Riding On The Roar Of The Crowd:

Chloe Jerry Leppart,2019-01-14 I am 21 years of age and I have discovered that I am the first and only human clone Questions Who am I What am I Do I have a soul Do I share a soul Am I a real person or just a copy a shadow of a donor I visited with Dr Ahmann who performed the cloning twenty two years ago He told me that there are no others to guide me but I could probably have a normal life if I did not stress myself There was no way I could stay here I had to get away away from everything familiar I left Minnesota and took off for the mountains In Montana I picked up a hitchhiker Billy Two Bears who stayed with me for awhile He told me of the Native American values and the true meaning of life After a night of intimacy he was gone But he left me with words that I will never forget I continued to the Canadian Rockies to Banff Lake Louise and Emerald Lake Lodge I had been having some mini seizures so it was time to head home On my way back to the States I picked up two female hitchhikers who taught me not to be afraid of the choices that I make In Wyoming I stood before Devils Tower monument at dusk as fireflies twirled around me illuminating the way as if they were spirits rising from the ground At home I visited Dr Ahmann again and I found that I am pregnant My choices I can have a full life or I can have a baby but I probably can't have both So now I need to decide what I should do Should I give life and by doing so end life Or should I end life and by doing so give life And all I have left are Billy's words to show me the way **Runaway** Allen Young,2023-02-01

castle and into a surreal battle with the Bulbul but the statue still eludes them With Gertrude s help the detectives enlist the aid of British Intelligence which uses a ring of male and female belly dancers to track the statue to the Veiled One s harem Disguised as dancers the detectives infiltrate it setting up a climactic duel in the desert Set against the backdrop of an oncoming war this book is a window into the lush complexity of the Ottoman Empire the stark life of the desert bedouin and steadily vanishing societies Our protagonists enter a world of beauty and barbarity to find an artifact but find the hauntings of memory and perhaps a strange peace as well The action that drives this unpredictable narrative will leave you eagerly awaiting the next installment in the Petrie and Pettigrew series **McClure's Magazine** ,1913 **The Playful Crowd**

Gary Cross,John K. Walton,2005-10-18 During the first part of the twentieth century thousands of working class New Yorkers flocked to Coney Island in search of a release from their workaday lives and the values of bourgeois society On the other side of the Atlantic British workers headed off to the beach resort of Blackpool for entertainment and relaxation However by the middle of the century a new type of park began to emerge providing well ordered squeaky clean and carefully orchestrated corporate entertainment Contrasting the experiences of Coney Island and Blackpool with those of Disneyland and Beamish Gary S Cross and John K Walton explore playful crowds and the pursuit of pleasure in the twentieth century to offer a transatlantic perspective on changing ideas about leisure class and mass culture Blackpool and Coney Island were the definitive playgrounds of the industrial working class Teeming crowds partook of a gritty vulgarity that offered a variety of pleasures and thrills from roller coaster rides and freak shows to dance halls and dioramas of exotic locales Responding to the new money and mobility of the working class the purveyors of Coney Island and Blackpool offered the playful crowd an industrial saturnalia Cross and Walton capture the sights and sounds of Blackpool and Coney Island and consider how these Sodoms by the sea flouted the social and cultural status quo The authors also examine the resorts very different fates as Coney Island has now become a mere shadow of its former self while Blackpool continues to lure visitors and offer new attractions The authors also explore the experiences offered at Disneyland and Beamish a heritage park that celebrates Britain s industrial and social history While both parks borrowed elements from their predecessors they also adapted to the longings and concerns of postwar consumer culture Appealing to middle class families Disney provided crowds a chance to indulge in child like innocence and a nostalgia for a simpler time At Beamish crowds gathered to find an escape from the fragmented and hedonistic life of modern society in a reconstructed realm of the past where local traditions and nature prevail **Boys' Life** ,1946-01 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
