Russian Talk Culture And Conversation During Perestroika:

Russian Talk Nancy Ries,1997 As one of the first Western ethnographers working in Moscow Nancy Ries became convinced that talk is one crucial way in which Russian identity is constructed and reproduced Listening to the grim stories people used to characterize their lives during perestroika and encountering the florid pessimism with which Muscovites described the unraveling of Soviet governance Ries realized that these dire tales played a crucial role in fabricating a sense of shared experience and destiny While many of the narratives aptly depicted the chaotic social and political events they also promoted key images of Russianness and presented Russian society as an inescapable realm of injustice absurdity and suffering At the height of perestroika in the early 1990s Moscow residents commonly used the phrase complete ruin to refer to the disintegration of Russian society encompassing in that phrase the escalation of crime the disappearance of goods from stores the fall of production ecological catastrophes ethnic violence in the Caucasus the degradation of the arts and the flood of pornography Ries argues that such stories became a genre of folklore consistent in their lamenting portentous tone and their dramatic culturally poignant details

The Rhetorical Rise and Demise of “Democracy” in Russian Political Discourse, Volume 3 David Cratis Williams,Marilyn J. Young,Michael K. Launer,2024-02-20 In Volume Three of this four volume series we examine the rhetorical development that occurred during the first two terms of Vladimir Putin s tenure as president of the Russian Federation Initially Putin appeared to follow in the path set by his predecessor Boris Yeltsin vowing that Russia was at heart a European nation and would be a westward facing democracy going forward He even mentioned partnering with the EU and NATO Eight years later at the 2007 Munich Security Conference Putin excoriated the West for in his words attempting to create a unipolar world in which NATO expansion threatened Russia s security the United States acted as the world s sole hegemon and Europe simply followed orders relinquishing any sense of agency in its own affairs

Cultures of Crisis in Southeast Europe Klaus Roth, Asker Kartari, 2016 Southeast Europe's history of the last two centuries is marked by deep transformations and upheavals the emergence and disappearance of states ethnic conflicts and wars changes of political systems economic crises migration movements and natural disasters Most of these upheavals have been experienced as deep crises forcing people to adapt to often radically new situations This can cause crisis management to become a permanent way of life The book focuses on the cultures of crisis It analyzes the reactions of societies or individuals to them their impact on everyday life on peoples strategies of coping on the processes of adaptation and on peoples attitudes Focus is placed on crises relating to migration and post socialist transformation to politics and religion and to labour relations Series Ethnologia Balkanica Vol 18 Subject Sociology Southeast European Studies Politics *Performing Pain* Maria Cizmiciu, 2012-01-12 Time after time people turn to music when coping with traumatic life events Music can help process emotions interpret memories and create a sense of collective identity In *Performing Pain* author Maria Cizmiciu focuses on the late 20th century in Eastern Europe as she uncovers music's relationships to trauma and grief The 1970s and 1980s witnessed a cultural preoccupation in this region with the meanings of historical suffering particularly surrounding the Second World War and the Stalinist era Journalists historians writers artists and filmmakers frequently negotiated themes related to pain and memory truth and history morality and spirituality during glasnost and the years leading up to it *Performing Pain* considers how works by composers Alfred Schnittke Galina Ustvolskaya Arvo Part and Henryk Gorecki musically address contemporary concerns regarding history and suffering through composition performance and reception Taking theoretical cues from psychology sociology and literary and cultural studies Cizmiciu offers a set of hermeneutic essays that demonstrate the ways in which people employ music in order to make sense of historical traumas and losses Seemingly postmodern compositional choices such as quotation fragmentation and stasis create musical analogies to psychological and emotional responses to trauma and grief and the physical realities of their embodied performance focus attention on the ethics of pain and representation Furthermore as film music these works participate in contemporary debates regarding memory and trauma A comprehensive and innovative study *Performing Pain* will fascinate scholars interested in the music of Eastern Europe and in aesthetic articulations of suffering *Rethinking Class in Russia* Suvi Salmenniemi, 2016-04-08 Social

differentiation poverty and the emergence of the newly rich occasioned by the collapse of the Soviet Union have seldom been analysed from a class perspective Rethinking Class in Russia addresses this absence by exploring the manner in which class positions are constructed and negotiated in the new Russia Bringing an ethnographic and cultural studies approach to the topic this book demonstrates that class is a central axis along which power and inequality are organized in Russia revealing how symbolic cultural and emotional dimensions are deeply intertwined with economic and material inequalities Thematically arranged and presenting the latest empirical research this interdisciplinary volume brings together work from both Western and Russian scholars on a range of spheres and practices including popular culture politics social policy consumption education work family and everyday life By engaging with discussions in new class analysis and by highlighting how the logic of global neoliberal capitalism is appropriated and negotiated vis vis the Soviet hierarchies of value and worth this book offers a multifaceted and carefully contextualized picture of class relations and identities in contemporary Russia and makes a contribution to the theorisation of class and inequality in a post Cold War era As such it will appeal to those with interests in sociology anthropology geography political science gender studies Russian and Eastern European studies and media and cultural studies

Multiple Moralities and Religions in Post-Soviet Russia Jarrett Zigon, 2011-09-01 In the post Soviet period morality became a debatable concept open to a multitude of expressions and performances From Russian Orthodoxy to Islam from shamanism to Protestantism religions of various kinds provided some of the first possible alternative moral discourses and practices after the end of the Soviet system This influence remains strong today Within the Russian context religion and morality intersect in such social domains as the relief of social suffering the interpretation of history the construction and reconstruction of traditions individual and social health and business practices The influence of religion is also apparent in the way in which the Russian Orthodox Church increasingly acts as the moral voice of the government The wide ranging topics in this ethnographically based volume show the broad religious influence on both discursive and everyday moralities The contributors reveal that although religion is a significant aspect of the various assemblages of morality much like in other parts of the world religion in postsocialist Russia cannot be separated from the political or economic or transnational institutional aspects of morality

Authoritarian Laughter Neringa Klumbytė, 2022-12-15 Winner of the 2024 BASEES British Association for Slavonic and East European Studies Women's Forum Authoritarian Laughter explores the political history of the satire and humor magazine Broom published in Soviet Lithuania Artists writers and journalists were required to create state sponsored Soviet humor and serve the Communist Party after Lithuania was incorporated into the Soviet Union in 1940 Neringa Klumbytė investigates official attempts to shape citizens into Soviet subjects and engage them through a culture of popular humor Broom was multidirectional it both facilitated Communist Party agendas and expressed opposition toward the Soviet regime Official satire and humor in Soviet Lithuania increasingly created dystopian visions of Soviet modernity and were a forum for critical ideas and nationalist sentiments that were

mobilized in anti Soviet revolutionary laughter in the late 1980s and early 1990s Authoritarian Laughter illustrates that Soviet Western peripheries were unstable and their governance was limited While authoritarian states engage in a statecraft of the everyday and seek to engineer intimate lives authoritarianism is defied not only in revolutions but in the many stories people tell each other about themselves in jokes cartoons and satires
