Mason,2015-03-08 The mysterious powers of gems crystals and minerals are finally explained in this practical guide to creating talismans Casting a modern light on the age old practice of talismans gemologist Henry M Mason correlates the mystical properties of these wondrous objects with the science of gemology Connecting with the universal life force the proper talisman can focus and magnify your own qualities helping you fulfill dreams and desires Mason s seven secrets explore how crystal structure color and chemistry contribute to a talisman s natural energies for aiding in attraction protection self improvement creativity tranquility spiritual awakening and more From selecting and preparing the proper mineral to empowering your talisman this guide takes you through every step of creating and using talismans and amulets for optimum effect *Hunting the Wren* Elizabeth Atwood Lawrence,1997 A unique interdisciplinary study this book examines the British and European tradition of the wren hunt in which a bird ordinarily revered and protected for most of the year was killed around the time of the annual solstice In focusing on this ancient ritual Elizabeth Atwood Lawrence draws on her training in cultural anthropology and biology to cast a fresh light on the complexities of human animal relationships Following an introductory chapter on animal symbolism Lawrence proceeds in subsequent chapters to describe the wren both as a biological entity and as the subject of numerous tales and legends to delineate the details of the wren hunt ceremony and the various meanings ascribed to it and finally to relate the ceremony to important contemporary issues in human animal interactions and current attitudes toward the living environment Whereas most other studies tend to concentrate solely on human perceptions of animals and fail to include the animal s role in the relationship Lawrence s approach shows how the participation of both animal and human determines the symbolic status of the animal which in turn influences the treatment of that animal within a particular society At a time when

human destructiveness toward nature has reached tragic proportions Lawrence contends it is critical that we understand the processes by which certain cultural beliefs in combination with observations about the natural history of a particular animal result in emotional and mental responses that may ultimately determine the fate of that species The author argues persuasively that the wren hunt with its ancient roots associated beliefs and complex meanings in the preindustrialized world still has much to teach us **Samhain** Llewellyn, 2015-09-08 Samhain also known as Halloween is the final spoke in the

Wheel of the Year At this time the harvest has finished and the veil between the worlds is at its thinnest This guide shows you how to practice the serious work of divination and honoring the dead along with the more lighthearted activities of Halloween Rituals Recipes Lore Spells Divination Crafts Correspondences Invocations Prayers Meditations Llewellyn's Sabbath Essentials explore the old and new ways of celebrating the seasonal rites that are the cornerstones of the witch's year

The Dictionary of Magic & Mystery Melusine Draco, 2012-05-25 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic

The Witch Compass Ian Chambers, 2022-08-08 Experience the Witch Compass Your Vehicle Map and Destination Explore the compass of the eight winds a magical circle at the heart of Traditional Witchcraft More than a tool for protection or raising power this framework provides the ritual means to traverse the worlds and a mythic landscape that can be accessed at any point in time and space Traditional Witch Ian Chambers teaches how the Witch Compass represents an entire worldview a cosmological map and a method for magic and revelation He helps you develop your own compass and use it for divination spirit work and practical sorcery This book shows you the world through the lens of your Witch Compass and reveals the many realms and spirits available to you
