The Last Addiction Sharon Hersh,2010-07-07 In an age of tell all addiction memoirs and reality television programs we gulp down the stories of others in the hope that we too can be overcomers even as we continue to love a person substance activity or ideology too much As Sharon Hersh writes We all suffer from the same condition In *The Last Addiction* she explores why we are prone to addiction to make one thing in our lives more central than it should be and how we can break free of our compulsions This is not a book of self help answers or how to steps It is a book about falling down and getting up again about realizing that we need more than ourselves to be saved The truth is we re not as bad as we think we are and we are worse than we ever dreamed When we live between those two realities we are ready to let go of the last idol the belief that we can save ourselves *The Last Addiction* invites you to see your own story more clearly as you better understand your longing for intimacy It invites you to love boldly and receive love in return It invites you to the freedom of redemption

Apocalypse Now? Duncan B. Forrester,2017-03-02 How may people of faith respond wisely constructively and courageously to the challenges of a time of terror How might religious reasons in public debate be a force for reconciliation rather than violence and hatred In a world in which religious arguments and religious motivations play such a huge public role there is an urgent responsibility for interpreting what is happening and engaging with religious views which are commonly regarded as alien threatening or dangerous In *Apocalypse Now* Duncan Forrester argues that disorders and atrocities which include the Gulag the Holocaust 9 11 the Afghanistan and Iraq wars and the Tsunami disaster have shown us that we stand not at the end of history but in the midst of an apocalyptic age of terror which has striking similarities to the time in which Christianity was born Moving between two times of terror the early Centuries of Christianity and today Forrester asks how religious motivations can play a positive role in the midst of conflicts and disasters Reading the signs of the times to try to understand what is happening in today s age of terror Forrester argues that there are huge resources in the Christian tradition that can be productively deployed for a more constructive and faithful response We are at a turning point this is a book which should be read *Reubeni, Prince of the Jews* Max Brod,1928
