Right And The Good:

The Right and the Good William David Ross, 2002 *The Right and the Good* a classic of twentieth century philosophy by the great scholar Sir David Ross is now presented in a new edition Ross's book originally published in 1930 is the pinnacle of ethical intuitionism which was the dominant moral theory in British philosophy for much of the nineteenth and early twentieth century The central concern of the book is with rightness and goodness and their relation Ross argues against notable rival ethical theories The right act he held cannot be derived from the moral value of the motive from which it is done Furthermore rightness is not wholly determined by the value of the consequences of one's action whether this value is some benefit for the agent or some agent neutral good Rather the right act is determined by a plurality of self-evident prima facie duties Ross portrayed rightness and goodness as simple non-natural properties Philip Stratton-Lake a leading expert on Ross provides a substantial new Introduction in which he discusses the central themes of *The Right and the Good* and clears up some common misunderstandings A new bibliography and index are also included along with editorial notes which aim to clarify certain points and indicate where Ross later changed his mind on particular issues Intuitionism is now enjoying a considerable revival and this new edition provides the context for a proper understanding of Ross's great work

The Right and the Good William David Ross, 2002 This is a classic of 20th century philosophy by the great scholar David Ross The book is the pinnacle of ethical intuitionism To Do the Right and the Good Elliot N. Dorff, 2004 A National Jewish Book Award Winner Rabbi Dorff focuses on the social aspects of the Jewish tradition while tackling such timely topics as poverty war intrafaith and interfaith relations and forgiveness In addition he discusses Jewish social ethics as they both relate to and contrast with Christian and American belief systems in modern society Dorff argues that Jewish sources when properly placed within the framework of the realities of our own times can provide important guidance for Jews on how to act in their daily lives

The Good, the Right, and the Real: Is Value a Fact? David Baggett, Professor of Philosophy/Scholar in Residence Jerry L Walls, 2025-09-03 The book argues for a strongly objective understanding of ethics Positive arguments in its favor are discussed and anticipated objections are answered Alternatives to objectivist views of ethics are considered at length Among such views include that all moral claims are false that no moral sentences express truth claims and that moral judgments derive their truth from the preferences or sentiments of human beings Having argued for a strongly objectivist understanding of morality the case is made that God deserves to be taken seriously as a contender for its best explanation

The Rights and the Wrongs of the Poor in a Series of Letters: Addressed to the Working-classes ... To which ... are Appended Six Letters to the Noblemen of England Thomas Brothers, 1842 **Pleasure and the Good Life** Fred Feldman, 2004-03-25 Since ancient times hedonism has been one of the most attractive and controversial theories In this text the author presents a careful modern formulation of hedonism defending the theory against some of the most important objections **The Foundations of Christian Bioethics** Hugo Tristram Engelhardt, 2000 For decades Engelhardt has

alluded to the ethics that binds moral friends While his Foundations of Bioethics explored the sparse ethics binding moral strangers this long awaited volume addresses the morality at the foundations of Christian bioethics The volume opens with an analysis of the marginalization of Christian bioethics in the 1970s and the irremedial shortcomings of secular ethics in general Drawing on the Christianity of the first millennium Engelhardt provides the ontological and epistemological foundations for a Christian bioethics that can remedy the onesidedness of a secular bioethics and supply the bases for a Christian bioethics The volume then addresses issues from abortion third party assisted reproduction and cloning to withholding and withdrawing treatment physician assisted suicide and euthanasia Practices such as free and informed consent are relocated within a traditional Christian morality Attention is also given to the allocation of scarce resources in health care and to the challenge of maintaining the Christian identity of physicians nurses patients and health care institutions in a culture that is now post Christian

An Overview of Aboriginal and Treaty Rights and Compensation for Their Breach Robert Mainville, 2001-04-01 A pressing issue today is how to compensate Aboriginal peoples for the infringement of their rights Aboriginal rights include more than a title within the fiduciary relationship between the federal government and Aboriginal peoples is the issue of compensation for the infringement of Aboriginal and treaty rights In an historical and legal context Mainville examines Aboriginal and treaty rights origins major Canadian court decisions that have defined them the impact of the Canadian Constitution and the limits to the government's ability to infringe upon Aboriginal and treaty rights Mainville argues that while Canadian law can provide guidelines for compensation expropriation law is inadequate to address the issue fully and instead provides clear and practical principles for compensation

Justice and Harmony Joshua Mason, 2022-08-16 Justice and harmony have long been two of the world's most treasured ideals but much of modern moral and political philosophy puts them on opposite sides of the divide between liberal theories of the right and communitarian theories of the good Joshua Mason argues that the encounter with their Chinese counterparts zhengyi and hexie can overcome this opposition revealing a pattern that reframes justice and harmony as mutually interdependent concepts in a three part framework of root harmony benhe harmonic justice heyi and just harmony zhenghe Broadly surveying the histories of western and Chinese moral and political philosophies Justice and Harmony Cross Cultural Ideals in Conflict and Cooperation explores our cross cultural conceptual inventories and develops a comparative framework that can overcome entrenched binary oppositions and reconcile these grand global values

Hermeneutics, Citizenship, and the Public Sphere Roberto Alejandro, 1993-07-01 This book sheds new light on the question of democratic politics by proposing a hermeneutic conception of citizenship and the public sphere At the same time it presents a critique of the postmodern arguments advanced by Richard Rorty Jean Francois Lyotard and Jean Baudrillard Questioning a dominant interpretation that sees Gadamer's hermeneutics as the expression of a conservative project Alejandro argues that it includes an important element of critique that could challenge dominant structures and practices

Right Actions and Good Persons Marjaana

Kopperi,2018-08-20 First published in 1999 this work tests the ancient against the modern in discussing whether modern approaches to ethics remain sufficiently able to provide a serious and justifiable account of morality Marjaana Kopperi explores ancient medieval and enlightenment philosophy to compare their notion of moral agents and the good life with the more action based notions of modern philosophy Kopperi aims to examine how the promoters of agent based ethical views deal with questions of what constitutes a good life and whether it can or should be quantified or justified The Enigma of Existence Pasquale De Marco,2025-07-10 This book explores some of the most fundamental questions about human existence What is the nature of reality What is the meaning of life What is the nature of consciousness What is the relationship between mind and body These are just a few of the questions that have occupied the minds of philosophers scientists and theologians for centuries In this book we will explore these questions from a variety of perspectives drawing on insights from philosophy science religion and personal experience We will not provide easy answers to these questions Instead we will provide a forum for discussion and debate We will explore the different perspectives that have been offered on these questions and we will encourage readers to form their own opinions We hope that this book will be a valuable resource for anyone who is interested in exploring the big questions about life We hope that it will spark new insights and lead to a deeper understanding of the human condition This book is divided into ten chapters each of which explores a different aspect of human existence The chapters are The Nature of Reality The Meaning of Life The Nature of Consciousness The Nature of Language The Nature of Morality The Nature of God The Nature of the Universe The Nature of Knowledge The Nature of Beauty The Nature of the Good Each chapter is divided into five sections each of which explores a different topic related to the chapter s main theme The topics are Chapter 1 The Nature of Reality The nature of existence The mind body problem The problem of other minds The nature of time The nature of space Chapter 2 The Meaning of Life The meaning of life The search for happiness The problem of suffering The role of death The afterlife Chapter 3 The Nature of Consciousness The nature of consciousness The relationship between consciousness and the brain The problem of free will The nature of qualia The nature of self Chapter 4 The Nature of Language The nature of language The relationship between language and thought The problem of reference The nature of meaning The nature of truth Chapter 5 The Nature of Morality The nature of morality The relationship between morality and religion The problem of evil The nature of virtue The nature of justice Chapter 6 The Nature of God The nature of God The problem of faith The problem of evil The nature of prayer The nature of miracles Chapter 7 The Nature of the Universe The nature of the universe The origin of the universe The fate of the universe The nature of life The nature of intelligence Chapter 8 The Nature of Knowledge The nature of knowledge The problem of skepticism The nature of belief The nature of truth The nature of rationality Chapter 9 The Nature of Beauty The nature of beauty The relationship between beauty and art The problem of taste The nature of aesthetics The nature of experience Chapter 10 The Nature of the Good The nature of the good The relationship between the good and the right The problem of
