**The Secret Trachings of All Ages** Manly Palmer Hall, 2020-09-28 NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth s greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particular

ism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religious philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of abstruse material between its covers is not susceptible to perfect organization but so far as possible related topics have been grouped together

Daniels, 2021-07-09 If the devil has cooked up a plot against your Bible would you want to know it Conspiracy theories are destroyed by solid evidence Author David W Daniels came to the point where he could no longer ignore the mounting evidence He was schooled in Bible college and seminary to believe that the King James was hopelessly obsolete But the mounting confusion around the new Bible translations left him wondering He already knew how to use modern search techniques to quickly discover relevant evidence He soon learned that the Bible version issue was more than a baseless conspiracy Many new facts had become available shedding light on the history of Bible versions He learned that the scholars who decided over 100 years ago to fix the King James may not have had the best intentions His discovery of Satan's plan to damage God's words is chronicled in a series of books In 2017 his book *Is the World's Oldest Bible a Fake* presented heavy evidence against Codex Sinaiticus the manuscript that scholars claim is the world's oldest Bible This book attempts to answer the next question *Who Faked the World's Oldest Bible* It reads like a mystery novel but over 100 illustrations and more than 300 footnotes gives it the force of a graduate research paper The murky narrative of the discovery and evaluation of the Sinaiticus becomes much clearer with this new book Daniels leaves it up to the reader to decide how this might affect his or her eternal destiny     **Paperbound Books in Print** , 1992     **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
