Right Back To The Beginning:

A Commentary on the Gospel of John David Pawson, 2015-06-24 John is a remarkable Gospel utterly different from the other three. It reflects the unique insights of the man who was closest to Jesus while he was on earth and is full of concern that we should not just know about what Jesus did but should also realize who he was. It reflects too John's burden: the believers in Jesus should not be side-tracked by erroneous teaching, whether concerning Jesus' identity or the veracity of his claims. He wanted believers to be absolutely sure that eyewitnesses Jesus' own words and his astonishing works all point to one who was truly God come in the flesh: the living Word, the very glory of God among humanity. John's collected evidence and proof all make the most compelling testimony to Jesus' right to demand our ongoing trust and obedience. *JESUS* David Pawson, 2012-02-01 Taking the middle section of the Apostles' Creed as the framework, David explains the fundamental fact about Jesus on which the Christian faith is based in a fresh and stimulating way. Both old and new Christians will benefit from this back-to-basics call and find themselves falling in love with their Lord all over again. **Beginnings** Morna D. Hooker, 2010-01-01 This book is about the beginnings or prologues to the four canonical Gospels, which refer to topics to be dealt with in what follows and offer guidance as to the particular way in which the author feels the rest of the book should be read. The beginnings also contain significant hints as to what the end of the story will be. **Beginnings** qualifies as a basic introduction to the contents of the Gospels and a helpful starting point for reading this literature. Using the metaphor of a key that opens the door, Morna Hooker moves sequentially through Mark, Matthew, Luke, and John as respectively a dramatic key, a prophetic key, a spiritual key, and a glorious key. **radura** giacinty plexyx plescia, 2018-01-15 giacinty plexyx plescia cripteventy book vol 2 LONDON Lulu ISBN 9780244660703 plescia g 2018 giacinty plexyx plescia esserepoiesis book vol 2 LONDON Lulu ISBN 9780244360498 plescia g 2018 giacinty plexyx plescia esserepoiesix paperback vol 1 LONDON Lulu ISBN 9780244660482 plescia g 2018 giacinty plexyx plescia esserly paperback vol 1 LONDON Lulu ISBN 9780244958893 plescia g 2018 giacinty plexyx plescia esserl book vol 2 LONDON Lulu ISBN 9780244358907 plescia g 2018 giacinty plexyx plescia eventopoiesistringx book vol 2 LONDON Lulu ISBN 9780244660123 plescia g 2018 giacinty plexyx plescia eventopoiesix paperback vol 1 London Lulu ISBN 9780244360122 plescia g 2018 giacinty plexyx plescia katastrophy paperback vol 1 LONDON Lulu ISBN 9780244959647 plescia g 2018 giacinty plexyx plescia krypteventy paperback vol 1 LONDON Contraeventy Contraevento Contraenty **Spot the Difference** Juno Dawson, 2016-02-25 An exclusive World Book Day story from UK Queen of Teen Juno Dawson. What does it mean to be human? How can you lead your life in

ways that best fulfil your own nature In *The Human Paradox* Ralph Heintzman explores these vital questions and offers an exciting new vision of the nature of the human *The Human Paradox* aims to counter or correct several contemporary assumptions about the nature of the human especially the tendency of Western culture since the seventeenth century to identify the human with rationality and the rational mind Using the lens of the virtues *The Human Paradox* shows how rediscovering the nature of the human can help not just to understand one's own paradoxical nature but to act in ways that are more consistent with its full reality Offering accessible insight from both traditional and contemporary thought *The Human Paradox* shows how a fuller richer vision of the human can help address urgent contemporary problems including the challenges of cultural and religious diversity human migration and human rights the role of the market artificial intelligence the future of democracy and global climate change This fresh perspective on the Western past will guide readers into what it means to be human and open new possibilities for the future

Parables of Salvation

David Williams,2002-09-16 The author's wife has frequently reminded him that there is a sermon in everything The parables of Jesus demonstrate clearly to us that spiritual truths can be readily communicated with the aid of everyday objects Just as Jesus used real life situations such as sowing or lost coins so the attempt is made here to draw spiritual lessons from objects met every day The emphasis in this book is on familiar objects such as will be met frequently in life Thus while it is a good and valid technique to add visual material to a talk by means of a picture a word or a series of letters this is not done here The emphasis is on the object and the message gleaned from that rather than on an attempt to visualize the message Those wanting inspiration for children's talks that will not bore them or illustrations to liven up a sermon will find a wealth of ideas here No time consuming making of pictures and posters but just the use of ordinary objects found in every home
