others and head to the local grocery store to replenish supplies following a freak storm. Once there they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot Mrs Carmody begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups, those for and those against, are aligned. Clearly staying in the store may prove fatal and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know and the one you can only imagine.

To Yesterday Mark Wildes, 2002-10-13 Janice Gaither spends her life remembering the days of love she lost long ago. Unhappy from the lack of devotion from her husband, she can only think of one man, Travis Jordan, dead and buried. In a world where she is forced to imagine her own happiness from an old letter and worn photograph, she realizes happiness is something fabricated from control. Something her life has always lacked. When control is suddenly handed to her like a gift from a ghost, she finds herself in a haunting struggle over a younger man who reminds her in many ways of Travis Jordan. As she starts over on the North Carolina lake she used to call home, she inadvertently brings together a group of people who grow to become genuine family. But they will soon learn the true essence behind the mysteries of Lake Matasuttun that begin to surface. Little do they know how the secret of the lake and a two hundred year old love affair has and will impact their lives. *To Yesterday* is the story of a woman letting go of her past and finding a new beginning to a destiny untold until now. Dead Living Glenn Bullion, 2016-12-20 It didn't take long for the world to die. And it didn't take long either for the dead to rise. Aaron was born on the day everything ended into a world filled with the walking dead. It's the only one that Aaron knows. Kept in seclusion, his family teaches him the basics: How to read, How to write, How to survive. Then Aaron makes a shocking discovery. The undead who desire nothing but flesh ignore him. It's as if he's invisible to them. Samantha is a product of the new world. She and the other survivors of the old suburb of Lexington call a former high school their home. They live day to day without any of the luxuries mankind used to enjoy. And their hopes are dwindling. They need change. They need someone who can face the corpses. They need someone who can live in a city of the dead. They need Aaron.
