Scapegoats Baseballers Whose Careers Are Marked By One Fateful Play:

Scapegoats Christopher Bell, 2010-06-25 Everyone wants to be able to perform well at important moments especially in the world of sports where both team and individual efforts are necessary for success A person who does well for the team is praised for his or her contributions But when the team suffers a loss especially at a key point in the season one person is often blamed for it even though the team is just as responsible This work considers baseball players whose careers have been defined and misrepresented by one moment in which they botched a play costing their teams an important victory often a pennant or World Series win and ever since have taken most of the blame for the team's breakdown It covers Fred Merkle whose controversial failure to tag second base after a game winning single lost the pennant for the Giants in 1908 Fred Snodgrass whose dropped fly ball contributed to the Red Sox's second championship in the 1912 series Mickey Owen whose passed ball resulted in the Dodgers losing Game 4 of the 1941 World Series to the Yankees Ralph Branca who delivered one of the most talked about home runs in history to Bobby Thomson in the 1951 NLCS Mike Torrez whose home run pitch to Bucky Dent was the final improbable event in the Sox's great collapse of '78 Tom Niedenfuer whose blown save in the 1985 NLCS cost the Dodgers the pennant Donnie Moore the California Angels pitcher remembered for giving up a home run in Game 5 of the 1986 ALCS Bill Buckner whose E 3 caused him to be blamed for the Red Sox's World Series loss in 1986 and Mitch Williams blamed for his three run home run pitch to Joe Carter in Game 6 of the 1993 World Series that lost the world championship for the Phillies

Mike Torrez Jorge Iber, 2016-08-12 The history of baseball is filled with players whose careers were defined by one bad play Mike Torrez is remembered as the pitcher who gave up the infamous three run homer to Bucky Bleeping Dent in the 1978 playoffs tie breaker between the Red Sox and Yankees Yet Torrez's life added up to much more than his worst moment on the mound Coming from a vibrant Mexican American community that settled in Topeka Kansas in the early 1900s he made it to the Majors by his own talent and efforts with the help of an athletic program for Mexican youth that spread through the Midwest Texas and Mexico during the 20th century He was in the middle of many transformative events of the 1970s such as the rise of free agency and was an ethnic role model in the years before the Fernandomania of 1981 This book covers Torrez's life and career as the winningest Mexican American pitcher in Major League history

Characters from the Diamond Ronald T. Waldo, 2016-03-17 Baseball during the late 1800s and the Deadball Era was filled with aggressive hard nosed players who had no qualms about exhibiting belligerent behavior while tenaciously achieving victory on the diamond These unique and eccentric individuals helped the game grow in popularity through their brilliance on the field and their legendary exploits off it From manager Miller Huggins fighting with a pitcher over thick juicy steaks to Rube Waddell getting arrested for tossing doughnuts at the coiffure of a waitress their stories kept baseball fans entertained throughout the season and still entertain us today In *Characters from the Diamond* Wild Events Crazy Antics and Unique Tales from Early Baseball Ronald T Waldo chronicles the adventures of an unparalleled group of players managers and umpires whose tales continue to define that era of baseball From the days of Chris Von der Ahe when his St Louis Browns dominated the American Association to the Great War this book presents an array of unique stories peculiar accounts and humorous anecdotes involving the men who were the very fabric of the game during that time period Baseball icons such as John McGraw Willie Keeler Ty Cobb Frank Chance Rube Waddell and Mike Donlin are profiled in this book while numerous lesser known players including Arthur Evans Jack Rowan Bill Kellogg Bill Bailey Ping Bodie and William Dugan are also given their moment in the sun alongside their more famous baseball brethren *Characters from the Diamond* breathes life back into baseball from the late nineteenth century and Deadball Era Illuminating entertaining and noteworthy these stories surrounding some of the game's most unique individuals paint a humorous off beat picture of an often forgotten era for baseball lovers everywhere

Baseball and the Blame Game John Billheimer, 2007-01-01 Most baseball fans know what links Fred Merkle Fred Snodgrass Mickey Owen and Bill Buckner It's a pantheon of public failure They would be harder put to say what links Eric Byrnes Tony Fernandez and Babe Ruth though these players made misplays every bit as egregious In this smart highly readable history of scapegoating John Billheimer identifies the elements that combine to condemn one player to a life sentence while another gets a wrist slap for the same offense As it turns out the difference between a lower case e in some forgotten box score and a lifetime of ignominy can hinge on a number of factors including timing geography reputation misunderstanding media bias and just plain bad luck

Inventing Baseball Heroes Amber Roessner, 2014-06-09 In *Inventing Baseball Heroes* Amber Roessner examines herocrafting in sports journalism through an incisive analysis of the work surrounding two of baseball's most enduring personalities Detroit Tigers outfielder Ty Cobb and New York Giants pitcher Christy Mathewson While other scholars have demonstrated that the mythmakers of the Golden Age of Sports Writing 1920 1930 manufactured heroes out of baseball players for the mainstream media Roessner probes further with a penetrating look

at how sportswriters compromised emerging professional standards of journalism as they crafted heroic tales that sought to teach American boys how to be successful players in the game of life Cobb and Mathewson respectively stereotyped as the game's sinner and saint helped shape their public images in the mainstream press through their relationship with four of the most prominent sports journalists of the time Grantland Rice F C Lane Ring Lardner and John N Wheeler Roessner traces the interactions between the athletes and the reporters delving into newsgathering strategies as well as rapport building techniques and ultimately revealing an inherent tension in objective sports reporting in the era Inventing Baseball Heroes will be of interest to scholars of American history sports history cultural studies and communication Its interdisciplinary approach provides a broad understanding of the role sports journalists played in the production of American heroes
