Castle Dangerous. My Aunt Margaret's mirror. The tapestried chamber. Death of the Laird's Jock* Walter Scott,1859 *The New Great American Writers Cookbook* Dean Faulkner Wells,2009-10-20 Published in 1981 The Great American Writers Cookbook was a treasure trove of recipes submitted by the country s most celebrated authors This all new collection a fine follow up for a new era features recipes that range from peanut butter sandwiches to eggplant

caviar with dishes and anecdotes offered by writers of every imaginable stripe ethnicity region and culture in America Contemporary novelists such as National Book Award winners Jonathan Franzen and the late great Bernard Malamud share space with columnists Dave Barry P J O'Rourke and Christopher Buckley with journalists and novelists Andrei Codrescu Anna Quindlen and John Berendt and with poet and novelist Sandra Cisneros The interspersing of recipes from older and younger generations reveals cookery as creatively diverse as the writings from David Guterson T C Boyle Elizabeth McCracken and former First Lady Barbara Bush This unusually tangy assortment of more than 150 recipes runs the gamut from tofu to heart clogging chili Writers play fast and loose with ingredients and forewarn readers planning to try them that some of the most seductive recipes are loaded with cholesterol With such temptations as Thighs of Delight Crevettes D sir a sexy spaghetti sauce and a lemon icebox pie that allegedly elicits proposals of marriage the recipes and stories revealing their origins is enticing bizarre and promisingly tasty The collection gives particular emphasis to contemporary southern writers Padgett Powell Jack Butler Larry Brown Ellen Gilchrist and Josephine Humphreys among others although their recipes are often far from being quintessentially southern Scintillating with writerly antics and witty histories as transfixing as the recipes themselves The New Great American Writers Cookbook is not just for daring cooks It's also a collector's item for food doting lovers of American literature

Hidden Rivalries in Victorian Fiction Jerome Meckier, 2014-10-17 Victorian fiction has been read and analyzed from a wide range of perspectives in the past century But how did the novelists themselves read and respond to each other's creations when they first appeared Jerome Meckier answers that intriguing question in this ground breaking study of what he terms the Victorian realism wars Meckier argues that nineteenth century British fiction should be seen as a network of intersecting reactions and counteractions in which the novelists rethought and rewrote each other's novels as a way of enhancing their own credibility In an increasingly relative world thanks to the triumph of a scientific secularity the goal of the novelist was to establish his or her own credentials as a realist hence a reliable social critic by undercutting someone else's usually Charles Dickens's Trollope Mrs Gaskell and especially George Eliot attempted to make room for themselves in the 1850s and 1860s by pushing Dickens aside Wilkie Collins tried a different form of parodic revaluation he strove to outdo Dickens at the kind of novel Dickens thought he did best the kind his other rivals tried to cancel tone down or repair ostensibly for being too melodramatic but actually for expressing too negative a world view For his part Dickens determined to remain inimitable replied to all of his rivals by redoing them as spiritedly as they had reused his characters and situations to make their own statements and to discredit his Thus Meckier redefines Victorian realism as the bravura assertion by a major novelist or one soon to be that he or she was a better realist than Dickens By suggesting the ways Victorian novelist read and rewrote each other's work this innovative study alters present day perceptions of such double purpose novels as Felix Holt Bleak House Middlemarch North and South Hard Times The Woman in White and The Mystery of Edwin Drood
