Marketing And Sustainable Development

Huangqi Zhang

Marketing And Sustainable Development:

Marketing for Sustainable Development Sihem Dekhili, 2021-11-30 Many people see a weak association between marketing and sustainable development and even consider them as two incompatible fields However marketing benefits from an extremely powerful position to encourage transformations at the production level and to guide consumers towards responsible behaviors From its inception marketing has been positioned as a support for the relationship between the company and its customers with the quest for well being set in the very foundations of the discipline In a context that is marked by crises and much skepticism marketing today should more than ever prove that it acts in good faith This book offers practitioners public authorities professors and students illustrations that demonstrate that the dissemination of sustainable practices is indeed a marketing issue It argues that it is particularly important not only to overcome the divide between the concepts of marketing and sustainability but also to use marketing tools and frameworks to support sustainable development and strengthen the green market

Social Marketing and Sustainable Development Goals (SDGs) M. Mercedes Galan-Ladero, Helena M. Alves, 2023-05-24 This book presents high quality cases on different social marketing campaigns that have been developed by NGOs Public Administration and businesses They will be specifically focused on achieving or contributing to achieving the different Sustainable Development Goals SDGs by The United Nations and how these campaigns can raise awareness and contribute to achieving the SDGs This book takes an international approach gathering cases developed in different countries and cultures around the world

Handbook of Research on Achieving Sustainable Development Goals With Sustainable Marketing Gigauri, Iza, Palazzo, Maria, Ferri, Maria Antonella, 2023-06-26 The prominent idea of sustainable development has influenced almost all disciplines changing our understanding and behavior toward sustainability In this respect marketing has also been transforming from the sustainability point of view as emerging social and ecological problems caused by the exponential growth require sustainable solutions and joint efforts Sustainable marketing intends to integrate ecological social and ethical concerns while creating value Consumers along with other stakeholders expect that brands will contribute to work toward the sustainable development goals therefore companies need to redesign their marketing initiatives to create promote and deliver values that are in line with sustainability The Handbook of Research on Achieving Sustainable Development Goals With Sustainable Marketing illuminates current developments in sustainable marketing and the new trends and tendencies concerning the concept in theory and practice The book also explores the concept of sustainable marketing in today s context of the digital age explains its boundaries and benefits and describes the challenges and opportunities as well as the advantages and potential disadvantages of sustainable marketing and branding efforts Covering key topics such as branding marketing ethics and corporate social responsibility this premier reference source is ideal for marketers business owners managers industry professionals researchers academicians scholars practitioners instructors and students

ACHIEVING SUSTAINABLE

DEVELOPMENT GOALS WITH SUSTAINABLE MARKETING. ,2023

The Sustainable Marketing

Concept in European SMEs Edyta Rudawska,2018-05-14 The book provides knowledge of sustainable marketing tools in SMEs operating in the industry

Sustainability Marketing Frank-Martin Belz,Ken Peattie,2012-10-29 The new and extended Second Edition of the award winning textbook Sustainability Marketing A Global Perspective provides a sustainability oriented vision of marketing for the twenty first century Adopting a a consumer marketing focus it emphasises integrating sustainability principles into both marketing theory and the practical decision making of marketing managers The book shows how the complexities of sustainability issues can be addressed by marketers through a systematic step by step approach The steps involve an analysis of socio environmental priorities to complement conventional consumer research an integration of social ethical and environmental values into marketing strategy development a new consumer oriented sustainability marketing mix to replace the outmoded and producer oriented 4Ps and finally an analysis of how marketing can go beyond responding to social change to contribute to a transformation to a more sustainable society Without taking such steps marketing will continue to drive global crises linked to climate change poverty food shortages oil depletion and species extinction instead of helping to tackle them A comprehensive package of supplementary materials for this text is available at www.wiley.com/college/belz View the authors blog at www.sustainabilitymarketing.com

Emery: Sustainable Marketing

Barry Emery,2020-12-03 Consideration for the ethics of business social responsibility and the environment has put sustainability at the top of the agenda for many organisations and marketing has a key role to play in driving this agenda This book explores the complex and challenging environment of sustainable marketing The author starts by considering the background of traditional marketing in order to understand the changes that have occurred over recent times and their significance From corporate social responsibility to societal and green marketing movements leading to the development of sustainable marketing practice this book is the most complete and accessible introduction to Sustainable Marketing on the market Key themes covered in the book include Current developments in the marketing environment and their role in stimulating or impeding the progress of sustainability The nature of consumption in relation to sustainability The underlying attitudes of consumers towards sustainable consumption The use of social marketing for planning and implementing behavioural change in consumers towards a more sustainable lifestyle

Marketing and Sustainable Development Pooja

Saxena,2002 This Book Provides A Geo Economic Analysis Of Marketing And Sustainable Development And In Particular It Traces The Growth Of Marketing Markets And Ecological Complex As Well As Patterns Of Urban Rural And Agricultural

Marketing The Behavioural Pattern Of Market Place Participants Has Been Explained In Detail And Analysing The Impact Of Marketing Activity On The Environment The Book Also Looks Into The Problems Of Marketing And Finally Put Forth A Strategy For Development Which Is Ecologically Sustainable The Elgar Companion to Marketing and the Sustainable Development Goals Ranjit Voola, Jamie Carlson, Marian Makkar, Carmela Bosangit, Paromita Goswami, 2025-10-28 This interdisciplinary Companion explores the pivotal role of marketing in advancing the Sustainable Development Goals SDGs It provides diverse perspectives on how marketing strategies can drive sustainable development including sustainable consumer behaviour and emphasises the importance of ethical considerations stakeholder engagement and innovative approaches to positively impact society Leading scholars and practitioners from across 15 countries discuss key themes such as consumer behaviour strategic marketing Base of the Pyramid marketing technological innovations and marketing education Real world examples and global perspectives are used to demonstrate that marketing is not solely about selling and can also be a powerful tool for creating positive change for people and the planet The Companion investigates how cutting edge technologies including AI blockchain and the Internet of Things can enable responsible consumption and transparency It further highlights the necessity for marketers to actively shape the post 2030 framework to align with evolving global sustainability goals Scholars and students of marketing international business sustainability organisation studies and development studies will greatly benefit from this comprehensive Companion Timely and engaging it is also an essential resource for policymakers and practitioners in marketing and the business sector as well as those working with the SDGs

Marketing and Sustainable Development Stanisław Skowron, 2014 The article presents the significant though not universally acknowledged role of marketing in generating imbalance in the developmental processes of modern economy and society As the foundation of such analysis the authors adopted the category of values which constitutes on the one hand ethical reflection accompanying human activities connected with sustainable development and on the other explains the nature of market behaviour of the modern consumer In the search for the mechanism disturbing sustainable development the authors pointed to the phenomenon of degradation of household as the most important component of the socio economic system Such degradation occurs under pressure from the market powered by innovation the enterprise exposed to fierce competition and the state which supports in its policy the concentration of capital and unbalanced consumption It has been proved that the processes which shorten the market life cycle of goods and reduce the contemporary human market participant to the role of an unreflective consumer are in conflict with the principles of sustainable development Modern marketing can be oriented to the realization of the principles of sustainable development introducing the paradigm of ecologisation into the theory and practice of marketing activity with reference to the model of managing a modern enterprise as well as to the process of revision in consumers consciousness and attitudes gradually turning them into eco consumers

Shifting the Marketing Mindset Clara Millard Dereudre, 2024-08-07 A clarion call for marketing to return to its roots and

integrate sustainability principles this book illustrates how the marketing function can drive organizations delighting customers and impacting positively on society and the environment Accused of manipulation and more marketing is one of the most misused functions and misunderstood professions The rise of green marketing could have been an opportunity for the profession to exhibit its potential to transform business but instead there has been a turn to greenwashing with false claims of environmental friendliness Now businesses must evolve rebalancing social and environmental priorities with economic ones and it is time for a new era Positive Impact Marketing Drawing on almost 30 years of experience in global marketing management and strategy with private public and nonprofit organizations this book introduces a framework organized around four key principles Connect 4 Impact and shows how these principles must govern marketing to achieve the desired net positive impact It explains why and how marketing is key to establish sustainability at the core of business models and provides marketers with a toolkit and strategies for collaborating with other business leaders in the organization to guide rapid and effective transformations This book will be a transformative resource for leaders and managers looking to truly incorporate sustainability into their business models marketing professionals at all levels and MBA BBA students with an interest in sustainable business

Marketing and Sustainability Pia A. Albinsson, Hugo Guyader, Mikael Ottosson, Anders Parment, 2024-11-04 In depth authoritative overview of sustainability issues and how sustainability is integrated into management and marketing theory and practices Marketing and Sustainability equips readers in the fields of management and marketing with an in depth understanding of sustainability issues and how sustainability is integrated into business Examples from across the globe are included on topics such as how businesses use services sharing practices and sustainable business models in their operations to face increasing demands to reduce greenhouse gas emissions limited resources and increased global competition This book is concerned with consumer and business markets considering marketing practices as part of business administration Up to date and topical areas of research such as the sharing economy are thoroughly discussed and illustrated with supporting models figures and vignettes The book is accompanied by a companion site for instructors and faculty which includes PowerPoint slides and exam Q A s Videos introducing each chapter s content are also available via YouTube Written by a team of highly qualified academics Marketing and Sustainability includes information on Factors influencing consumers and their choices sustainable marketing practices and their effectiveness and how to communicate sustainability initiatives through marketing campaigns Strategies to be heard in a crowded branded world and sustainability business models including product service systems social enterprises and sharing and circular economy models Sustainable marketing strategies including chapters on sustainable marketing channels sustainable pricing sustainability oriented marketing communication and branding Greenwashing the process of conveying a false impression or misleading information about how a company s products are environmentally sound and why it s bound to backfire Marketing and Sustainability is an essential reference for undergraduate graduate and post graduate students as well as managers in

companies the public sector and civil society all of whom are under increasing pressure to deal with marketing and sustainability for strategic purposes as well as in everyday practices **Sustainable Marketing** Barry Emery,2012

Sustainable Marketing collects chapters on marketing in the ethical environment consumer behaviour changing behaviour segmentation pricing supply and distribution among many other topics **Integrated Science to Achieve Sustainable**

Development Goals Beatriz Casais,2025-06-01 The book Integrated Science to achieve Sustainable Development Goals debates how different fields of study can confront or mitigate problems or contribute together to the development of society In brief it is a book about the interdisciplinarity of knowledge surrounding the topics in society that are involved in the world development agenda There is an increasing recognition of the importance of achieving the sustainable development goals SDGs set in the UN agenda 2030 The book seeks to address the need for the integration of multidisciplinary fields of knowledge to achieve the seventeen SDGs The book was developed with contributions from established and well known scholars in different fields It is interdisciplinary in nature and international in scope intending to bring out a collection of state of the art cutting edge knowledge on policies to achieve the 17 SDGs as well as a range of actionable recommendations for future developments in the different fields with the purpose of addressing the Agenda 2030 The integration of different disciplines including sociology health education psychology business economics political science environmental studies and urban planning in a complex problem like societal development gives this book the challenge to be an authoritative tool with guidelines for the entire community and for policymakers as well Each chapter presents the state of the art of a topic considered important to achieve SDGs The authors explain how their field contributes to the achievement of one or more SDGs including the main theories and examples of empirical evidence that may guide society in using such knowledge to contribute to societal impact *Implicative Marketing* Florence Touzé,2020-03-16 This book is a manifesto for responsible

marketing Taking a critical look at marketing practices of the last 50 years it explains why they have led to an ethical stalemate and sometimes even a business impasse Exposed to such practices consumers have grown tired of meaningless offers coupled with the destruction of value as prices are driven down As a result today s marketing professionals find themselves in the firing line of a combat focused on greater social responsibility and environmental sustainability Thanks to new ways of understanding consumers and branding this book suggests how such a challenge can be met Through the presentation of experiences studies and concrete cases the reader gains a tangible fresh perspective on marketing a new global responsible creative and collaborative model that helps respect sustainable consumption Implicative Marketing presents a paradigm shift one that will be of considerable interest not just to academics and their students but also to marketing practitioners **Green Marketing as a Positive Driver Toward Business Sustainability** Naidoo,

Vannie,Verma, Rahul,2019-07-26 As corporations increasingly recognize the benefits of green marketing the number of projects with important local environmental economic and quality of life benefits shall increase Encouraging the holistic

nature of green moreover inspires other retailers to push the movement Green Marketing as a Positive Driver Toward Business Sustainability is a collection of innovative research on the methods and applications of integrating environmental considerations into all aspects of marketing While highlighting topics including green consumerism electronic banking and sustainability this book is ideally designed for industrialists marketers professionals engineers educators researchers and scholars seeking current research on green development in regular movement **Cross-Border Cooperation: Strategies for Marketing Sustainable Development Tourism in Northeast Asia** Austin Uzama,2011-08 **Marketing for Sustainability** Gerard C. Bartels,Wil Nelissen,2002 This work deals with the marketing and communication of government institutions non profit organizations and profit organizations that make up the challenge of sustainable development Each chapter deals with marketing and mass communication
