counter-revolution ; Vol. 3: The triumph of the Soviets Lev Trotskij,1980 *The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture* Jay Bergman,2019-08-14 Because they were Marxists the Bolsheviks in Russia both before and after taking power in 1917 believed that the past was prologue that embedded in history was a Holy Grail a series of mysterious but nonetheless accessible and comprehensible universal laws that explained the course of history from beginning to end Those who understood these laws would be able to mould the future to conform to their own expectations But what should the Bolsheviks do if their Marxist ideology proved to be either erroneous or insufficient if it could not explain or explain fully the course of events that followed the revolution they carried out in the country they called the Soviet Union Something else would have to perform this function The underlying argument of this volume is that the Bolsheviks saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked In fact these four events comprised what for the Bolsheviks was a genuine Revolutionary Tradition The English Revolution and the Puritan Commonwealth of the seventeenth century were not without utility the Bolsheviks cited them and occasionally utilized them as propaganda but these paled in comparison to what the revolutions in France offered a century later namely legitimacy inspiration guidance in constructing socialism and communism and not least useful fodder for political and personal polemics **The Russian Revolution** Lev Davidovič Trockij,1989 The Russian Revolution Leon Trotsky,1989 First published in English in 1932 Max Eastman s translation of this intrinsic historical text was established among the all time classics of historical writing Reprinted here are Trotsky s chapters describing the twin revolutions of February and October 1917 Omitted chapters are carefully summarized by Dupee and original glossaries and indexes have been retained *The Russian Revolution* Lev Davidovič Trockij (álnév),1959
