Volume 1](#) Peter R. Farley,2011-04-04 Volume 1 of 9 These books are the first to fully map out the history of alien interaction with the Earth past present and into the near future Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet especially its formative role in the global conspiracy known as the New World Order [The Afterlife Healing Circle](#) Candace Talmadge,Jana Simons,2015-06-22 The sance is probably the most misunderstood and abused of all spiritual practices and carries with it some very real dangers The good news is that the authors of The Afterlife Healing Circle have corrected the disinformation while showing us how to avoid the dangers The afterlife healing circle is a way we can safely communicate with those on the other side whether they are loved ones who have passed or future offspring who have not yet been born This unique book will bring hope to the anxious and the inconsolable by showing readers How to recognize when they or others need the afterlife healing circle How to develop the intuitive senses that will enable them to connect with the other side How where and when to conduct the afterlife healing circle safely How the rules of physics prove that consciousness both survives and precedes the physical body It s never too late to say goodbye or too soon to say hello *The Power Behind Your Eyes* Robert-Michael Kaplan,1995-10-01 Good vision is more than the ability to see 20 20 on an eye chart Any vision problem is a message alerting us to an unbalanced inner state Eyeglasses medications and surgery may correct poor vision but they cannot correct this inner imbalance In *The Power Behind Your Eyes* Robert Michael Kaplan presents Integrated Vision Therapy a comprehensive daily program that can actually improve as well as treat the inner causes of poor vision More comprehensive than other vision care techniques Integrated Vision Therapy takes a holistic approach to identifying the causes of vision problems and developing noninvasive natural strategies for treatment including clear easy to follow exercises diets and changes in daily habits

Putting on the Mind of Christ Jim Marion,2011-11-01 Jim Marion s book returns us to the central challenge Christianity ought to be handing us Indeed how do we put on the mind of Christ How do we see through his eyes How do we feel through his heart How do we learn to respond to the world with that same wholeness and healing love That s what Christian orthodoxy really is all about It s not about right belief it s about right practice Cynthia Bourgeault author of *The Wisdom Jesus* What does it mean to follow the path of Christ today Putting on the Mind of Christ is the first book to offer an

integral understanding of the Christian spiritual path one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget Carol Milligan and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven the highest level of spiritual development Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century Christianity Where Were You Before The Tree of Life? Volume 4 Peter R. Farley, 2011-04-04 Volume 4 of 9 These books are the first to fully map out the history of alien interaction with the Earth past present and into the near future Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet especially its formative role in the global conspiracy known as the New World Order **The Womanist Idea** Layli Maparyan, 2012-03-22 Following on the heels of The Womanist Reader The Womanist Idea offers a comprehensive systematic analysis of womanism including a detailed discussion of the womanist worldview cosmology ontology epistemology logic axiology and methodology and its implications for activism From a womanist perspective social and ecological change is necessarily undergirded by spirituality as distinct from religion per se which invokes a metaphysically informed approach to activism **HEALING ACROSS TIME I** Lorrie Leigh, 2023-11-09 What are you thinking Lorrie Why would you tell on yourself to the whole world Answer Because the Holy Spirit asked me to tell my story to help others A central theme of this book is What is wrong with me I learned that what was wrong was that I had many partially split personalities that had not been evident to me or others and that repressed painful and guilty memories from my childhood and adulthood were surfacing The teachings in A Course in Miracles enabled me to face those memories My journey has been painful and a little weird but I am glad I chose to walk into the darkness rather than deny it because that choice led to healing and peace for me I pray that my story will help many others come to a place of healing and peace *Channeling* Jon Klimo, 1998-04-17 In this study of channeling earlier called spirit communication or mediumship Klimo who teaches at Rosebridge Graduate School in the San Francisco Bay Area writes with clarity about the communication of information to or through a physically embodied human being from a source on some other level or dimension of reality other than the physical as we know it He profiles recent channels and their sources goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses Solomon Muhammad Merlin Nostradamus Swedenborg and Edgar Cayce He discusses the sorts of people who are channels kinds of information
