T'wer Right Funny Steve Travis, *Many More Funny Things* B. E. White, Jr., 2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can t believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author s life

Vernon God Little DBC Pierre, 2012-08-07 If Huckleberry Finn were set on the Mexican American border and written by the creators of South Park it might read something like this San Francisco Chronicle Hailed by critics and lauded by readers for its riotously funny and scathing portrayal of America in an age of trial by media materialism and violence Vernon God Little was an international sensation when it was first published in 2003 and awarded the prestigious Man Booker Prize The memorable portrait of America is seen through the eyes of a wry young protagonist Fifteen year old Vernon narrates the story with a cynical twang and a four letter barb for each of his townsfolk a medley of characters With a plot involving a school shooting and death row reality TV shows Pierre s effortless prose and dialogue combine to form a novel of postmodern gamesmanship A dangerous smart ridiculous and very funny first novel Pierre renders adolescence brilliantly capturing with seeming effortless the bright contradictory hormone rush of teenage life Sam Sifton The New York Times **A**

through media history text and technique You will find many of these comedians utterly appalling some surprisingly funny and others just plain weird They are all however culturally and politically relevant the American right is attempting to seize spaces of comedy and irony previously held firmly by the left You might not like this brand of humor but you can't ignore it

Now That's Funny! Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book *Now That's Funny* Desberg and Davis provide an intimate look into the minds of twenty-four of Hollywood's funniest comedy writers who have given us such shows as *Saturday Night Live* *Monk* *Everybody Loves Raymond* *The Simpsons* *Frasier* *Maude* *Home*
