Russian Mafia in America James O. Finckenauer, Elin J. Waring, 1998 An examination of Russian organized crime at home and in the U S *Corruption and Organized Crime in Europe* Philip Gounev, Vincenzo Ruggiero, 2012 In *Corruption and Organised Crime in Europe* Gounev and Ruggiero present a discussion of the relation between organized criminals and corruption in the EU's 27 Member States The book draws on research and scholarly work the editors carried out respectively within the Center for the Study of Democracy CSD in Bulgaria and within academic institutions as well as on behalf of the European Commission and the United Nations Combining empirical data and theoretical debates the book focuses on three main areas of the relationship between corruption and organised crime public bodies the private sector and criminal markets It presents the findings of a recent research project carried out by the CSD on behalf of the European Commission providing an analysis of the specific national contexts in which corruption and organized crime thrive The essays also address institutional responses and policies focusing particularly on how EU Member States attempt to sever the links between the official economy the political sphere and organized crime The second part of the book presents case studies written by some of the foremost international experts on the subject matter analysing corrupt exchange and criminal organisations concentrating on specific European countries Bulgaria France Greece Italy Russia Spain and the UK As the first comprehensive study of corruption and organised crime in the countries of the European Union the book will be a valuable resource for students and scholars of criminology sociology law and international politics as well policy makers and law enforcement agencies [Traditional Organized Crime in the Modern World](#) Dina Siegel, Henk van de Bunt, 2012-03-20 Despite strenuous efforts from local national and international law enforcement organized crime continues to thrive and prosper even centuries old crime outfits are surviving the global forces of mass migration and multinational business and finance From traditional gangland enterprises such as narcotics gambling and prostitution the world's mafias have moved into new sources of illegal income including high tech arms smuggling money laundering and identity fraud *Traditional Crime in the Modern World* tracks these organizations the Italian and Mexican mafias Columbian drug cartels Chinese triads and others across five continents as they adapt to change and assesses their prospects in the short and long term World events such as the collapse of the Soviet Union and the 9 11 terror attacks are discussed in the context of contributing to emerging markets for illicit goods and services and to evolving partnerships among criminal entities This timely volume Provides a comprehensive overview of how mafia like structures function today Analyzes in depth national crime situations with global implications Examines the migration of organized crime groups and their operations in their new countries Gauges the influence of digital and other technologies on organized crime Where applicable notes the links between organized crime and national political institutions Describes the impact of the global financial crisis on crime organizations Concise compelling and deeply documented *Traditional Crime in the Modern World* is an eye opening resource for

researchers in Criminology and Criminal Justice particularly with an interest in organized crime and trafficking as well as related topics of Demography Political Science and International Relations The ^AOxford Handbook of American Immigration and Ethnicity Ronald H. Bayor,2016-06-01 The Oxford Handbook of American Immigration and Ethnicity brings together thirty leading scholars to make sense of all the themes methodologies and trends that characterize the debate on American immigration They examine a wide range of topics including pan ethnicity whiteness intermarriage bilingualism religion museum ethnic displays naturalization regional mobility census categorization immigration legislation and its reception ethnicity related crime and gang formation By exploring the idea of assimilation in a multicultural society this Handbook shows how deeply pan ethnicity changed American identity over the time **From Fear to Fraternity** Patricia Rawlinson,2010-02-02 Organised crime makes good copy Gangsters shoot outs and mob meetings are a staple of TV shows and media reports tend to glamorise the criminal underworld The threat from organised crime has been a high profile concern in Western Europe and the US since the 1930s This being the case the recent emergence of Russian and Eastern European organised crime has led to high profile efforts to combat the new threat with little understanding of what it entails Patricia Rawlinson argues that burgeoning crime rates result not only from the failures of communism but also from the problems of free market economies Drawing on interviews with members of the Russian criminal underworld she argues that organised crime provides us with a barometer of economic well being both for Russia and for any neoliberal market economy *FBI Law Enforcement Bulletin* ,2000 **Encyclopedia of Immigrant Health** Sana Loue,Martha Sajatovic,2011-11-25 This encyclopedia adopts a biopsychosocial historical approach to immigrant health with a focus on immigrant populations in and immigration to magnet countries Extensive references to worldwide trends and global issues are made throughout its entries Chinese Criminal Entrepreneurs in Canada, Volume II Alex Chung,2019-03-09 This book explores how the new Asian criminal entrepreneurs in Canada known as The Big Circle Boys BCB competitively dominated the Canadian heroin market in the 1990s without a formal organisation or explicit hierarchical structure Drawing on the market resilience framework it examines how the BCB smuggled drugs by using social capital shared resources and trust effectively through their ethnicity How did they counter external security challenges and promote internal competitive cooperation Were they able to resolve disputes peacefully by managing internal relations These questions are answered through an analysis of their networking processes and illustrated in the structural properties and dynamics of their mono ethnic criminal network For the first time the BCB players that contributed to the 2001 Canadian and Australian heroin droughts are revealed through intercepted telephone calls and court testimonies It shows how the BCB collectively switched from heroin to ecstasy since the year 2000 The operation logistics of drug importation and local trafficking are scrutinised This book speaks to those interested in how a collective of ethnic Chinese career criminals succeeded and failed in the international drugs trade particularly for scholars and students of social sciences disciplines **Mafia and Organized Crime** James O.

Finckenauer,2012-12-01 A compelling introduction to the global impact of organized crime Famous for being ruthless cruel and cool the Mafia has always captured the darker side of the imagination Here James Finckenauer debunks the myths surrounding the Mafia to reveal the harsh realities of global organized crime from Japan to Russia to Colombia Despite popular appeal these incredibly complex organizations destabilize society on a global scale perpetuating untold economic physical psychological and societal damage Mafia and Organized Crime A Beginner s Guide provides vital insight into the real stories behind the world s richest and most successful criminals *Conflict in the Former USSR* Matthew

Sussex,2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia s struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature
