Firstly he discusses the notions of sovereignty constitutionalism and representation and analyses the liberal concept of citizenship Secondly he surveys the conceptual history of civil society and presents republicanism and deliberative politics after Habermas as alternative conceptualizations of democracy Thirdly he shows how feminism and multi culturalism

challenge liberal democracy with their demands for the granting of group rights Finally he shows how global interdependence and supranational integration demand a reconsideration of democratic sovereignty The idea of democratic rule by the sovereign people in the sovereign nation state is being transformed to reflect new connections between citizens governments and supranational institutions

The Extreme Right in Europe Paul Hainsworth,2008-03-17 This book is a concise critical introduction to one of the most emergent themes in late twentieth century history politics and society and looks at how extremist and nationalist popular fronts have grown under the influence of modern day issues Castoriadis and Autonomy in the Twenty-first Century Alexandros Schismenos,Nikos Ioannou,Chris Spannos,2020-12-10 To what degree can the philosophy of Cornelius Castoriadis help analyze and evaluate our current social reality in relation to the project of autonomy How meaningful is his political proposition for direct democracy in the 21st century What significance do the concepts of social time and social space have in the determination of political freedom Castoriadis and Autonomy in the 21st Century presents basic concepts of Castoriadian philosophy including the social historical plane ontological creativity and social and individual time that provide the theoretical tools to evaluate the historical phenomena of our era Drawing from Greece s own turbulent past and the current global crisis to reveal new significances of social freedom global solidarity and movements of direct democracy this book explores social autonomy and human freedom today through critical dialogue with Castoriadis ideas

Right-Wing Extremism in Canada and the United States Barbara Perry,Jeff Gruenewald,Ryan Scrivens,2022-06-29 This book is the first collection of scholarship featuring both Canadian and American scholarship on the resurgent right wing extremist movement in the two countries It is particularly timely given the recent rise in political populism that has engendered renewed activism from extreme right contingents Trump s right wing populist and white nationalist political campaign has galvanized Canadian and American white supremacist ideologies identities movements and practices Leading Canadian and American scholars are brought together to explore a contemporary array of current dynamics patterns and characteristics associated with the movement in each country Split into four sections it provides an introduction to extremism in the 21st century it examines studying extremism forms of extremist activity and violence and the responses The collection allows comparisons to be drawn out from the distinct treatments of each country It speaks to students as well as scholars in social sciences departments including criminology sociology social justice and terrorism peace and security studies and political violence related programs

Learning and Teaching for the Twenty-First Century Rupert Maclean,2007-10-05 This book stresses learning and teaching over teaching and learning The contributors contend that education should not focus primarily on teachers and teaching but on learners how best to facilitate learning in the most effective enjoyable relevant and cost effective ways for learners at any age The book brings together thoughts and insights by international leaders in the fields of teaching and learning It seeks to build bridges between researchers policy makers and practitioners

The Extreme Right in France James Shields,2007-05-07 As well as providing a detailed biography of Le Pen

the leader of the National Front in France this book also explores the wider development of the extreme right as a significant intellectual and political force within France **Drivers of Authoritarianism** Günter Frankenberg, Wilhelm Heitmeyer, 2024-04-12 Drivers of Authoritarianism provides a prescient deep dive into modern threats to pluralism and democracy in times of crisis Adopting an interdisciplinary approach this incisive book analyses the social political economic and psychological consequences of crises during the first decades of the 21st century powered by the proliferation of authoritarian regimes and their ideologies as well as authoritarian attitudes

Right Wing Extremism In The Twenty First Century: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Right Wing Extremism In The Twenty First Century : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Right Wing Extremism In The Twenty First Century : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
