Margaret Webster A Bio Bibliography:

Margaret Webster Milly S. Barranger, 1994-03-23 Margaret Webster presided over many firsts in the American theater. She was the first woman to direct Shakespearean plays on Broadway; she was one of the founders of the American Repertory Theatre; she was active in the beginning of the Off Broadway movement and she wrote an assortment of articles, speeches, memoirs, and autobiographies. This reference provides an overview of her life and a detailed record of her many accomplishments in 20th century American theater. The volume begins with a biographical essay that discusses her life and career. A chronology then highlights the most significant events in her career. The sections that follow list her many productions for the stage and opera and provide detailed information about them. A discography is also included, followed by lists of Webster's awards and honors and a description of the various archives that hold information about her. An extensive annotated bibliography concludes the work.

Margaret Webster Milly S. Barranger, 2010-02-24 In Milly Barranger's *Margaret Webster*, she has found the perfect biographer. In *Margaret Webster*, Milly Barranger has found her perfect subject. She brings to vivid life a fascinating and important theater figure whose public and private lives were of equal interest. In this carefully researched book, Webster's colleagues, lovers, and friends shine as brightly as she did. I wish she were here to read it.

Marian Seldes: Margaret Webster is a highly welcome addition to our knowledge of the first important female director in American theater. Remembered now especially for her staging of *Othello* with Paul Robeson, Uta Hagen, and Jose Ferrer, Margaret Webster was probably the best known, in demand, and admired director of Shakespeare in America in the 1940s and 1950s. Fascinating throughout the book's discussions of working with Robeson and of HUAC, which targeted her just as her career was reaching a peak, make for especially engrossing reading.

Oscar Brockett: *Margaret Webster: A Life in the Theater* is an engrossing backstage account of the life of pioneering director Margaret Webster, 1905-72. This is the first book-length biography of Webster, a groundbreaking stage and opera director whose career challenged not only stage tradition but also mainstream attitudes toward professional women. Often credited with first having brought Shakespeare to Broadway and renowned for her bold casting of an African American, Paul Robeson, in the role of Othello, Webster was a creative force in modern American and British theater. Her story reveals the independent-minded artist, undeterred by stage tradition and unmindful of rules about a woman's place in the professional theater. In addition to providing fascinating glimpses into Webster's personal and family life, *Margaret Webster: A Life in the Theater* also offers a who's who list of the biggest names in New York and London theater of the time, as well as Hollywood. John Gielgud, Noël Coward, George Bernard Shaw, Uta Hagen, Sybil Thorndike, Eva Le Gallienne, and John Barrymore, among others, all of whom crossed paths with Webster. Capping Webster's amazing story is her investigation by Senator Joseph McCarthy and HUAC, which left her unable to work for a year and from which she never fully recovered.

[American Women Stage Directors of the Twentieth Century](#) Anne Fliotsos, Wendy Vierow, 2008-06-09 The first reference tool to focus on American women directors. [Jayne Mansfield](#)

Jocelyn Faris, 1994-11-30 People today remember Jayne Mansfield as a famous Hollywood movie star. However, she starred in only three American movies before moving to low budget European films. She was a master of publicity who appeared in newspapers across the nation almost daily. The media focused on her figure and her stormy love life. Through her constant exposure in the press, she gave the public the false impression that she was a major movie star. This book charts the captivating life and career of Jayne Mansfield. A biography overviews her rise to fame, her three marriages and five children, and her death in a grisly automobile accident at an early age. The chapters that follow are each devoted to her performances in a particular genre such as film, stage, and television. Each chapter contains annotated entries for her work in that media, providing cast and credit listings, plot summaries, review excerpts, and commentary. Appendices list her appearances on magazine and record covers, and an annotated bibliography discusses additional sources of information.

A Gambler's Instinct Milly S. Barranger, 2010-07-01 Broadway producer Cheryl Crawford, 1902-1986, declared in her 1977 autobiography, "The theatre has been my life." Crawford was notoriously circumspect about her private life, and only now, with Milly S. Barranger's insightful biography, is her full story revealed. A major Broadway producer in an era when women producers were exceedingly rare, Crawford found unprecedented success with the plays of Tennessee Williams, including *The Rose Tattoo* and *Sweet Bird of Youth*, but her enduring legend is as a musical producer, having brought Kurt Weill's *One Touch of Venus*, Lerner and Loewe's *Brigadoon*, and *Paint Your Wagon* to the stage. Her commercial success, though, was balanced with the founding of studios that would enable actors to explore their art outside the strictures of commercial theater. She cofounded the Group Theatre with Harold Clurman and Lee Strasberg, the American Repertory Theatre with Margaret Webster and Eva Le Gallienne, and the Actors Studio with Elia Kazan and Robert Lewis, but her idealism was constantly frustrated by unfulfilled artistic promises from her male counterparts and by the chronic shortage of funding for the nonprofit enterprises. As Barranger traces Crawford's career as an independent producer, she tells the parallel story of American theater in the mid-twentieth century, making *A Gambler's Instinct* both an enjoyable and informative biography of a remarkable woman and an important addition to the literature of the modern theater.

Gregory Peck Gerard Molyneux, 1995-06-30 Born in 1916 in La Jolla, California, Gregory Peck took up acting in college on a lark that would lead to a career. In his early years, he appeared in a series of summer stock engagements and Broadway shows. He became a star within a year after arriving in Hollywood during World War II and won an Academy Award nomination for his second film. From the 1940s to the present, he has played some of film's most memorable and admired characters. This volume provides complete information about Gregory Peck's work in film, television, radio, and the stage. Entries are included for all of his performances, with each entry providing cast and credit information, a plot summary, excerpts from reviews, and critical commentary. A biography and chronology highlight significant events in his life, while a listing of his honors and awards summarizes the recognition he has received over the years. For researchers seeking additional information, the book includes descriptions of special collections holding
