Memoirs of the American Folk-lore Society ,1968 **The Dominion of Youth** Cynthia Comacchio,2008-10-08
Adolescence like childhood is more than a biologically defined life stage it is also a sociohistorical construction The meaning and experience of adolescence are reformulated according to societal needs evolving scientific precepts and national aspirations relative to historic conditions Although adolescence was by no means a discovery of the early twentieth century it did assume an identifiably modern form during the years between the Great War and 1950 *The Dominion of Youth* Adolescence and the Making of Modern Canada 1920 to 1950 captures what it meant for young Canadians to inhabit this liminal stage of life within the context of a young nation caught up in the self formation and historic transformation that would make modern Canada Because the young at this time were seen paradoxically as both the hope of the nation and the source of its possible degeneration new policies and institutions were developed to deal with the problem of youth This history considers how young Canadians made the transition to adulthood during a period that was developmental both for youth and for a nation also working toward individuation During the years considered here those who occupied this dominion of youth would see their experiences more clearly demarcated by generation and culture than ever before With this book Cynthia Comacchio offers the first detailed study of adolescence in early twentieth century Canada and demonstrates how young Canadians of the period became the nation s first modern teenagers *Riding on Top* Gordon McLean,1999 During the thirty two years that Gordon McLean taught high school none of his colleagues or students suspected that beginning at age fifteen he had survived seven seasons of hoboing A bank manager s son the young McLean was driven only by boredom and a lust for adventure Hoboing was a colorful way of life that is gone forever and there are only a diminishing few survivors

who can explode the myths and tell us what it was really like McLean is one such survivor His experiences varied from audacious hilarious heart stopping thoughtful spiritual and almost mystical Now at age eighty the ex hobo still dreams of riding freights and has vivid memory flashbacks He has decided to share these memories with his very numerous very dear progeny Non relatives are welcome to kibitz Readers in addition to being highly entertained amused and moved will learn little known startling details about life and attitudes in out of the way places during the Depression that will amaze even old timers who lived through that era The young hobo was a keen sensitive observer and the octogenarian has been able to vividly recapture and communicate what the young bo experienced Quicksand and Cactus Juanita Brooks,1992 Juanita Brooks became one of the best known historians of Mormon and Utah history Her autobiography is a valuable source of information on early southern Utah and Mormon history **Maximum Rocknroll** ,2002-11 The New Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1976
