Mark Of Protest An Autobiography:

Untouchable Fictions Toral Jatin Gajjarawala, 2012-12-12 *Untouchable Fictions* considers the crisis of literary realism progressive rural regionalist experimental in order to derive a literary genealogy for the recent explosion of Dalit untouchable caste fiction Drawing on a wide array of fiction from Premchand and Renu in Hindi to Mulk Raj Anand and V S Naipaul in English Gajjarawala illuminates the dark side of realist complicity a hidden aesthetics and politics of caste How does caste color the novel What are its formal tendencies What generic constraints does it produce *Untouchable Fictions* juxtaposes the Dalit text and its radical critique with a history of progressive literary movements in South Asia Gajjarawala reads Dalit writing dialectically doing justice to its unique and groundbreaking literary interventions while also demanding that it be read as an integral moment in the literary genealogy of the 20th and 21st century How might we trace the origins of the rise of Dalit fiction in the critical realism of the Progressive Writers Association of the 1930s or in the gaps laid bare by the peasant novel of the 1950s And what kind of dialogue does untouchable caste writing with its more famous counterpart the Anglophone fiction of the last few decades Under Gajjarawala's lens the aesthetic languages of Hindi and English are intertwined and caste becomes a central category of literary analysis This book grounded in the fields of postcolonial theory South Asian literatures and cultural studies will be important for all readers interested in the problematic relations between aesthetics and politics between social movements and cultural production Engaged as it is with contemporary theories of realism and the problem of aesthetics it would also be of interest to students of English comparative literature contemporary Third World literature and historians of literary movements More specifically as a text that considers recent developments in genre theory and South Asian fiction it would interest scholars of the Indian and Indian Anglophone novel Finally this project as an interrogation of caste politics in the cultural sphere is an important contribution to the burgeoning field of Dalit studies

From Popular Movements to Rebellion Ranabir Samaddar, 2018-11-21 *From Popular Movements to Rebellion* The Naxalite Decade argues that without an understanding of the popular sources of the rebellion of that time the age of the Naxalite revolt will remain beyond our understanding Many of the chapters of the book bring out for the first time unknown peasant heroes and heroines of that era analyses the nature of the urban revolt and shows how the urban revolt of that time anticipated street protests and occupy movements that were to shake the world forty fifty years later This is a moving and poignant book Some of the essays are deeply reflective about why the movement failed and was at the end alienated Ranabir Samaddar says that the Naxalite Movement has been denied a history The book also carries six powerful short stories written during the Naxalite Decade and which are palpably true to life of the times The book has some rare photographs and ends with newspaper clippings from the period As a study of rebellious politics in post Independent India this volume with its focus on West Bengal and Bihar will stand out as an exceptional history of contemporary times *From Popular Movements to Rebellion* The Naxalite Decade will be of enormous relevance to students and scholars of history politics sociology and

Negotiated Memory Julie Rak, 2004 The Doukhobors Russian speaking immigrants who arrived in Canada beginning in 1899 are known primarily to the Canadian public through the sensationalist images of them as nude protestors anarchists and religious fanatics representations largely propagated by government commissions and the Canadian media In *Negotiating Memory* Julie Rak examines the ways in which autobiographical strategies have been employed by the Doukhobors themselves in order to retell and reclaim their own history Drawing from oral interviews court

documents government reports prison diaries and media accounts Rak demonstrates how the Doukhobors employed both classic and alternative forms of autobiography to communicate their views about communal living vegetarianism activism and spiritual life as well as to pass on traditions to successive generations More than a historical work this book brings together recent theories concerning subjectivity autobiography and identity and shows how Doukhobor autobiographical discourse forms a series of ongoing negotiations for identity and collective survival that are sometimes successful and sometimes not An innovative study *Negotiating Memory* will appeal to those interested in autobiography studies as well as to historians literary critics and students and scholars of Canadian cultural studies *The Education of an Anti-Imperialist* Richard Drake, 2013-12-19 Robert M La Follette 1855 1925 the Republican senator from Wisconsin is best known as a key architect of American Progressivism and as a fiery advocate for liberal politics in the domestic sphere But Fighting Bob did not immediately come to a progressive stance on foreign affairs In *The Education of an Anti Imperialist* Richard Drake follows La Follette's growth as a critic of America's wars and the policies that led to them He began his political career with conventional Republican views of the era on foreign policy avidly supporting the Spanish American and Philippine American Wars La Follette's critique of empire emerged in 1910 during the first year of the Mexican Revolution as he began to perceive a Washington Wall Street alliance in the United States dealings with Mexico La Follette subsequently became Congress's foremost critic of Woodrow Wilson fiercely opposing United States involvement in World War I Denounced in the American press as the most dangerous man in the country he became hated and vilified by many but beloved and admired by others La Follette believed that financial imperialism and its necessary instrument militarism caused modern wars He contended they were twin evils that would have ruinous consequences for the United States and its citizens in the twentieth century and beyond An excellent book As Drake fully documents La Follette's warnings about World War I profiteers and the lust for power were fully justified Then as now the American people were lied to by the government and media and manipulated into the stink and blood of war Mark Taylor *The Daily Call* Scholars will value the insights into La Follette's foreign policy education *The Historian* [Racism in Contemporary America](#) Meyer Weinberg, 1996-05-23 *Racism in Contemporary America* is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America's most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines *Holocaust Memory and the Cold*

War Anna Koch, Stephan Stach, 2024-10-21 Even before World War II had ended survivors historians writers and artists tried to make sense of the Holocaust To do so they relied on belief systems and narratives that as the bloc confrontation intensified were increasingly shaped by Cold War thinking Foregrounding the Cold War's role in shaping Holocaust memory this book highlights how the global conflict between East and West influenced research legal proceedings and collective as well as individual memories of the murder of European Jews Contributions focusing on different parts of the world reveal commonalities differences and entanglements between Eastern and Western memories of the Holocaust Examining Holocaust memory from various disciplinary perspectives the authors highlight the many ways in which scholars writers artists and survivors both countered and contributed to dominant narratives shaped by oppositional ideological stances While such distinct ideological positions often mattered greatly at other times a shared interest in bringing perpetrators to justice commemorating victims and providing testimony to the atrocities committed against Europe's Jews led to cooperation and exchange across the Iron Curtain

Apocalyptic Rhetoric and the Black Protest Movement Aaron Pride, 2023-12-06
Apocalyptic Rhetoric and the Black Protest Movement offers a challenging new formulation of African American religious culture by asserting that African American Christianity produced a militant millennialist movement that invoked the apocalypse the kingdom of God and the end of the world to compel Black people to oppose racial injustice in the early twentieth century In this account of the Black civil rights movement in Boston in the early twentieth century Aaron Pride argues that the apocalyptic rhetoric and millennial imagery disseminated from the Boston Guardian by William Monroe Trotter cast Booker T Washington and other opponents of Black protest as false prophets biblical villains and harbingers of the end times By placing Black Christianity at the center of Black civil rights activism in the early twentieth century this book provides a seminal interpretation of the emancipatory capacity of religion as cultural and intellectual force in social and political movements This book will be of interest to scholars of cultural history Black studies and the history of religion

Politics as Public Art Martin Zebracki, Z. Zane McNeill, 2022-12-30 *Politics as Public Art* presents a keystone collection that pursues new frameworks for a critical understanding of the relationship between public art and protest movements through the utilization of socially engaged and choreopolitical approaches This anthology draws from a unique combination of interdisciplinary scholarship and activism where it integrates geographically rich perspectives from political and grassroots community contexts spanning the United States Europe Australia and Southeastern Africa The volume questions and reimagines not only how public art practice can be integral to politics including forms of surveillance and control of bodily movement It also probes into how political participation itself can be construed as a form of public artmaking for radical social change and just worlds This collection advocates for scholar activist inquiry into how socially engaged public art practices can pave the way for thinking through and working toward championing more inclusive futures and as such choreographing greater intersectional justice This book provides a wide appeal to audiences across humanities and social

science scholarship arts practice and activism seeking conceptual and empirically informed tools for moving from public art and choreopolitical theory into modes of praxis critical reflection and action **The Western Christian Advocate** ,1906

□□□□□□□□ ,1979 Apartheid and Fragmented Protest in Contemporary Southern Africa Cuthbeth Tagwirei,2025-09-26

Apartheid and Fragmented Protest in Contemporary Southern Africa examines protest movements through the lens of Apartheid Studies the first general theory of apartheid which explores how oppression harm injustice poverty loss and inequality persist The book argues that apartheid which breaks the world of the oppressed into fragments fomenting diverse experiences of oppression among its victims frames the nature and course of protests by making them subject to its fragmentation Protest is thus redefined as good neighbourly and demoted on account of its symbiotic relationship to apartheid It is observed that the proliferation of protests does not preclude the persistence of apartheid Rather protest and apartheid are seen to be compatible By examining protest hashtags on X from South Africa and Zimbabwe the book explores and identifies the forms relations meanings trajectories and effects protests take evoke and embody as fragments subsisting in a fractured apartheid universe It demonstrates how and why life goes on amidst protest sheds light on the contradictions paradoxes and complexities that characterise protest movements and invites conversations around protest as a paradigm in the context of apartheid The book will be of interest to researchers across the fields of social movements protests sociology African Studies and communication and media studies
