Marina Tsvetaeva The Double Beat Of Heaven And Hell:

Marina Tsvetaeva Lily Feiler, 1994 She shows us a woman embodying the values of nineteenth century romanticism yet radical in her poetry supremely independent in her art but desperate for appreciation and love simultaneously mother and child in her complicated sexual relationships with men and women Here we see the poet who could read her work glorifying the White Army to an audience of Red Army men the woman who with her husband a Soviet agent in Paris could write a long poem about the execution of the last Tsar **A Companion to Marina Cvetaeva** Sibelan Forrester, 2016-10-18 Marina

Cvetaeva is one of the best known Russian poets of the 20th century often translated and studied in a copious scholarly literature With articles on Cvetaeva s biography and her relationship with visual arts drama folklore music translation and the work of other poets this volume offers both a valuable overview of scholarly approaches to her work today and a way to enter specific aspects of her writing and career Contributors include both foremost established scholars of Cvetaeva s work and young scholars taking new approaches and discovering neglected artifacts and topics Scholars who do not read Russian will find this collection of value as will advanced students of Russian literature poetry and women s writing Contributors include Molly Thomasy Blasing Karen Evans Romaine Sibelan Forrester Karin Grelz Olga Peters Hasty Maria Khotimsky Olga Partan and Alexandra Smith

The Story of Sonechka Marina Tsvetaeva, 2025-04-29 It is 1918 in Moscow The communist revolution is in full swing Food is scarce living conditions harsh Two women meet on the stage of an empty theater One is the now famous twenty six year old poet Maria Tsvetaeva the other the twenty four year old actress Sonia Holliday Sonechka The Story of Sonechka written almost twenty years later is a vivid account at once comic and tragic of their love for each other A previously untranslated masterpiece Dmitry Bikov calls it one of the five best books in world literature it stands as a testament to the artistry with which Tsvetaeva wrote prose the vicissitudes of her life love and work and the intense dynamics of Moscow culture in the wake of the Revolution It also constitutes an exceedingly rare and early example of queer prose literature originally written in Russian

The Poetics of American Song Lyrics Charlotte Pence, 2012 Poets teachers and musicologists fusing studies of form scansion and musical creation to redefine the place of the American bard

Joseph Brodsky and the Creation of Exile David M. Bethea, 2014-07-14 Joseph Brodsky one of the most prominent contemporary American poets is also among the finest living poets in the Russian language Nevertheless his poetry and the crucial bilingual dimension of his poetic world are still insufficiently understood by Western audiences How did the Russian born Brodsky arrive at his present status as an international man of letters and American poet laureate Has he been created by his bilingual experience or has he fashioned the bilingual self as a necessary precondition for writing poetry in the first place Here David Bethea suggests that the key to Brodsky perhaps the last of the great Russian poets in the bardic mode is in his relation to others or the Other Brodsky s master trope turns out to be triangular vision the tendency to mediate a prior model Dante with a closer model Mandelstam in the creation of a palimpsest like text in which the poet is implicated as a

triangulated hybrid of these earlier incarnations In pursuing this theme Bethea compares and contrasts Brodsky to the poet's favorite models Donne Auden Mandelstam and Tsvetaeva and analyzes his fundamental differences with Nabokov the only Russian exile of Brodsky's stature to rival him as a bilingual phenomenon Various critical paradigms are used throughout the study as foils to Brodsky's thinking Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Legacies of the Stone Guest Alexander Burry, 2023-06-13 The story of Don Juan first appeared in writing in seventeenth century Spain reaching Russia about a century later Its real impact however was delayed until Russia's most famous poet Alexander Pushkin put his own unique and uniquely inspirational spin on the tale Published in 1830 The Stone Guest is now recognized with other Pushkin masterpieces as part of the Russian literary canon Alexander Burry traces the influence of Pushkin's brilliant innovations to the legend which he shows have proven repeatedly fruitful through successive ages of Russian literature from the Realist to the Silver Age Soviet and contemporary periods Burry shows that rather than creating a simple retelling of an originally religious tale about a sinful consummate seducer Pushkin offered open ended scenes re envisioned and complicated characters and new motifs that became recursive and productive parts of Russian literature in ways that even Pushkin himself could never have predicted

Social Functions of Literature Paul Debreczeny, 1997 This study of the effect of literature on readers both as individuals and as members of social groups focuses on Russia's national poet Alexander Pushkin as a model for investigating the aesthetic and social functions of literature The individual reader's response to the literary text is demonstrated in Part One through a broad range of memoirs diaries and correspondences in which Russian readers recorded their reactions to Pushkin Among the reactions are testimonies that Pushkin's works helped readers form their personalities provided cathartic relief in times of stress and aided them in releasing their suppressed emotions In his analysis the author draws on various psychological approaches from studies of perception through developmental psychology to psychoanalysis Part Two exposes the extent to which individuals' aesthetic responses are conditioned by their social environment Against the backdrop of Russian social history in the early nineteenth century the author describes the dissemination of new aesthetic norms notably the relations of the Russian literary elite to lowbrow and middlebrow groups In this context he analyzes a number of Pushkin imitations with Pushkin's responses to them and links Nikolai Gogol's development as a writer to the social groups surrounding Pushkin Among the other topics discussed are the popularization of Pushkin on the stage and his inclusion in school textbooks and anthologies The aura surrounding the personality of an author is the subject of Part Three in which the author shows how Pushkin's death in a duel with a foreigner

contributed to his emergence as a symbol of the Russian nation and how deep seated anxiety about national identity gave rise to the Pushkin myth and to the canonization of the poet as martyr The author also describes how the combined effect of the widespread reading of Pushkin s work and his legend as martyr allowed him to remain Russia s main mythic figure despite the Soviet Union s attempts to supplant him with Lenin Throughout the book theoretical arguments are buttressed by close readings of Pushkin s works especially *The Prisoner of the Caucasus* *Eugene Onegin* *Poltava* *Egyptian Nights* and several lyric poems

The Contemporary Elegy in World Literature ,2025-01-20 This volume navigates the entangled expressions of mourning across languages cultures and traditions shedding light on the evolving shapes and discourses of contemporary elegy in world literature By adopting a transnational approach this collection offers a much needed conceptualization of what elegy has become today Contributors are Nick Admussen Adele Bardazzi Roberto Binetti Emily Drumsta Francesco Giusti Roberto Gaudio Gail Holst Warhaft Karen Leeder Brandon Menke Jahan Ramazani Rachel Elizabeth Robinson David Sherman and Ivanna Sang Een Yi

Discourses of Regulation and Resistance Samantha Sherry,2015-06-14 Despite tense and often hostile relations between the USSR and the West Soviet readers were voracious consumers of foreign culture and literature as the West was both a model for emulation and a potential threat *Discourses of Regulation and Resistance* explores this ambivalent and contradictory attitude to the West and employs in depth analysis of archive material to offer a comprehensive study of the censorship of translated literature in the Soviet Union Detailed case studies from two of the most important Soviet literary journals examine how editors and the authorities mediated and manipulated the image of the West tracing debates and interventions in the publication process Drawing upon material from Soviet archives it shows how editors and translators tried to negotiate between their own ideals and the demands of Soviet ideology combining censorship and resistance in a complex interplay of practices As part of a new and growing body of work on translation as a cultural phenomenon this book will make essential reading for students and scholars working in Translation Studies as well as cultural historians of Russia and the Soviet Union

Literary Pairs in Comparative Readings across National and Cultural Divides Yarmila Nikolova Daskalova,2019-01-10 This collection of essays focuses on works by prominent poets and writers of the 19th and 20th centuries with a particular focus on post Romantics and modernists These authors belong to essentially different socio historical linguistic cultural and geopolitical contexts and the studies examine some of their emblematic texts from a comparative critical perspective Edgar Allan Poe and Charles Baudelaire William Butler Yeats and Percy Bysshe Shelley Emily Dickinson and Marina Tsvetaeva are some of the paired authors who due to the originality of their thought and work have come to be considered amongst the most significant literary figures of their contemporary world The volume offers an original and insightful reading of the literary text as a powerful means of both representing and shaping the inherent dialogism of different cultures As such it transcends in an imaginative way the national racial and cultural boundaries of human existence

Cracks in the Iron Closet David Tuller,1997-11-24 David Tuller provides the first look

into the emotional and sexual lives of Russian lesbians and gays and the pervasive influence of the state on gay life Part travelogue part social history and part journalistic inquiry the book challenges our assumptions about what it means to be gay The book also explores key issues in Russia and Soviet life including concepts of friendship community gender love fate and the relationship between the public and private spheres Tuller s observant reporting and personal experiences make for absorbing reading the human comedy rendered in unexpected ways New Yorker Anyone who thinks San Francisco is the world capital of sexual polymorphism should read this book Adam Goodheart Washington Post This book is is profoundly moving Jim Van Buskirk San Francisco Chronicle

Under the Sky of My Africa Catharine Theimer Nepomnyashchy,Nicole Svobodny,Ludmilla A. Trigos,2006-05-30 A wide ranging consideration of the nature and significance of Pushkin s African heritage Roughly in the year 1705 a young African boy acquired from the seraglio of the Turkish sultan was transported to Russia as a gift to Peter the Great This child later known as Abram Petrovich Gannibal was to become Peter s godson and to live to a ripe old age having attained the rank of general and the status of Russian nobility More important he was to become the great grandfather of Russia s greatest national poet Alexander Pushkin It is the contention of the editors of this book borne out by the essays in the collection that Pushkin s African ancestry has played the role of a wild card of sorts as a formative element in Russian cultural mythology and that the ways in which Gannibal s legacy has been included in or excluded from Pushkin s biography over the last two hundred years can serve as a shifting marker of Russia s self definition The first single volume in English on this rich topic Under the Sky of My Africa addresses the wide variety of interests implicated in the question of Pushkin s blackness race studies politics American studies music mythopoetic criticism mainstream Pushkin studies In essays that are by turns biographical iconographical cultural and sociological in focus the authors representing a broad range of disciplines and perspectives take us from the complex attitudes toward race in Russia during Pushkin s era to the surge of racism in late Soviet and post Soviet contemporary Russia In sum Under the Sky of My Africa provides a wealth of basic material on the subject as well as a series of provocative readings and interpretations that will influence future considerations of Pushkin and race in Russian culture

Women in Russian History Natalia Pushkareva,2016-09-16 As the first survey of the history of women in Russia to be published in any language this book is itself an historic event the result of the collaboration of the leading Russian and American specialists on Russian women s history The book is divided in to four chronological parts corresponding to eras of Russian history I Kievan Mongol 10th 15th centuries II Muscovite 16th 17th centuries III 18th century and IV 19th early 20th centuries Each part gives coverage to four

main topics 1 The role of prominent women in public life with biographical sketches of women who attained prominence in political or cultural life 2 Women s daily life and family roles 3 Women s status under the law 4 Material culture and in particular women s dress as an expression of their place in society **The Kahans from Baku** Verena Dohrn,2022-05-17

The Kahans from Baku is the saga of a Russian Jewish family Their story provides an insight into the history of Jews in the Imperial Russian economy especially in the oil industry The entrepreneur and family patriarch Chaim Kahan was a pious and enlightened man and a Zionist His children followed in his footsteps in business as well as in politics philanthropy and love of books The book takes us through their forced migration in times of war revolution and the twentieth century s totalitarian regimes telling the story of fortune and misfortune of one cohesive family over four generations through Russia Germany Denmark and France and finally on to Palestine and the United States of America *Bakhtin and the Social Moorings of Poetry* Donald Wesling,2003-07 This book rescues Bakhtin from his overstatements concerning poetry and gives the theoretical and practical basis for reading poems with the help of Bakhtin s categories of utterance heteroglossia and dialogue In addition through this rescue the book offers a modest but strong foundation for a reading of poetry and indeed of all literary texts where a clash of social positions is fought out on the territory of the utterance To find a believable poetics of social forms is the order of the day and Donald Wesling s admiring and yet skeptical revision of Bakhtin will be part of the explanation we need Jacket **No Love Without Poetry** Ariadna Efron,2022-07-15 The memoirs of Ariadna Efron provide an intimate and indispensable perspective on the poet Marina Tsvetaeva s life and work told from the point of view of her daughter **The Troubling Play of Gender** Maria Stadter Fox,2001 Although these three modernist writers were not primarily playwrights as expatriates they were interested in the Euripidean theme of women in exile each independently chose to rewrite Euripides Hippolytus a play in which the protagonist is a woman in exile whose speech writing and passion are deeply problematic Each author approaches the Euripidean material in a different way Tsvetaeva focuses on gender in language Yourcenar explores the gendering of a self and H D performs the undoing of gendered oppositions BOOK JACKET

Encyclopedia of the Essay Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies *The Most Dangerous Art* Donald Loewen,2008-01-01 The book shows how three of Russia s most important twentieth century poets used autobiographical prose to defend poetry and the poet in an era when poetry was under attack It juxtaposes these autobiographies with each other and with the culturo political events that followed Russia s 1917 October Revolution in a way that has never previously

been attempted
