One Day My Sister Disappeared Christine Orban,2005-07-12 Day My Sister Disappeared is Christine Orbans deeply affecting meditation on family grief and identity **FREE TO BE ME: A story of sadness & tragedy but also of laughter & humour** Fiona H. French,2015-09-07 This book is the story of my life Just a shy Scottish lass I did well at school At 21 I was diagnosed with myoclonic epilepsy prescribed nitrazepam and had to give up teacher training The next 40 years were marred by depression After taking early retirement in 2012 my GP suggested I stop taking nitrazepam This left me extremely ill and bedridden for two years However I am now free from epilepsy depression and prescription drugs for the first time in my adult life I am looking forward to the rest of my retirement I hope others will be inspired never to give up You just never know what might be round the corner **Best Horror of the Year** Ellen Datlow,2015-08-04 For over three decades Ellen Datlow has been at the center of horror Bringing you the most frightening and terrifying stories Datlow always has her finger on the pulse of what horror readers crave Now with the seventh volume of this series Datlow is back again to bring you the stories that will keep you up at night Encompassed in the pages of The Best Horror of the Year have been such illustrious writers as Neil Gaiman Kim Robinson Stephen King Linda Nagata Laird Barron Margo Lanagan And many others With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light creates its own shadows The Best Horror of the Year chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers *I Flew into the Cuckoo's Nest!* Robert A. Strauss,2018-02-15 Do you question things I mean really question things right down to the nitty gritty of life How about getting blamed for something you didn t do or vice versa How about rejection I m good at that Something about you someone doesn t like Welcome to the club This is a book about life real life not the glossed over look at me how pretty kind of crap This is about the good the bad and the ugly I ve scored really high on two of those Welcome to life the way I saw it and the way life saw me while I ve occupied this planet Things in my life may not be all that different than it is for you and you ve probably had your own personalized versions of the junk that goes on in these pages I hope you handled it better than me Welcome to the cuckoo s nest *A Free People* Dave Moore,David L. Moore,2003 An excellent collection of stories writings and photographs by Hmong students in Minnesota as part of the Hmong Youth Cultural Awareness Project with grants from the the Minneapolis Public Schools A minority in every country where they have lived they value their independence and self sufficiency With help of Dave Moore and John Mundahl Hmong students interviewed their elders in the community to capture the history and culture of their people This book reunites the Hmong youth who have become alienated from their culture in living in the United States to Hmong culture and inspire self esteem as well as helping others learn about this amazing culture **The Merola's** Alice J. Adessio,2012-06-07 This book THE MEROLA S is the story of my ancestors including both my maternal and paternal grandparents and their voyage to

America on the same ship It provides current and future generations of our family with both the Petrizzi and the Merola Family Trees It also gives a little information about the Adessio family It covers seven generations of my family contains little snippets of their life and many photographs and documents of the families through the ages It includes an illustration of the S S Neustria on which they traveled from Italy to America highlighting part of the ship s manifest The book contains photographs from Italy and the United States over a period of nearly one hundred twenty five years from 1890 to 2012 My maternal grandfather and his two cousins arrived in America in 1886 They found the streets were not paved in gold but they could earn a good living and support a family here After two years they returned to Italy to find wives and came back to America in 1890 with their new brides This book is their story I had for many years wanted to create a family tree for the young people in the family many of whom live out of state those who as you spoke to them usually said Who are you speaking about Are they related and if so how are they related I created an extensive Family Tree I went back seven generations beginning in Italy and culmination in the United States I decided that I wanted to tell the young people a little bit about their ancestors so I included mini biographies of my grandparents aunts and uncles and some of my cousins who are no longer with us I also included some short stories about them At this point I decided the younger members of the family now knew where they fitted in the family and a little bit about their relative s lives but they couldn t visualize what these people looked like so I included photographs of these ancestors I was able to collaborate with two of my cousins I wrote the bios of the relatives and e mailed them to these cousins and my sister for their clarification of what I had written I had copies of documents and many photos of the family which I included I then called my sister making her crazy saying Momma had a photograph of so and so and it looked like this see if you can find it and mail it to me She always did The information in this book was not obtained using Ancestry com which is not the most reliable source rather the stories and facts were handed down to us by our aunts and uncles over the years and as we recalled some of our experiences growing up It depicts the life of a family of Italian immigrants their pursuit of citizenship the hardships and the challenges they faced In reading the book you can see how times and concepts change as well as the struggles of our ancestors and how they handled adversity and dealt with any obstacles they encountered It shows how with perseverance and determination they prospered and became valued citizens These people my relatives became doctors lawyers a District Attorney clothing designers pharmacists CPAs and a U N Representative to name a few There were also many teachers bookkeepers business owners and managers builders architects photo engravers and engineers It took me about two years to complete this project and deal with a publisher but I finally achieved my goal I had my book published purchased the quantity I required and upon receiving the copies sent them to all of my relatives and gave a few copies to close friends It truly was a labor of love It was very gratifying to receive notes letters phone calls and e mails from my cousin
