The Trials of Margaret Clitherow Peter Lake,Michael Questier,2019-07-11 Thoroughly updated with newly discovered archival material this second edition of *The Trials of Margaret Clitherow* demonstrates that the complicated and controversial life story of Margaret Clitherow is not as unique as it was once thought In fact Peter Lake and Michael Questier argue that her case was comparable to those of other separatist females who were in trouble with the law at the same time in particular Anne Foster also of York In doing so they shed new light on the fascinating stories of these unruly women whose fates have been excluded from Catholic and women narratives of the period The result is a work which considers the questions of religious sainthood and martyrdom through a gender lens providing important insights into the relationship between society the state and the church in Britain during the 16th century This is a major contribution to our understanding of both English Catholicism and the Protestant regime of the Elizabethan period **Margaret Clitherow, C.1556-1586**

Mary Claridge,1966 **The Women Who Saved Catholic England** Martyn R. Beardsley,2025-01-16 Much has been written about the historical persecution of Catholics Priests in particular became prime targets during the heightened tensions of the Armada and the Gunpowder Plot But those whom they relied on for shelter have received little attention until now The underground network of lay supporters the Catholic Resistance mostly comprised courageous women of the great and sometimes not so great families of England and their houses riddled with priest holes These women fought a cat and mouse game with spymasters like Walsingham and Cecil and their spider s web of clandestine informants knowing that one slip might lead to arrest torture and execution The indomitable Anne Vaux and her sister Eleanor provide the focus of this story but there were others including their niece Frances who as an 11 year old boldly confronted armed raiders in search of priests and Margaret Clitherow of York arrested during a similar search and ultimately pressed to death To escape the clutches of Elizabeth s brutal torturer Richard Topcliffe and others like him men like Father John Gerard whose zipwire escape from the Tower of London is the stuff of Tom Cruise films and genius priest hole creator Little John turned to these Sisters of Mercy

Encyclopedia of Women in the Renaissance Anne R. Larsen,Diana Robin,Carole Levin,2007-03-01 This work is a revealing combination of biographies and topical essays that describe the outstanding and often overlooked contributions of women to the science politics and culture of the Renaissance *Encyclopedia of Women in the Renaissance* Italy France and England is the first first comprehensive reference devoted exclusively to the contributions of women to European culture in the period between 1350 and 1700 Focusing principally on early modern women in England France and Italy it offers over 135 biographies of the extraordinary women of those times *Encyclopedia of Women in the Renaissance* provides vivid portraits of well known women such as Catherine of Siena Joan of Arc Mary Queen of Scots and Christine de Pizan Also included are less familiar but equally important women like Elena Lucrezia Cornaro the first woman in Europe to

earn a doctorate the renowned Renaissance painter Artemisia Gentileschi and the acclaimed author of medical textbooks and midwife to a French queen Louise Boursier Based on the latest research and enhanced with thematic essays this groundbreaking work casts our understanding of women s lives and roles in Renaissance history and culture in a provocative new light **Writing, Gender and State in Early Modern England** Megan Matchinske,1998-05-28 The period from the

Reformation to the English Civil War saw an evolving understanding of social identity in England This book uses four illuminating case studies to chart a discursive shift from mid sixteenth century notions of an individually generated spiritually motivated sense of identity to Civil War perceptions of the self as inscribed by the state and inflected according to gender a site of civil and sexual invigilation and control Each centres on the work of an early modern woman writer in the act of self definition and authorization in relation to external powers such as the Church and the monarchy Megan Matchinske s study illustrates the evolving relationships between public and private selves and the increasing role of gender in determining different identities for men and women The conjunction of gender and statehood in Matchinske s analysis represents an original contribution to the study of early modern identity *Praying with the Saints* Woodeene Koenig-Bricker,2025-08-22
