Rising Tide Gender Equality And Cultural Change Around The World

Gerard Delanty

Rising Tide Gender Equality And Cultural Change Around The World:

Rising Tide Ronald Inglehart, Pippa Norris, 2003-04-14 The twentieth century gave rise to profound changes in traditional sex roles. However, the force of this rising tide has varied among rich and poor societies around the globe as well as among younger and older generations. *Rising Tide* sets out to understand how modernization has changed cultural attitudes towards gender equality and to analyze the political consequences of this process. The core argument suggests that women and men's lives have been altered in a two-stage modernization process consisting of i) the shift from agrarian to industrialized societies and ii) the move from industrial towards post-industrial societies. This book is the first to systematically compare attitudes towards gender equality worldwide, comparing almost 70 nations that run the gamut from rich to poor, agrarian to post-industrial. *Rising Tide* is essential reading for those interested in understanding issues of comparative politics, public opinion, political behavior, political development, and political sociology. *Gender Expertise in Public Policy* S. Hoard, 2015-04-07 Through a selection of in-depth interviews, a survey of experts working with the European Union and United Nations, and Qualitative Comparative Analysis of policy debates, this text rethinks our understanding of gender expertise and the circumstances that lead to expert success in public policy. *Perceiving Gender Locally, Globally, and Intersectionally* Vasiliki (Vicky) Demos, Marcia Texler Segal, 2009-06-26 Addresses questions about how feminist scholars conceptualize gender and view it in relationship to other attributes of individuals and of social systems. This book strives for intersectional analyses, broadening that approach beyond the gender, race, and class paradigm to include sexuality, employing a variety of methodologies. *Culture Matters in Russia—and Everywhere* Lawrence Harrison, Evgeny Yasin, 2015-04-23 This book pulls together experts in the fields of economics and Russian culture, all participants in the Samuel P. Huntington Memorial Symposium on Culture, Cultural Change, and Economic Development, a follow-up to the 1999 Cultural Values and Human Progress Symposium at Harvard University. As the sequel to the 2001 volume *Culture Matters*, it discusses modernization, democratization, economic and political reforms in Russia, and asserts that these reforms can happen through the reframing of cultural values, attitudes, and institutions. Cover design by Katie Makrie. *The Aftermath of War* Albert Simkus, 2016-04-01 At a time when most observers saw war in Europe as belonging to an ever more distant past, the wars of Yugoslav succession shattered this illusion. The direct and indirect consequences of these wars for people in the region are still not fully understood, but it is clear that the war has had far-reaching social and political consequences for each national society as a whole. This groundbreaking volume provides a series of analyses of experiences and social attitudes in the Western Balkans in the aftermath of those wars. Based on survey data from 22,000 respondents, the editors have created a volume which contributes to our understanding of both specific war-related effects as well as a detailed description of contemporary attitudes and values across these societies. This book will be of interest to academic specialists and students interested in the effects of war on psychological health and on ethnic relations in the Western Balkans, as well as how this

applies to other post conflict societies It will also be of interest to sociologists political scientists and historians studying differences in attitudes between the countries ethnic groups and generations in this region related to diverse topics from ethnic tolerance to states responsibility for equality and gender roles **Interactive Democracy** Carol C. Gould,2014-08-21

How can we confront the problems of diminished democracy pervasive economic inequality and persistent global poverty Is it possible to fulfill the dual aims of deepening democratic participation and achieving economic justice not only locally but also globally Carol C Gould proposes an integrative and interactive approach to the core values of democracy justice and human rights looking beyond traditional politics to the social conditions that would enable us to realize these aims Her innovative philosophical framework sheds new light on social movements across borders the prospects for empathy and solidarity with distant others and the problem of gender inequalities in diverse cultures and also considers new ways in which democratic deliberation can be enhanced by online networking and extended to the institutions of global governance Her book will be of great interest to scholars and upper level students of political philosophy global justice social and political science and gender studies *Gender-Competent Legal Education* Dragica Vujadinović,Mareike Fröhlich,Thomas Giegerich,2023-02-03

Male dominated law and legal knowledge essentially characterized the whole of pre modern history in that the patriarchy represented the axis of social relations in both the private and public spheres Indeed modern and even contemporary law still have embedded elements of patriarchal heritage even in the secular modern legal systems of Western developed countries either within the content of legislation or in terms of its implementation and interpretation This is true to a greater or lesser extent across legal systems although the secular modern legal systems of the Western developed countries have made great advances in terms of gender equality The traditional understanding of law has always been self evidently dominated by men but modern law and its understanding have also been more or less malestreamed Therefore it has become necessary to overcome the given maskulinity of legal thought In contemporary legal and political orders gender mainstreaming of law has been of the utmost importance for overcoming deeply and persistently embedded power relations and gender based unequal social relations At the same time and equally importantly the gender mainstreaming of legal education to which this book aims to contribute can help to gradually eliminate this male dominance and accompanying power relations from legal education and higher education as a whole This open access textbook provides an overview of gender issues in all areas of law including sociological historical and methodological issues Written for students and teachers around the globe it is intended to provide both a general overview and in depth knowledge in the individual areas of law Relevant court decisions and case studies are supplied throughout the book **The Oxford Handbook of Gender and Politics** Georgina Waylen,Karen Celis,Johanna Kantola,S. Laurel Weldon,2013-02-12

As a field of scholarship gender and politics has exploded over the last fifty years and is now global institutionalized and ever expanding The Oxford Handbook of Gender and Politics brings to political science an accessible and comprehensive overview of the key contributions of gender scholars to the study

of politics and shows how these contributions produce a richer understanding of politics and societies. Like the field it represents, the handbook has a broad understanding of what counts as political and is based on a notion of gender that highlights masculinities as well as femininities, thereby moving feminist debates in politics beyond the focus on women. It engages with some of the key aspects of political science as well as important themes in gender and feminist research such as sexuality and body politics, thereby forging a dialogue between gender studies in politics and mainstream political science. The handbook is organized in sections that look at sexuality and body politics, political economy, civil society, participation, representation, and policymaking, institutions, states, and governance, as well as nation, citizenship, and identity. The Oxford Handbook of Gender and Politics contains and reflects the best scholarship in its field. Global Catholicism, Tolerance and the Open Society Arno Tausch, Stanislaw Obirek, 2019-09-03. This book systematically assesses the political and social values of the more than 1.3 billion Catholics around the globe, by far the largest denomination of Western Christianity. Based on an extensive analysis of data from the World Values Survey and other global opinion surveys, the book sheds new light on the value systems and opinions of Roman Catholics. The authors highlight core problems and challenges the Church is currently facing in adapting to the modern world, including Catholic anti-Semitism, religious and sexual tolerance, and opinions towards democracy, while also offering an anthropological reflection on how well the Church is adapting or failing to adapt to the requirements of an open society. **Myths about Women's Rights** Feryal M. Cherif, 2015-06-01. Two conventional wisdoms dominate debates about why women's rights advance in some places but not others. While culture and religion are understood to be the primary barriers to gender equality efforts by international institutions, and women's groups to change social norms are often seen as the most effective way to reduce discrimination, this book introduces a third, often overlooked explanation: the core rights framework to account for how, where, and why women's rights advance. It argues that female labor force participation and education serve as building blocks or core rights for the advancement of other women's rights. Cultivating core rights is believed to spur group consciousness, ease collective action problems, and render women in a politically relevant group, thereby increasing the prospects that women's rights are represented in the polity. In examining the advancement of women's rights across four major areas: political, nationality, reproductive, and property rights, this book shows that the conventional wisdom about the role of international norms and culture is usually overstated and often incomplete. It also presents systematic evidence evaluating the effectiveness of different prescriptions for improving women's lives across a broad range of rights. **Women, Politics, and Power** Pamela Paxton, Melanie M. Hughes, Tiffany D. Barnes, 2020-03-17. *Women, Politics, and Power: A Global Perspective* provides a clear, detailed introduction to women's political participation and representation across a wide range of countries and regions. Through broad statistical overviews and detailed case study accounts, the authors document both historical trends and the contemporary state of women's political strength. Readers see the cultural, structural, political, and international influences on women's access to political power and the difference women

make once in political office The fourth edition includes the latest information available on women in politics around the world including current events as they have unfolded across the globe The newest thinking in the field is presented including on violence against women in politics Approach and Features Nine thematic chapters explain women s access to office in the executive legislative and judicial branches and why it matters Six chapters cover women s political power in specific geographic regions with recent research and events The book s intersectional perspective attends to the ways gender interacts with other forms of difference both throughout the volume and in a dedicated chapter A bounty of figures maps and tables provide visual accounts of the variations in women s access to political power around the world the growth in women s political power over time and persistent obstacles to gender equality in politics The Century of Women Maria

Bucur,2018-04-05 This innovative text explores the unprecedented changes in the realms of politics demography economics culture knowledge and kinship that women have brought about in the twentieth and twenty first centuries Global in reach the book provides a comparative analysis of developments worldwide to show both progress as well as new tensions and forms of inequality that have emerged out of women s entry into politics wage employment education and the production of culture Beginning with suffrage and moving to participation in international movements such as anti war labor and environmental rights activism Maria Bucur explores how women have transformed the operation of states and international institutions She focuses on the radical demographic shifts since 1900 through the prism of changing practices in women s sexuality from birth control practices to education Examining the continuing economic gender gap around the world Bucur highlights ways women have been both beneficiaries of new economic opportunities and participants in developing new forms of inequality Considering the remarkable achievements of women in the areas of knowledge making and cultural production the author shifts her gaze toward the future and what these changes mean in terms of gender norms and evolving kinship relations She thus presents a new perspective on contemporary world history centered on how women have become both the subjects and objects of seismic shifts in the political social and economic structures of societies across the globe **Double-Edged**

Politics on Women's Rights in the MENA Region Hanane Darhour,Drude Dahlerup,2019-10-11 While the Arab Uprisings presented new opportunities for the empowerment of women the sidelining of women remains a constant risk in the post revolutionist MENA countries Changes in the position of women are crucial to the reconfiguration of state society relations and to the discussions between Islamist and secular trends Theoretically framed and based on new empirical data this edited volume explores women s activism and political representation as well as discursive changes with a particular focus on secular and Islamic feminism and changes in popular opinions on women s position in society While the contributors express optimistic as well as more pessimistic views for the future they agree that this is a period of uncertainty for women in the region and that support by ruling elites towards women s rights remains ambiguous and double edged **Women's**

Employment in Muslim Countries Niels Spierings,2016-04-29 This book presents a new and nuanced exploration of the

position of women in Muslim countries based on research involving more than 300 000 women in 28 Muslim countries It addresses topical debates on the role of Islam modernization globalization neocolonialism educational inequalities patriarchy household hierarchies and more **Empowering Women after the Arab Spring** Marwa Shalaby,Valentine M.

Moghadam,2016-11-09 This book sheds light on some of the most critical issues impeding the advancement of women s rights post Arab Spring such as patriarchy barriers to women s agency in the legal and socioeconomic realms women s access to the decision making process citizenship rights and the impact of conflict on women s status It offers a distinct perspective that takes into account the diversity of the Arab world and presents a theoretical framework on the study of women s empowerment amid the transformations that have shaped the social and political fabrics of Arab societies Empowering Women after the Arab Spring represents cutting edge research from a variety of academic disciplines anthropology political science and sociology and presents comparative analyses from places including the United Arab Emirates Syria Egypt and Tunisia This volume offers one of the first systematic efforts to combine qualitative and quantitative research to draw a more accurate picture of the realities of Middle Eastern women **Firms, Boards and**

Gender Quotas Mari Teigen,Fredrik Engelstad,2012-02-10 Discusses gender quota reform from an economic political and philosophical point of view This title looks at whether the economic performance of companies is influenced positively or negatively It provides a comparative study of the access of women to top positions in business in Europe **Routledge**

Handbook of Cosmopolitanism Studies Gerard Delanty,2012-05-23 Over the past two decades there has been great interest in cosmopolitanism across the human and social sciences Where earlier it had largely been a term associated with moral and political philosophy cosmopolitanism has now become a widely used term in the social sciences It is now integral to much of cultural political and social analysis This is the first comprehensive survey in one volume of the interdisciplinary field of cosmopolitan studies With over forty chapters written by leading scholars of cosmopolitanism this book reflects the broad reception of cosmopolitan thought in a wide variety of disciplines and across international borders Both comprehensive and innovative in the topics covered the Handbook of Cosmopolitanism Studies is divided into four sections major theoretical debates where the emphasis is on recent developments cultural topics in the social sciences the politics of cosmopolitanism major world varieties of cosmopolitanism The Handbook answers the need to take modern cosmopolitanism out of its exclusive western context and relate it to the historical experiences of other world cultures This is a major work in defining the emerging field of cosmopolitanism studies Throughout there is a strong emphasis on interdisciplinarity with essays covering philosophy literary theory history international relations anthropology communications studies and sociology The Handbook s clear and comprehensive style will appeal to a wide undergraduate audience across the social sciences and humanities **Modernization as Lived Experiences** Fengshu Liu,2019-11-07 This book examines in a culturally and

contextually sensitive way the particularity of what it means to be young in post Mao China undergoing rapid and dramatic

transformation by comparing childhood and youth experiences over three generations The analysis draws on life history interviews with Beijing young men and women in their last upper secondary year their parents and their grandparents The book offers a comprehensive coverage of the various aspects of life pertinent to youth experiences and compares each of these across three generations treating them as interrelated and mutually affecting processes childhood intergenerational relationships education and future plans gender and sexuality By offering both men s and women s accounts of their childhood and youth experiences which for the three generations combined extend over nearly a century the book sheds useful light on how gender and sexuality have evolved in China Fengshu Liu concludes that the young generation s lives feature a maximization desire in sharp contrast to the two older generations childhood and youth experiences The book meticulously weaves rich ethnographic details and individual life stories into a larger and unfolding picture of historical social and cultural trends while providing critical insight into Chinese modernization and modernity against the backdrop of globalization It can thus be an enjoyable read also for people beyond the academia interested in China s social and cultural transformation and its children and youth

Political Realignment Russell J. Dalton, 2018 This volume examines how social modernization has changed the framework of political competition for citizens and political parties in affluent democracies and discusses the electoral and political implications of these trends

Emerging Adulthood in Hong Kong Chau-kiu Cheung, 2017-09-22 How emerging adults broadly referring to those aged from 18 to 29 years old fare in civic engagement as compared with other adults is the focus of the present work The work takes civic engagement to comprise prosociality in civil society sustaining social institutions and challenging institutions Delineating a theoretical framework based on voluntaristic theory the work expects to find differences in civic engagement due to the voluntaristic mechanisms of power realization utilitarian optimization normative conformity and idealistic consistency maintenance in the emerging adult as compared with the other Using survey data from 25 878 Chinese adults in Hong Kong the work illustrates that the emerging adult is higher than is the other in challenging social institutions notably in terms radicalism and occupying protest Moreover the emerging adult is less prosocial in terms in community participation Meanwhile the emerging adult is not consistently different from the other in sustaining social institutions The findings are crucial given the control various background characteristics including age education marriage and employment These findings are therefore useful for illustrating social forces postulated in voluntaristic theory for explaining civic engagement

When people should go to the books stores, search establishment by shop, shelf by shelf, it is essentially problematic. This is why we provide the ebook compilations in this website. Rising Tide Gender Equality And Cultural Change Around The World Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rising Tide Gender Equality And Cultural Change Around The World PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rising Tide Gender Equality And Cultural Change Around The World PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rising Tide Gender Equality And Cultural Change Around The World free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rising Tide Gender Equality And Cultural Change Around The World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rising Tide Gender Equality And Cultural Change Around The World is one of the best book in our library for free trial. We provide copy of Rising Tide Gender Equality And Cultural Change Around The World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rising Tide Gender Equality And Cultural Change Around The World. Where to download Rising Tide Gender Equality And Cultural Change Around The World online for free? Are you looking for Rising Tide Gender

Equality And Cultural Change Around The World PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rising Tide Gender Equality And Cultural Change Around The World. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rising Tide Gender Equality And Cultural Change Around The World are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rising Tide Gender Equality And Cultural Change Around The World. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rising Tide Gender Equality And Cultural Change Around The World To get started finding Rising Tide Gender Equality And Cultural Change Around The World, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rising Tide Gender Equality And Cultural Change Around The World So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Rising Tide Gender Equality And Cultural Change Around The World. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rising Tide Gender Equality And Cultural Change Around The World, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rising Tide Gender Equality And Cultural Change Around The World is available in our book collection an online access to it is set as public so you can download it instantly.
