Sexualised Masculinity John Mercer, Clarissa Smith, 2025-02-10 Sexualised Masculinity Men's Bodies in 21st Century Media Culture explores evolving portrayals of masculinity in contemporary media focusing on the increasing eroticisation of the male body This book examines how traditional and digital media from films and television to social media platforms and fashion have transformed the ways masculinity is represented and perceived Through a wide array of case studies it highlights how male bodies are now sites of erotic value challenging long standing norms and expectations By exploring both global and local media John Mercer and Clarissa Smith provide insights into the shifting landscape of gender and sexuality offering a critical perspective on how masculinity is consumed performed and commodified in today's world This book is essential for students and scholars in fields such as gender studies media studies cultural studies and social history and is particularly relevant for those interested in understanding the intersections of masculinity media and sexuality in the 21st century

The Magic of Fashion Brian Moeran, 2016-06-16 Drawing on 20 years of ethnographic fieldwork and anthropological theory anthropologist Brian Moeran argues that fashion magazines are able to cast a spell over their readers by using practices and rituals found in age old magical and religious rites

Chic Thrills Juliet Ash, Elizabeth Wilson, 1992-01-01 Designed to be as internationally relevant as the fashion it discusses *Chic Thrills* extends fashion theory beyond the interpretation of style and shows how it relates to the economic realities and motivations of those who create the clothing we buy and wear Among the issues the contributors address are Feminism and the politics of fashion The relationship of non European cultures to Western fashion Fashion and the negotiation of identity Recent trends in fashion photography and the media representation of fashion Industrial conditions production constraints and the relationship of garment workers to the clothes they make Playing with a different sex fashion and the lesbian couple Fascism and fashion Paris haute couture under Nazi occupation Fashion and the postmodern body

Fashion and Music Janice Miller, 2011-07-01 The relationship between popular music and fashion has been a culturally significant one since the 1950s and this book explores how music and musicians play a key role in the shaping of identity taste and consumption Using a range of historical and contemporary examples this book uncovers the way in which fashion and music have worked to shape contemporary attitudes to bodies and identities Focusing on performers as much as fans on the mainstream as much as the underground Fashion and Music provides a lens through which to examine themes of gender sexuality ageing and youth ethnicity body image consumer culture fandom and postmodernity

Claire Style Jane Campsie,2001-07-01 **Fashion Is Freedom** Tala Raassi,2016-09-06 The inspiring true story of how courage a dream and some needle and thread can change a life forever Since she was young Tala Raassi knew her fate lay in fashion But growing up in her beloved homeland of Iran a woman can be punished for exposing her hair in public let alone wearing the newest trends Despite strict regulations Tala developed a keen sense of style in backroom cafes and secret parties She never imagined her behavior would land her in prison or bring the cruel sting of a whip for the crime of wearing a mini skirt Tala s forty lashes didn t keep her down they fanned the flames of individuality and inspired her to embrace a new freedom in the United States As she developed her own clothing label her exploration into the creative cut throat community of Western fashion opened her eyes to the ups and downs of hard work hard decisions and hard truths Fashion is Freedom takes us on a journey that crosses the globe from Colombia to Miss Universe and inspires women everywhere to be fearless *Women, Work, and the Web* Carol Smallwood,2014-12-05 In a tight economy women entrepreneurs are making progress in a field that has been traditionally along with science math and engineering one which women haven t been well represented technology Women Work and the Web How the Web Creates Entrepreneurial Opportunities is by contributors from the United States and Canada sharing how the Internet has opened doors leveled the playing field and provided new opportunities How the Internet has helped women with young children caretakers of disabled family members women with disabilities How it has helped female veterans gain employment put women into work boots publish in a male dominated world become editors online instructors and hold the First International Day of the Girl The twenty eight chapters are divided into five parts Fostering ChangeRunning a BusinessEducational ApplicationsPersonal AspectsPublishing and Writing It is exciting to see how the creative contributors of different ages backgrounds and goals are using the Web to further their careers and the status of other women as they progress online **Guy's Hospital Gazette** ,1911 *Imaging in Advertising* Fern L. Johnson,2008 The dominance of advertising in everyday life carries potent cultural meaning As a major force in the rise of image based culture advertising spreads images that shape how people live their lives While scholarship on visual images has advanced our understanding of the role of advertising in society for example in revealing how images of extremely thin female models and athletic heroes shape ideals and aspirations images circulated through language codes or verbal images in advertising have received less attention Imaging in Advertising explores how the verbal and visual work together to build a discourse of advertising that speaks to audiences and has the power to move them to particular thoughts and actions In this book Fern L Johnson presents a series of case studies exploring important advertising images racial connotations in cigarette advertising representations of cultural diversity in teen television commercials metaphors of the face appearing in ads for skin care products language borrowed from technology to sell non technology products and the illusion of personal choice that is promoted in many Internet web sites Johnson argues that examining the interplay of verbal and visual images as a structured whole exposes the invase role of advertising in shaping culture in 21st century America

'Cosmo Woman' Oliver Whitehorne, 2007 A critical view of women's magazines focusing on Cosmopolitan Public Women, Public Words Dawn Keetley, John Pettegrew, 2005-02-22 This final volume in the Public Women Public Words series focuses on what has come to be called the second wave of American feminism It traces the resurgence of feminism in the late 1960s from Betty Friedan and the National Organization for Women to the anarchist and lesbian identity dimensions of radical feminism Including topics such as sexual autonomy abortion the Equal Rights Amendment and the black feminist resistance to the white dominated second wave this volume reflects the unprecedented range of women's issues taken up by feminists during the 1970s and beyond Volume III also charts the great diffusion of feminism with separate sections on multicultural feminism and the feminist presence in media and pop culture Finally through the recent writings of feminist intellectuals it looks toward a third feminist wave for the new millennium Public Women Public Words A Documentary History of American Feminism provides a comprehensive view of the many strands of feminist thought and actions and is essential for every women's studies and feminism collection **The Vassar Miscellany**, 1911 **Photography** Liz Wells, 2004 This seminal text for photography students identifies key debates in photographic theory stimulates discussion and evaluation of the critical use of photographic images and ways of seeing This new edition retains the thematic structure and text features of its predecessors but also expands coverage on photojournalism digital imaging techniques race and colonialism The content is updated with additional international and contemporary examples and images throughout and the inclusion of colour photos Features of this new edition include Key concepts and short biographies of major thinkers Updated international and contemporary case studies and examples A full glossary of terms a comprehensive bibliography Resource information including guides to public archives and useful websites **Gender and the Media** Rosalind Gill, Rosalind Clair Gill, 2007 Written in a clear and accessible style with lots of examples from Anglo American media Gender and the Media offers a critical introduction to the study of gender in the media and an up to date assessment of the key issues and debates Eschewing a straightforwardly positive or negative assessment the book explores the contradictory character of contemporary gender representations where confident expressions of girl power sit alongside reports of epidemic levels of anorexia among young women moral panics about the impact on men of idealized representations of the six pack but near silence about the pervasive re sexualization of women's bodies along with a growing use of irony and playfulness that render critique extremely difficult The book looks in depth at five areas of media talk shows magazines news advertising and contemporary screen and paperback romances to examine how representations of women and men are changing in the twenty first century partly in response to feminist queer and anti racist critique Gender and the Media is also concerned with the theoretical tools available for analysing representations A range of approaches from semiotics to postcolonial theory are discussed and Gill asks how useful notions such as objectification backlash and positive images are for making sense of gender in today's Western media Finally Gender and the Media also raises questions about cultural politics namely what

forms of critique and intervention are effective at a moment when ironic quotation marks seem to protect much media content from criticism and when much media content from Sex and the City to revenge adverts can be labelled postfeminist This is a book that will be of particular interest to students and scholars in gender and media studies as well as those in sociology and cultural studies more generally **Pop Culture Russia!** Birgit Beumers, 2005-06-21 A revealing look at contemporary Russian popular culture exploring the historical and social influences that make it unique Pop music is only one aspect of contemporary Russian culture that has taken some unexpected turns in the chaotic aftermath of the Soviet Union's collapse Television and advertising theater and cinema athletics and religion even fashion and food now reflect more exposure to the West yet remain in essence distinctively Russian Pop Culture Russia introduces readers to the fascinating often surprising post Soviet cultural landscape With chapters on media the arts recreation religion and consumerism the book offers an insightful survey of Russian mass culture from the death of Stalin in 1953 to the present exploring the historical significance of important events and trends as well as the social and political contexts from which they emerged

Media Today Joseph Turow, 2013-10-15 Media Today uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future The book's media systems approach helps students to look carefully at how media is created distributed and exhibited in the new world that the digital revolution has created In this way Media Today goes beyond the traditional mass communication textbook's focus on consuming media to give students an in **The History of Fashion Journalism** Kate Nelson Best, 2017-02-09 The History of Fashion Journalism is a uniquely comprehensive study of the development of the industry from its origins to the present day and including professionals such as Dylan Jones's vision of the future Covering everything from early tailor's catalogues through to contemporary publications such as LOVE together with blogs such as StyleBubble and countries from France through to the United States The History of Fashion Journalism explores the origins and influence of such well known magazines as Nova Vogue and Glamour Combining an overview of the key moments in fashion journalism history with close textual analysis Kate Nelson Best brings to life the evolving face of the fashion media and its relationship with the fashion industry national politics consumer culture and gender This accessible and highly engaging book will be an invaluable resource not only for fashion studies students but also for those in media studies and cultural studies *Fashioning Gothic bodies* Catherine Spooner, 2017-06-01 This innovative book is the first to make an explicit link between constructions of the body in Gothic literature and film and historically specific fashion discourse from the 1790s to the 1990s
