Mark Hopkins' Log, and Other Essays ... Selected by John David Marshall Louis SHORES,John David Marshall,1965

Dictionary of Modern American Philosophers John R. Shook,2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought *Dictionary of Early American Philosophers* John R. Shook,2012-04-05 The Dictionary of Early American Philosophers which contains over 400 entries by nearly 300 authors provides an account of philosophical thought in the United States and Canada between 1600 and 1860 The label of philosopher has been broadly applied in this Dictionary to intellectuals who have made philosophical contributions regardless of academic career or professional title Most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences Each entry begins with biographical and career information and continues with a discussion of the subject's writings teaching and thought A cross referencing system refers the reader to other entries The concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject

The Bloomsbury Encyclopedia of Philosophers in America John R. Shook,2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to

Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history *The Moral Obligation to be Intelligent* John Erskine,1915 **Old Time Customs, Memories and Traditions, and Other Essays** John Burgess Calkin,1918 *The Pilgrim Spirit, and Other Essays* George Milton Janes,1904 **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles** University of California (System). Institute of Library Research,University of California, Berkeley,1972 The MLS Project Boyd Keith Swigger,2010-07-19 In 1951 the American Library Association ALA Council approved new standards for accrediting library education programs These standards shifted accreditation from the bachelor s degree to the master s degree making the master s degree in library science the professional credential for entry into the profession At the time librarians believed this change would transform the practice of librarianship the nature of library education and the social standing of librarianship as an occupation In The MLS Project An Assessment after Sixty Years Boyd Keith Swigger examines the reasons the American Library Association enacted the change and looks at the consequences of this decision Reviewing the last several decades Swigger addresses a number of concerns What were librarians and library educators arguments for changing the system of library education What problems were they trying to solve What were their objectives Did the change in the structure of library education solve the problems perceived in the late 1940s Have the objectives set then been accomplished in the half century since What have been the intended and unintended outcomes of the change In his review Swigger draws general conclusions about the MLS Project the perception of librarianship libraries the developments of curriculums in library schools and how librarianship compares to the new information professions The MLS Project is an informative and critical evaluation that every librarian should read **The Journal of Library History, Philosophy and Comparative Librarianship** ,1968 **Catalog of Copyright Entries. Du Bois* W. E. B. Du Bois,2022-11-13 In The Collected Essays of W E B Du Bois readers are presented with a profound compendium of thought that marks a significant contribution to African American literature and social philosophy Spanning various themes such as race identity and societal inequity Du Bois s essays employ a rich literary style that marries eloquent narrative with incisive analysis Written during the early 20th century these essays provide a critical lens on post Civil War America engaging with issues of segregation civil rights and the complexity of African American identity rooted in the intellectual currents of the Harlem Renaissance and the broader context of American modernization W E B Du Bois a pioneering sociologist historian and civil rights activist was deeply influenced by his formative experiences having been born

in a relatively tolerant Northern community in Great Barrington Massachusetts His academic pursuits at Fisk University Harvard and the University of Berlin cultivated his profound understanding of sociology and history compelling him to address the systemic injustices faced by African Americans Du Bois s commitment to social change and human dignity resonates throughout his essays underscoring the urgent need for equality and justice in an era fraught with racial tensions This anthology is essential reading for those seeking a nuanced understanding of race relations in America Du Bois s eloquent prose and sharp insights not only chronicle the experiences and struggles of African Americans but also challenge readers to examine their own societal structures By engaging with *The Collected Essays* one gains access to a powerful intellectual legacy that continues to shape contemporary discourse on race and identity
