Sacraments Revisited What Do They Mean Today:

Sacraments Revisited Liam Kelly, 1998 Explores the history and theology of both the sacraments in general and all seven individually while encouraging readers to rediscover the rich meaning each one has for them today Martin Luther and the Seven Sacraments Brian C. Brewer, 2017-10-03 This introduction to Martin Luther's sacramental theology addresses a central question in the life of the church and in ecumenical dialogue Although Luther famously reduced the sacraments from seven to two baptism and the Lord's Supper he didn't completely dismiss the others Instead he positively recast them as practices in the church This book explores the medieval church's understanding of the seven sacraments and the Protestant rationale for keeping or eliminating each sacrament It also explores implications for contemporary theology and worship helping Protestants imagine ways of reclaiming lost benefits of the seven sacraments *Sacraments* Ray Robert Noll, 1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today's key sacramental theologians *Worship that Cares* Mark Earey, 2013-01-03 An introduction to the principles and skills of pastoral liturgy Inter denominational this text can be used across different Christian traditions in both formal and informal contexts and to meet traditional and non traditional pastoral needs **Becoming Apostolic** Catherine Sexton, 2024-07-01 This book explores the experience and understanding of Roman Catholic sisters of their vocation to the apostolic form of religious life as they age Based on interviews with twelve religious women it draws on the practice of Lectio Divina to explore how these women describe their call to service and activity at a time in life when these might be curtailed by physical diminishment and increasingly reduced social interaction and influence As the very institutions of religious life are themselves under threat the book identifies new emerging forms of ministry through presence to each other and to their carers **Womanpriest** Jill Peterfeso, 2020-05-12 This book is openly available in digital formats thanks to a generous grant from the Andrew W Mellon Foundation While some Catholics and even non Catholics today are asking if priests are necessary especially given the ongoing sex abuse scandal The Roman Catholic Womanpriests RCWP looks to reframe and reform Roman Catholic priesthood starting with ordained women Womanpriest is the first academic study of the RCWP movement As an ethnography Womanpriest analyzes the womenpriests actions and lived theologies in order to explore ongoing tensions in Roman Catholicism around gender and sexuality priestly authority and religious change In order to understand how womenpriests navigate tradition and transgression this study situates RCWP within post Vatican II Catholicism apostolic succession sacraments ministerial action and questions of embodiment Womanpriest reveals RCWP to be a discrete religious movement in a distinct religious moment with a small group of tenacious women defying the Catholic patriarchy taking on the priestly role and demanding reconsideration of Roman Catholic tradition Doing so the women inhabit and re create the central tensions in Catholicism today **Ritual Making Women** Jan Berry, 2017-07-05

Ritual Making Women looks at the way in which women's making of ritual has emerged from the rapidly developing field of women's spirituality and theology. The author uses ethnographic material to explore how the construction of ritual uses story making and embodied action to empower women. Ritual far from being a timeless and universal practice is shown to be a contextual and gendered performance in which women subvert conventional distinctions of private and public. The book combines narrative and case study material and draws on feminist theology and theory, social anthropology and gender studies.
