The Bloomsbury Handbook to Ageing in Contemporary Literature and Film Sarah Falcut, Heike Hartung, Raquel Medina, 2023-06-29. Across more than 30 chapters spanning migration, queerness, and climate change, this handbook captures how the interdisciplinary and intersectional endeavor of Ageing Studies has shaped contemporary literary and film studies. In the early 21st century, the literary study of age and ageing in its cultural context has come of age; it has come to supplement and challenge a public discourse on ageing seen mainly as a political and demographic problem in many countries of the world. Following a tripartite structure, it looks first at literary and film genres and how they have been shaped by knowledge about age and ageing, incorporating both narrative genres as well as poetry, drama, and imagery. The second section includes chapters on key themes and concepts in Ageing Studies with examples from film and literature. The third section brings together case studies focussing on individual artists, national traditions, and global ageing. Containing original contributions by pioneers in the field as well as new scholars from across the globe, it brings together current scholarship on ageing in literary and film studies and offers new directions and perspectives.

Plain and Fancy Albert Hague, Joseph Stein, 1956. Two sophisticated New Yorkers with property to sell find themselves stranded in Bird in Hand, PA, and their encounters with the local Amish provide a charming and eye-opening look into the plain people of this rural enclave as country mouse meets city mouse. Publisher: *Strength in the Storm* Laurel Blount, 2022-02-22. In this touching Amish romance, a brokenhearted woman and a steadfast man discover that the safest place to weather tragedy is in each other's arms. After the murder of both her parents, Emma Hochstedler returns to the small community of Johns Mill, hoping to resume her quiet existence. Reclaiming her place proves harder than expected, especially now that a movie is being made about her family's loss. But then an old friend offers her a lifeline that gives her new purpose. Amish builder Samuel Christner is the biggest and the strongest man in town. In fact, the gentle giant has only one weakness: Emma. Even though she broke his heart, he won't let his childhood sweetheart face her troubles alone. He hires Emma as a nurse for his elderly aunt and finds himself falling for her all over again. But while romance blooms, storm clouds gather. And when darkness falls, it will take all Sam's strength and all their love to see them through. *The Bronze Horsemen* David Mallegol, 2012-11-09. *The Bronze Horsemen* is a fictional novel that describes an actual bronze age group of people called the Botai Bow Tie, who dominated the steppes of southern Russia for 600 years. According to *Discover Magazine* Summer 2010, the Botai were very likely the first to capture and domesticate a horse. horse Being mounted gave the Botai an advantage over those who sought to destroy them and changed the world for thousands of years
