Interactive features encourage readers to reflect critically, consider solutions, and apply their skills.

Trauma in the Lives of Children Kendall Johnson, 2002-05-13 This is an invaluable source for educating professionals and families about helping children regain security in times of trauma. Using a solutions-based interdisciplinary approach, this illustrated book explains how children react to specific types of trauma and how to work with a traumatized child. The nationwide movement toward School Crisis Response Teams, the DSM IV's new category for post-traumatic stress, and the use of EMDR for treatment are covered.

School-Based Crisis Intervention Melissa Allen Heath, Dawn Sheen, 2016-03-09 When a student is in dire need of emotional support, caring adults in the school can make a difference. This essential resource helps practitioners prepare all school personnel to respond sensitively and effectively to children and adolescents in crisis. Packed with user-friendly features including over 50 reproducible tools, the book provides crucial guidance for helping students cope with such stressful circumstances as bullying, abuse, parental divorce, chronic illness, depression, loss, and more. The emphasis is on giving teachers and staff basic crisis intervention skills: how to react, what to say, and what to do to create a safe and supportive environment. In a large-size format to facilitate photocopying, the volume's utility is enhanced by many specific training ideas and activities. This book is in The Guilford Practical Intervention in the Schools Series, edited by Sandra M. Chafouleas.

IJER Vol 15-N3 International Journal of Educational Reform, 2007-02-01 The mission of the International Journal of Educational Reform (IJER) is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities. As the only peer-reviewed scholarly publication that combines authors' voices without regard for the political affiliations, perspectives, or research methodologies, IJER provides readers with a balanced view of all sides of the political and educational mainstream. To this end, IJER includes but is not limited to inquiry-based and opinion pieces on developments in such areas as policy, administration, curriculum, instruction, law, and research. IJER should thus be of interest to professional educators with decision-making roles and policymakers at all levels, since it provides a broad-based conversation between and among policymakers, practitioners, and academicians about reform goals, objectives, and methods for success throughout the world. Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked. IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes. Finally, it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U.S. and the world.
