## Scared One:

Juan Mayorga Jerelyn Johnson, David Johnston, 2024-04-29 Juan Mayorga Six Plays is the first collection of Spanish dramatist Juan Mayorga's plays in English offering a compelling insight into the extraordinary range and quality of one of the Spanish speaking world's most distinctive voices The six plays are presented in translations that are both readable and eminently performable Each is accompanied by a translator's note that discusses the strategies and decisions used in making the play performable in English as well as the play's key themes The book also features an introduction to Mayorga's life and work emphasising his commitment to plays whose range of forms and innovative theatre making practice reimagines the nature of theatre and performance each time anew The plays themselves are brilliant treatises on our times inspiring conversation about and critical examination of our troubled world These scripts will be of interest to professional practitioners but are no less suited to both university and amateur settings making this the definitive collection of Mayorga's work in English for theatremakers students and scholars

Dance Floor Democracy Sherrie Tucker, 2014-10-23 Open from 1942 until 1945 the Hollywood Canteen was the most famous of the patriotic home front nightclubs where civilian hostesses jitterbugged with enlisted men of the Allied Nations Since the opening night when the crowds were so thick that Bette Davis had to enter through the bathroom window to give her welcome speech the storied dance floor where movie stars danced with soldiers has been the subject of much U S nostalgia about the Greatest Generation Drawing from oral histories with civilian volunteers and military guests who danced at the wartime nightclub Sherrie Tucker explores how jitterbugging swing culture has come to represent the war in U S national memory Yet her interviewees varied experiences and recollections belie the possibility of any singular historical narrative Some recall racism sexism and inequality on the nightclub's dance floor and in Los Angeles neighborhoods dynamics at odds with the U S democratic egalitarian ideals associated with the Hollywood Canteen and the Good War in popular culture narratives For Tucker swing dancing's torque bodies sharing weight velocity and turning power without guaranteed outcomes is an apt metaphor for the jostling narratives different perspectives unsteady memories and quotidian acts that comprise social history

Suppose and Tell Timothy Williamson, 2020 What does if mean This book argues for a new approach to understanding conditionals based on the idea that in assessing them we are guided by psychological heuristics fast and frugal methods mostly but not always reliable although the user may have no advance warning from the inside of their fallibility As a result philosophers and linguists have been led astray in theorizing about conditionals because they have taken erroneous judgements about examples as data simple theories have been too quickly dismissed The main heuristic involves making a supposition and exploring its consequences often in the imagination Although powerful this method can lead to paradoxes A secondary heuristic is to accept heuristic are sometimes in tension However formal results help show why the simple material semantics makes the best sense of the two heuristics even though they generate apparent counter examples to that semantics The second half of the book presents a new theory of the

meaning of counterfactuals about what would be if things were different it is explained in terms of the separate meanings of if and would This account is applied to the role of counterfactuals in thought experiments Suppose and Tell The Semantics and Heuristics of Conditionals analyses a wide variety of linguistic data and discusses the cognitive value of conditionals in our lives from everyday decision making to mathematical proofs Wider implications are drawn for the nature of meaning and its non transparency to native speakers vagueness in thought and language and the need for semantics to attend to the unreliable heuristics underlying our judgements Book jacket **Dictionary of Upriver Halkomelem** Brent Douglas Galloway,2009-09 An extensive dictionary almost 1800 pages of the Upriver dialects of Halkomelem an Amerindian language of B C giving information from almost 80 speakers gathered by the author over a period of 40 years Entries include names and dates of citation dialect information phonological morphological syntactic and semantic information domain memberships of each alloeme examples of use in sentences and much cultural information *Young Oologist* ,1918

*Educational Publication* North Carolina. Department of Public Instruction,1923 **Divorce Lawyers and Their Clients** Austin Sarat,William L. F. Felstiner,1995 Based on over 100 lawyer client conferences at which the authors were observers this book charts the complicated and shifting relationships between the two as they work out the strategy and tactics of divorce It also examines the nature of the marriage and why marriages fail the nature of the legal process and the best way to resolve divorce *The Oologist* ,1918 *Mi Voz, Mi Vida* Andrew Garrod,Robert Kilkenny,Christina Gómez,2007-03-22 Amid the flurry of debates about immigration poverty and education in the United States the stories in *Mi Voz Mi Vida* allow us to reflect on how young people who might be most affected by the results of these debates actually navigate through American society The fifteen Latino college students who tell their stories in this book come from a variety of socioeconomic regional and family backgrounds they are young men and women of Mexican Puerto Rican Cuban Dominican Central American and South American descent Their insights are both balanced and frank blending personal anecdotal political and cultural viewpoints Their engaging stories detail the students personal struggles with issues such as identity and biculturalism family dynamics religion poverty stereotypes and the value of education Throughout they provide insights into issues of racial identity in contemporary America among a minority population that is very much in the news This book gives educators students and their families a clear view of the experience of Latino students adapting to a challenging educational environment and a cultural context Dartmouth College often very different from their childhood ones **The Frighteners** Peter Laws,2018-09-25 *The Frighteners* is a bizarrely compelling laugh out loud exploration of societies fascination with the dark spooky and downright terrifying side of life The author self proclaimed sinister minister opens the book by reflecting on how he went from a horror obsessed atheist to a God fearing Christian and then reconciled his love of the macabre with his new faith In the chapters that follow Laws takes us on a worldwide romp to shine light on the dark corners of our own minds An American hell house controversial Christian haunted houses that act out the horrors of abortion drug use etc hosts his

reflection on the use of horror in religion A party in London with real life vampires exemplifies modern sexual fascination with the parasitic undead He goes ghost hunting in an underground barbershop where a murderer used to cut hair A professor in Denmark who is an expert on the recent Slenderman court case helps him explore the link between technology and the supernatural In accessible and light hearted prose Peter Laws takes us from the dark corners of his mind to the underbelly of various macabre cultures to illuminate society's preoccupation with death and horror The Frighteners combines psychology religious theory and personal memoir to create a dynamic and fascinating read that is informative and entertaining

*The Adventures of My Life* John Banner, 2020-07-09 This book will bring you on a thrilling roller coaster ride of drugs and rock and roll jobs cars Jesus Christianity partying mental health issues a suicide attempt and psych hospitalizations The story talks about all the cars John owned and the various jobs he did John's sexual affair with his girlfriend and his conversion into Christ His trip to Israel and his life lead as onto the Lord The story then proceeds with John's mental health problems and psych hospitalizations visitations His beautiful apartment at the fort and his suicide attempt The book then recounts John's seven month commitment to 3 different psych hospitals a harrowing tale of what goes on in these places that the outside world has no idea of what goes on there Then his five month stay at a respite house and then finally a new apartment and a new start at life in W Gloucester Finally ending John's loved for his Lord who helped him all the time on the hospital and now to a godly life style
