Rite Of Passage Steve McCoy,2020-11-03 The narrative is one of transforming from a naive teen HS graduate to a member of the US Navy the American military This all occurred during a transformative time in generational attitudes and a transformative time in history The timeline is the summer of 1967 the summer when everyone wore flowers in their hair and burned their draft cards In the sixties it was common practice for working class teens to either pursue a job somewhere with benefits or join the military College was for suburban kids I being a Chicago kid figured that I was a fairly smart guy and could learn a technical skill in the military so I set my sights on that path after graduation Because the Vietnam War was being fought and was a hot war at that the branch of the military that sounded safest to me was the navy So I found myself at a recruiter s office three months before graduation so that I could go from cap and gown to bell bottomed pants in no time at all I would have to describe my boot camp experience as fun As I said I was naive and had absolutely no expectations went with the flow and had fun observing the process of turning a bunch of unruly teenagers for the most part into a disciplined group of sailors I was also aware of the Vietnam War a war that I may very well be a part of It was a war that I didn t have a very strong opinion of at the time but one that I felt was evolving A lot of people relate 1969 to the seminal year with the Vietnam war like that was the year the younger generation started to notice the war In my mind the year 1969 is when the generational attitudes toward the war boiled over We were burning draft cards in 1967 we were protesting my generation was becoming counter culture hippies The Jefferson Airplane was introducing my generation to recreational drugs Scott McKenzie was telling us to wear flowers in our hair The year 1967 was 1969 lite **Instructor's Manual to Accompany Thompson and Hickey Society in Focus, Second Edition** Jerry Middleton Lewis,1996 *Instructor's Manual to Accompany Writing Research Papers* James D.
