The Rising of the Moon Ella O'Dwyer, 2003 brilliantly original brings cultural and post colonial theory to bear on a wide range of authors with great skill and sensitivity Terry Eagleton **The Politics of Identity in Irish Drama** George Cusack, 2009-06-26 This study examines the early dramatic works of Yeats Synge and Gregory in the context of late colonial Ireland's unique socio political landscape Cusack demonstrates the complex negotiation of nationalism class and gender identities undertaken by these authors in the years leading up to Ireland's revolution **Sign Language and Linguistic**

Universals Wendy Sandler, Diane Carolyn Lillo-Martin, 2006-02-02 Sign languages are of great interest to linguists because while they are the product of the same brain their physical transmission differs greatly from that of spoken languages In this 2006 study Wendy Sandler and Diane Lillo Martin compare sign languages with spoken languages in order to seek the universal properties they share Drawing on general linguistic theory they describe and analyze sign language structure showing linguistic universals in the phonology morphology and syntax of sign language while also revealing non universal aspects of its structure that must be attributed to its physical transmission system No prior background in sign language linguistics is assumed and numerous pictures are provided to make descriptions of signs and facial expressions accessible to readers Engaging and informative Sign Language and Linguistic Universals will be invaluable to linguists psychologists and all those interested in sign languages linguistic theory and the universal properties of human languages Bryunzet

Michael W. Lowe, 2008-10-13 Emory and Tostan had every right to believe that the defeat of the sorcerer Tolrak had restored peace to their homeland Yet as they celebrated the Mishwa Empire and Delta Kingdom were locked in a death struggle in a land far to their west This ancient conflict had already reached out and touched their lives at the gates of Sea City All too soon it would draw them into its fire Join Emory and Tostan as they face challenges that will either enhance their skills as wizard and warrior or strike them dead Travel with them as they encounter the slave traders of Fortun stride through the gates of Tarbu Fortress and descend into the dungeons of Zalgar Bryunzet gives you a glimpse of the time that preceded Wizardmont introducing you to the mad sorcerer Mellette and Grand Wizard Tarawak and then propels you into a world where arrows scream daimen roam the land the Dark Cloud blocks the sun and the Promise of the Stones lures one and all
