Sabre Jets Over Korea A Firsthand Account:

Sabre Jets Over Korea Douglas K. Evans, 1984 Forfatteren fløj over 100 missoner i Korea og beretter herom på basis af sine dagbogsnotater og breve til familien *Sabres Over MiG Alley* Kenneth P Werrell, 2013-06-11 This is the story of the first jet versus jet war the largest in number of victories and losses and one of the few military bright spots in the Korean War It tells how an outnumbered force of F 86 Sabres limited by range and restricted by the rules of engagement decisively defeated its foe Based on the latest scholarship author Kenneth Werrell uses previously untapped sources and interviews with sixty former F 86 pilots to explore new aspects of the subject and shed light on controversies previously neglected For example he found much greater violation of the Yalu River than thus far has appeared in the published materials The F 86 became a legend in The Forgotten War because of its performance and beauty but most of all because of its record in combat

The Korean War Keith D. McFarland, 2009-12-04 The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in The Forgotten War In this revised and expanded second edition Keith D McFarland's clearly written annotations provide concise descriptions of more than 2 600 of the most important books articles and documents written in English on the conflict in Korea Key topics include origins of the war the political and military roles of North and South Korea the United States the Soviet Union China Great Britain Canada Australia South Africa Turkey and other United Nations members campaigns and battles weapons and uniforms and the military and diplomatic aspects of the war Specific subjects are easy to find using the index organized by topic and author making The Korean War a necessity for every academic or research library **United States Air Force and Its Antecedents** James T. Controvich, Martin Gordon, 2004-06-24 This expanded and revised edition of the bibliography originally compiled for the United States Air Force Historical Research Agency is the most comprehensive listing of unofficial published histories of the United States Air Force and its antecedents It covers the air force from its genesis as the US Army Signal Corps Aviation Section to the present These titles are a rich source of information for anyone interested in the history of combat and peacetime operations of the Air Force Researchers and libraries will find the organization of titles easy to use Entries include private sponsored or unofficial histories often written by the unit historian personal narratives purely photographic or pictorial histories route of battle maps published or printed rosters officially produced titles This is an indispensable resource for military aviation historians libraries with strong collections in military and air force history and unit history collectors It is also of special interest to genealogists as many unit histories contain rosters and photos of personnel **Officers in Flight Suits** John Darrell Sherwood, 1998-11 The United States Air Force fought as a truly independent service for the first time during the Korean War As a result the fighter pilots reigned supreme In Korea American air power was challenged by the most advanced fighter of the time the Soviet MiG 15 and ruled the skies in many celebrated aerial battles In addition however they destroyed virtually every major town and city in North Korea demolished its entire crop irrigation system and killed close to one million

civilians Korea then is the perfect laboratory for studying the culture of fighter pilots a culture based on self confidence and risk taking one which has promoted what John Darrell Sherwood calls flight suit attitude In *Officers in Flight Suits* Sherwood explores the flight suit officer s life drawing on memoirs diaries letters novels unit records and personal papers as well as interviews with over fifty veterans who served in the Air Force in Korea From their training to dramatic encounters during battle from their socio economic backgrounds to the flight suit culture they developed Sherwood investigates every dimension of these pilots lives The book provides an illuminating portrait of fighter pilot culture demonstrating how this culture affected their performance in battle and their attitudes toward others particularly women in their off duty activities

Jacket flap A Revolutionary War Elwood L. White, United States Air Force Academy. Library, 1992 Korean War, 1950-1953, 1990 *The Korean War* Paul Edwards, 2003-01-09 This historical dictionary of the Korean War is designed to provide brief but helpful information about all aspects of the war including units involved the United Nations political and military actions significant sites and operations and weapons use The Korean War Stanley Sandler, 2014-01-14 First major clash with a communist army The Korean War was America s first ideological conflict and the first large scale clash between U S UN forces and a Communist army More than any other event it signaled the beginning of Cold War mobilization for the U S and NATO and even though the specter of international communism had since faded away the animosities of The Forgotten War threaten to flare up even today Focuses on military topics The Korean War contains articles of varying lengths on key topics that range from the origins of the conflict ground naval and air operations and tactical planning to the Truman MacArthur face off the POW issue and armistice negotiations The bulk of the Encyclopedia focuses on such military topics as the use of artillery the pioneering concept of helicopter evacuation of wounded new infantry tactics dictated by Communist POW riots civil affairs larger military units and communications There are also articles on civilian and military leaders including President Eisenhower General Ridgeway Kim Il Sung Chou En lai Syngman Rhee and others Special features Articles written by experts in the field Useful to librarians scholars researchers and students alike Includes 48 maps and photographs Covers an extraordinary range of key topics A chronology extensive bibliography and a subject index are included The Korean War , The Korean War has been termed The Forgotten War or the Unknown War It is a conflict which never assumed the mythic character of the American Civil War or World War II However this book asserts it would be impossible to understand the Cold War and indeed post 1945 global history without knowledge of the Korean War Providing a history of the Korean peninsula before the war and including a detailed analysis of the fighting itself The Korean War goes beyond the battlefield to deal with the war in the air ground attack and air evacuation The study also evaluates the contributions of the UN naval forces the impact of the war on various homefronts and issues such as defectors opposition to the war racial segregation and integration POWs and the media Recently released Soviet documents are used to assess the role of China the Soviet Union North and South Korea and the allied forces in the conflict This fascinating work offers a

unique analysis of the Korean War and will be invaluable to students of twentieth century history particularly those concerned with American and Pacific history
