CHAPTER XX A SPKING KAMBLE Only think cried Marjorie as she sprang out of bed Father and Mother are coming home today Hooray cried Kitty tumbling out of her bed at the joyful reminder Won't I be glad to see them though Aren't we going to celebrate Not any regular celebration It'll be fun enough just to see them and hear them tell about their trip Yes indeed so it will And of course we'll have ice cream Oh of course I told Ellen that yesterday A little later two trim and tidy little Maynard girls went downstairs to the cheerful dining room Hello morning cried King meeting them on the landing Going to school to day Mops Yes of course why not Oh I thought as Mother's coming home we might take a holiday No I don't want to They don't come till afternoon you know and if I hung round here all day I'd just die waiting for em Going to school will fill up the morning anyway That's so say we go then Hello Rosy Posy did I most upset you The four danced into the dining room where Miss Larkin and breakfast awaited them I do think said Midget as she ate her cereal that considering we're Maynards we have behaved pretty well since Mother's been away Sure we have agreed King if I get much better I'll spoil I'm spoiling for some mischief as it is said Marjorie with dancing eyes Oh Mops begged Kitty don't cut up any jinks before Mother gets home Well I won't said Mops who didn't mean her speech as seriously as Kitty took it but after she gets home I'm going to cut up the biggest jink I can think of Are you really said Miss Larkin with such a horrified expression that the three children could not help giggling I dunno Larky *Marjorie in Command* Carolyn Wells, 2018-01-25 Carolyn Wells wrote a total of more than 170 books During the first ten years of her career she concentrated on poetry humor and children's books Marjorie Maynard is a 12 year old American girl mischievous fun and always ready to get into trouble Through the series of novels we follow her and her numerous adventures with cousins and friends Marjorie Maynard Collection 6 Novels Marjorie's Vacation Marjorie's Busy Days Marjorie's New Friend Marjorie in Command Marjorie's Maytime Marjorie at Seacote

The Vanishing of Carolyn Wells is the first biography of one of the lost ladies of detective fiction who wrote more than eighty mysteries and hundreds of other works between the 1890s and the 1940s Carolyn Wells 1862 1942 excelled at writing country house and locked room mysteries for a decade before Agatha Christie entered the scene In the 1920s when she was churning out three or more books annually she was dubbed about the biggest thing in mystery novels in the US On top of that Wells wielded her pen in just about every literary genre producing several immensely popular children s books and young adult novels beloved anthologies and countless stories prose and poetry for magazines such as Thrilling Detective Life The Saturday Evening Post Harper s and The New Yorker All told Wells wrote over 180 books Some were adapted into silent films and some became bestsellers Yet a hundred years later she has been all but erased from literary history Why How This investigation takes us on a journey to Rahway New Jersey where Wells was born and is buried to New York City s Upper West Side where she spent her final twenty five years to the Library of Congress where Carolyn s world class collection of rare books now resides and to many other public and private collections where exciting discoveries unfolded Part biography and part sleuthing narrative The Vanishing of Carolyn Wells recovers the life and work of a brilliant writer who was considered one of the funniest most talented women of her time The Career of Claudia Frances Mary Peard,2021-05-18

In The Career of Claudia Frances Mary Peard crafts a compelling narrative that explores the complexities of female identity within the constraints of Victorian society The novel elucidates Claudia s journey as she navigates societal expectations and personal ambitions employing rich descriptive prose that reflects the era s literary aesthetics Peard deftly marries realism with elements of social commentary particularly concerning the limited avenues available to women making her work not only a story of personal struggle but also a critique of contemporary gender norms and class hierarchies Frances Mary Peard an accomplished author and noted figure of the Victorian literary scene was greatly influenced by her own experiences as a woman and the prevailing societal attitudes toward women s roles Her commitment to portraying authentic female experiences is evident in this work which seeks to provide a voice for women who like Claudia challenged the boundaries set before them Peard s background in writing and her keen understanding of the cultural climate of her time positioned her uniquely to explore such themes This novel is highly recommended for readers interested in feminist literature and Victorian social dynamics Peard s nuanced portrayal of a woman s career and self determination encourages reflection on the historical context of women s rights making it a relevant and thought provoking read in today s ongoing discussions about gender equality
