Sacred Space, Sacred Sound Susan Elizabeth Hale, 2013-11-01 Visionary singer Susan Hale believes that early peoples deliberately built their structures to enhance natural vibrations She takes us around the globe from Stonehenge and New Grange to Gothic cathedrals and Tibetan stupas in New Mexico to explore the acoustics of sacred places But she says you don't have to go to the Taj Mahal The sacred is all around us and we are all sound chambers resonating with the One Song

Sacred Drumming Steven Ash, 2004-08 Take a guided tour from a writer who grew up and studied on Native American reservations and join those throughout the world from Siberia to South America Australia to Africa who venerate the drum for its healing and celebratory powers Through painting cleansing blessing smudging dedicating chanting and performing you'll find your own special beat transforming the drum into a medicinal tool Become one with a purchased or homemade instrument Draw on the knowledge of Native American and other cultures to drum away fear purify establish a sacred space and reach into areas of the consciousness that would otherwise be inaccessible Extra special bonus a CD with more than an hour's worth of music for a Sacred Directions ceremony meditation trance and more Performing Religion Gregory F. Barz, 2016-08-09 *Performing Religion* considers issues related to Tanzanian kwayas KiSwahili choirs musical communities most often affiliated with Christian churches and the music they make known as nyimbo za kwaya choir songs or muziki wa kwaya choir music The analytical approach adopted in this text focusing on the communities of kwaya is one frequently used in the fields of ethnomusicology religious studies culture studies and philosophy for understanding diversified social processes consciousness By invoking consciousness an attempt is made to represent the ways seemingly disparate traditions coexist thrive and continue within contemporary kwaya performance An East African kwaya is a community that gathers several times each week to define its spirituality musically Members of kwayas come together to sing to pray to support individual members in times of need and to both learn and pass along new and inherited faith traditions Kwayas negotiate between multiple musical traditions or just as often they reject an inherited musical system while others may continue to engage musical repertoires from both Europe and Africa Contemporary kwayas comfortably coexist in the urban musical soundscape of coastal Dar es Salaam along with jazz dance bands taarab ensembles ngoma performance groups Hindi film music rap reggae and the constant influx of recorded American and European popular musics This ethnography calls into question terms frequently used to draw tight boundaries around the study of the arts in African expressive religious cultures Such divisions of the arts present well defended boundaries and borders that are not sufficient for understanding the change adaptation preservation and integration that occur within a Tanzanian kwaya Boundaries break down within the everyday performance of East African kwayas such as Kwaya ya Upendo The Love Choir in Dar es Salaam as repertoires traditions histories and cultures interact within a performance of social identity 2012 Joseph Gelfer, 2014-09-11 21 December 2012 was believed to mark the end of the thirteenth Baktun cycle in the Long Count of the Mayan calendar Many people believed

this date to mark the end of the world or at the very least a shift to a new form of global consciousness Examining how much of the phenomenon is based on the historical record and how much is contemporary fiction the book explores the landscape of the modern apocalyptic imagination the economics of the spiritual marketplace the commodification of countercultural values and the cult of celebrity

Jazz Places Kimberly Hannon Teal, 2021-06-15 The social connotation of jazz in American popular culture has shifted dramatically since its emergence in the early twentieth century Once considered youthful and even rebellious jazz music is now a firmly established American artistic tradition As jazz in American life has shifted so too has the kind of venue in which it is performed In *Jazz Places* Kimberly Hannon Teal traces the history of jazz performance from private jazz clubs to public high art venues often associated with charitable institutions As live jazz performance has become more closely tied to nonprofit institutions the music's heritage has become increasingly important serving as a means of defining jazz as a social good worthy of charitable support Though different jazz spaces present jazz and its heritage in various and sometimes conflicting terms ties between the music and the past play an important role in defining the value of present day music in a diverse range of jazz venues from the Village Vanguard in New York to SFJazz on the West Coast to Preservation Hall in New Orleans

Discourses, Agency and Identity in Malaysia Zawawi Ibrahim, Gareth Richards, Victor T. King, 2021-10-23 This book seeks to break new ground both empirically and conceptually in examining discourses of identity formation and the agency of critical social practices in Malaysia Taking an inclusive cultural studies perspective it questions the ideological narrative of race and ethnicity that dominates explanations of conflicts and cleavages in the Malaysian context The contributions are organised in three broad themes Identities in Contestation Borders Complexities and Hybridities takes a range of empirical studies literary translation religion gender ethnicity indigeneity and sexual orientation to break down preconceived notions of fixed identities This then opens up an examination of Identities and Movements Agency and Alternative Discourses in which contributors deal with counter hegemonic social movements of anti racism young people environmentalism and independent publishing that explicitly seek to open up greater critical democratic space within the Malaysian polity The third section Identities and Narratives Culture and the Media then provides a close textual reading of some exemplars of new cultural and media practices found in oral testimonies popular music film radio programming and

storytelling who have consciously created bodies of work that question the dominant national narrative This book is a valuable interdisciplinary work for advanced students and researchers interested in representations of identity and nationhood in Malaysia and for those with wider interests in the fields of critical cultural studies and discourse analysis Here is a fresh startling book to aid the task of unbinding the straitjackets of Malay Chinese and Indian with which colonialism bound Malaysia's plural inheritance and on which the postcolonial state continues to rely In it a panoply of unlikely identities Bajau liminality Kelabit philosophy Islamic feminism refugee hybridity and more finds expression and offers hope for liberation Rachel Leow University of Cambridge This book shakes the foundations of race thinking in Malaysian studies by expanding the range of cases perspectives and outcomes of identity It offers students of Malaysia an examination of identity and agency that is expansive critical and engaging and its interdisciplinary depth brings Malaysian studies into conversation with scholarship across the world Sumit Mandal University of Nottingham Malaysia This is a much needed work that helps us to take apart the colonial inherited categories of race which informed the notion of the plural society the idea of plurality without multiculturalism It complicates the picture of identity by bringing in religion gender indigeneity and sexual orientation and helps us to imagine what a truly multiculturalist Malaysia might look like Syed Farid Alatas National University of Singapore

Schwann CD. ,1989-11 Sacred Space Dan Kimball,2010-01-05 In a culture where teenagers are growing up inundated with images experiences and media that moves and changes at the speed of light it's no wonder many of them learn better when they're doing something not only listening to someone talk to them So rather than stand up front and only use words to teach about Jesus calling the disciples to be fishers of men o why not provide an experience that incorporates the idea of fishing Using simple things like an inflatable boat and goldfish crackers can turn the old story into something new that your students think of every time they snack on a goldfish cracker or see a boat It turns the lesson into an experience Sacred Space provides dozens of ideas to help students engage in scripture and apply the lesson to their own lives Whether you're looking to teach a biblical theme the life of Christ or a gospel passage or even when celebrating holidays you'll find step by step instructions to create the space and experience necessary to draw your students into the story Through art listening writing and multi sensory prayer stations your students will experience God's Word in a whole new way This is more than a toolbox for your ministry it's a holistic way to approach teaching and communicating God's Word Authors Dan Kimball and Lilly Lewin bring their years of experience developing these kinds of experiences in youth group settings and churches In addition to worship experiences on the life of Christ you'll find ideas for teaching on The life of David Women of the Bible The Sermon on the Mount Justice The Gospel of Luke Advent Christmas Lent Easter And more Use these ideas in your typical gathering to enhance the teaching and musical worship or develop these experiences into a special event or a new unique service without singing or teaching Inside you'll find everything you need except the actual supplies to create experiences that can transform the way your students encounter God and help them engage in and learn

from the Bible in more meaningful ways Belonging Peter Read,2000-08-10 This book published in 2000 explores the feelings of non Aboriginal Australians as they articulate their sense of belonging to the land The Re-Enchantment of the West Christopher Partridge,2005-03-04 As a book about emergent spirituality in the contemporary West it focuses on the nature evolution and significance of new forms of religion and alternative spiritualities Part One of the book provides the theoretical background and guides the reader through some of the principal debates After an overview of the secularization thesis which argues that the West is becoming increasingly disenchanted the second chapter turns to the sociological analysis of new religions and alternative spiritualities Particular attention is given to the ideas of the sociologist of religion Ernst Troeltsch especially his enigmatic analysis of the emergence mystical religion which presciently provides helpful insights into understanding the contemporary alternative religious milieu Against sociologists such as Bryan Wilson and Steve Bruce this and the subsequent chapter argues that rather than being insignificant new forms of spirituality are actually proving to be a significant part of Western re enchantment Chapter 3 constructs a general theory of the re enchantment of the West Chris Partridge argues that Western Society is permeated by a broad occulture by which he means a reservoir of ideas beliefs theories and practices to which new religions unorthodox spiritualities film and popular music all draw attention This re enchantment of the West should not be seen as a superficial secondary development in the shadow of Christianity In many ways it is a religious phenomenon in its own right Partridge s arguments in this regard are well put and I warmly welcome this timely book Mikhael Rothstein University of Copenhagen Denmark **The Art of Living Foundation** Stephen Jacobs,2016-03-09 The Hindu derived meditation movement The Art of Living AOL founded in 1981 by Sri Sri Ravi Shankar in Bangalore has grown into a global organization which claims presence in more than 150 countries Stephen Jacobs presents the first comprehensive study of AOL as an important transnational movement and an alternative global spirituality Exploring the nature and characteristics of spirituality in the contemporary global context Jacobs considers whether alternative spiritualities are primarily concerned with individual wellbeing and can simply be regarded as another consumer product The book concludes that involvement in movements such as AOL is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity Crystals and Sacred Sites Judy Hall,2012-11 Crystals and Sacred Sites teaches you how to tap into the healing energy of sites from around the world using the power of crystals and sacred stones
