Mans Illegal Life:

The Detective as Historian Ray B. Browne, Lawrence A. Kreiser, Jr, 2013-02 Readers of detective stories are turning more toward historical crime fiction to learn both what everyday life was like in past societies and how society coped with those who broke the laws and restrictions of the times The crime fiction treated here ranges from ancient Egypt through classical Greece and Rome from medieval and renaissance China and Europe through nineteenth century England and America Topics include Ellis Peter s Brother Cadfael Umberto Eco s Name of the Rose Susanna Gregory s Doctor Matthew Bartholomew Peter Heck s Mark Twain as detective Anne Perry and her Victorian era world Caleb Carr s works and Elizabeth Peter s Egyptologist adventurer tales Secret Lives S. J. Brown, 2013-06-06 Nina was your average twenty nine year old working woman fed up of her daily routine Life seemed dull and boring until she witnessed something that would change her life forever Some lines should never be crossed and when Jordan Ninas best friend walked over that threshold her life would be changed forever also Secret Lives is a portrayal of two so called best friends whose lives are as different as are similar As consequences and repercussions of their actions spiral out of control lives and lies collide Will their friendship survive *No Longer Human: Confessions of a Faulty Man* Osamu Dazai, 2020-01-14 No Longer Human 1948 Ningen Shikkaku A Shameful Life Confessions of a Faulty Man was an attack on the traditions of Japan capturing the postwar crisis of Japanese cultural identity Framed by an epilogue and prologue the story is told in the form three notebooks left by ba Y z whose calm exterior hides his tormented soul Osamu DAZAI was a Japanese author who is considered one of the foremost fiction writers of 20th century Japan A number of his most popular works such as Shay The Setting Sun and Ningen Shikkaku No Longer Human are considered modern day classics in Japan Japanese novelist and a master storyteller who became at the end of World War II the literary voice and literary hero of his generation Dazai s life ended in double suicide with his married mistress In many books Dazai used biographical material from his own family background and made his self destructive life the subject of his books *The Walled Garden* Lawrence M. Friedman, Joanna L. Grossman, 2022-04-11 Privacy in human history is a relatively recent concept Nobody had much privacy in the Middle Ages Even kings and queens lacked privacy it was an age when crowds watched a queen give birth and the king received visitors while on the chamber pot Technology and concepts of privacy grew up together as both friends and enemies For example the late 19th century invention of the candid camera made it possible for the first time to take someone s picture without that person s consent This fact was in the background of the classic article by Warren and Brandeis that launched the right of privacy Today we have smart phones with cameras selfies the Internet surveillance cameras and tools that can look through walls smell through walls see through walls Dangers to privacy have multiplied enormously and we have only just begin figuring how to handle the change This book is timely as our basic understandings of privacy are challenged by modern technology changing social mores and evolving legal understandings that both reflect and reinforce underlying changes in society It is likely to be of interest to graduate and

Wickedly Hot Leslie Kelly,2009-09-02 New Yorker Ryan Stoddard can describe Savannah Georgia in two words wickedly hot But the dark mysterious woman he s gone there to find is even hotter Though Jade Maguire turns him on to no end he can t be distracted from his mission to prove the sultry siren is a conniving thief But as he charms her into letting down her guard he never dreams the wicked game he s playing is about to backfire Jade is surprised and secretly thrilled when Ryan Stoddard finds her His blatant come on provides a perfect opening for her revenge As Ryan s payback for breaking her sister s heart Jade plans to tempt him tease him and seduce him out of his clothes leaving him high and dry Only as she gets to know oh so sexy Ryan better she soon fears she ll be the one left desperate for more **From the Streets of Shaolin** S. H. Fernando Jr.,2021-07-06 This definitive biography of rap supergroup Wu Tang Clan features decades of unpublished interviews and unparalleled access to members of the group and their associates This is the definitive biography of rap supergroup and cultural icons Wu Tang Clan WTC Heralded as one of the most influential groups in modern music hip hop or otherwise WTC created a rap dynasty on the strength of seven gold and platinum albums that launched the careers of such famous rappers as RZA GZA Ol Dirty Bastard Raekwon Ghostface Killah Method Man and more During the 90s they ushered in a hip hop renaissance rescuing rap from the corporate suites and bringing it back to the gritty streets where it started In the process they changed the way business was conducted in an industry known for exploiting artists Creatively Wu Tang pushed the boundaries of the artform dedicating themselves to lyrical mastery and sonic innovation and one would be hard pressed to find a group who s had a bigger impact on the evolution of hip hop S H Fernando Jr a veteran music journalist who spent a significant amount of time with The Clan during their heyday of the 90s has written extensively about the group for

such publications as Rolling Stone Vibe and The Source Over the years he has built up a formidable Wu Tang archive that includes pages of unpublished interviews videos of the group in action in the studio and several notepads of accumulated memories and observations Using such exclusive access as well as the wealth of open source material Fernando reconstructs the genesis and evolution of the group delving into their unique ideology and range of influences and detailing exactly how they changed the game and established a legacy that continues to this day The book provides a startling portrait of overcoming adversity through self empowerment and brotherhood giving us unparalleled insights into what makes these nine young men from the ghetto tick While celebrating the myriad accomplishments of The Clan the book doesn't shy away from controversy we're also privy to stories from their childhoods in the crack infested hallways of Staten Island housing projects stints in Rikers for gun possession and million dollar contracts that led to recklessness and drug overdoses including Ol Dirty Bastard's untimely death More than simply a history of a single group this book tells the story of a musical and cultural shift that started on the streets of Shaolin Staten Island and quickly spread around the world Biographies on such an influential outfit are surprisingly few mostly focused on a single member of the group's story This book weaves together interviews from all the Clan members as well as their friends family and collaborators to create a compelling narrative and the most three dimensional portrait of Wu Tang to date It also puts The Clan within a social cultural and historical perspective to fully appreciate their impact and understand how they have become the cultural icons they are today Unique in its breadth scope and access From The Streets of Shaolin is a must have for fans of WTC and music bios in general
