Russian Crossroads Toward The New Millennium:

Russian Crossroads Yevgeny Primakov, 2008-10-01 A prominent Russian politician who served as prime minister foreign minister and head of foreign intelligence during the 1990s Yevgeny Primakov has been part of all vital decisions on Russian domestic and foreign policy for the past two decades His memoir is both an insider's account of post perestroika Russian politics and a statement from a representative of the enlightened Russian establishment on their nation's relationship with America and the world Primakov is a specialist in the Middle East and his personal involvement in the problems of that region make his commentary particularly valuable as he articulates Russia's view of the conflicts there and its stance toward Iraq Israel and Palestine Primakov also offers pertinent opinions on the Gulf War NATO enlargement spying and other aspects of contemporary international relations and he gives personal assessments of a wide variety of major players from Saddam Hussein and Yassir Arafat to Madeleine Albright and Bill Clinton Providing behind the scenes information about government shake ups in Moscow the history of speculative privatizations the formation of the new political and economic oligarchy and much more this book will be an invaluable aid to political analysts historians and anyone interested in Russia's recent past and future plans

Palestine in EU and Russian Foreign Policy Malath Alagha, 2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East However over a decade after the creation of the road map the establishment of an independent Palestinian state has still not been achieved Palestine in EU and Russian Foreign Policy uses the school of constructivism to provide a new understanding of EU and Russian foreign policy It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process The book then analyses the role of identity and self other perception in the making of EU and Russian foreign policy towards the Middle East peace process It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement Offering a new understanding of foreign policy making by global players in Middle Eastern politics this book will appeal to students scholars and policymakers working in International Relations and European Russian and Middle Eastern studies

Putin Confronts the West René De La Pedraja, 2021-03-09 Russia's surprising return to the world stage since 2000 has aroused the curiosity if not the fear of the West Gradually the Kremlin went from a policy of deference to foreign powers to acting with independence The driver of this transformation was President Vladimir Putin who with skillful caution navigated Russia back into the ranks of global powers In theaters of conflict such as Georgia Syria and Ukraine the Kremlin won significant victories at little cost to consolidate its decisive position Following a chronological approach from the fall of the Soviet Union to the present this book draws on new documents to describe how Russia regained its former global

prominence Clear accounts of key decisions and foreign policy events many presented for the first time provide important insights into the major confrontations with the West Cold War Carole K. Fink,2021-11-29 Now in its third edition Cold War provides an accessible and comprehensive account of the decades long conflict between two nuclear armed Superpowers during the twentieth century This book offers a broader timeline than any other Cold War text charting the lead up to the conflict from the Russian Revolution to World War II providing an authoritative narrative and analysis of the period between 1945 and 1991 and scrutinizing the 30 year aftermath including the prospect of a new Cold War In this new edition Carole K Fink provides new insights and perspectives on key events with an emphasis on people power and ideas The third edition covers developments in Africa Asia the Middle East and Latin America as well as in Europe It also includes Eleven new or revised maps that illustrate the global reach of the long conflict An extended chronology that includes recent international events A discussion of the post Cold War roles of the US Russia and China in world politics An updated bibliography reflecting new scholarship in Cold War and post Cold War history Cold War is the consummate book on this complex twentieth century rivalry and will be of interest to students of contemporary US and international history and history enthusiasts alike *Nationalism and Democracy* André Lecours,Luis Moreno,2010-02-25 This book sheds light on the complicated multi faceted relationship between nationalism and democracy by examining how nationalism in various periods and contexts shapes or is shaped by democratic practices or the lack thereof This book examines nationalism s relationship with democracy using three approaches The challenge of democracy for sub state nationalism analyzing the circumstances under which sub state nationalism is compatible with democracy and assessing the democratic implications of various nationalist projects The impact of state nationalism on democratic practices examining the implications of state nationalism for democracy both in countries where liberal democratic principles and practices are well established and where they are not Understanding how state nationalism affects democratization processes and what impact sub state nationalism has in these contexts Featuring a range of case studies on Western Eastern and Central Europe Russia African and the Middle East this book will be of interest to students and scholars of political science sociology nationalism and democracy The Eastern International Masha Kirasirova,2024 The Eastern International traces how the concept East Vostok was used by the world s first communist state and its mediators to project channel and contest power across Eurasia It highlights the roles played in this process by Jewish activists Arab intellectuals and Central Asian politicians and artists EU and NATO Relations with Russia Glenn Diesen,2016-03-09 Do the EU and NATO threaten Russian security The book explores the rise of these exclusive inter democratic security institutions after the collapse of the Soviet Union and the ensuing effects on relations with Russia Two competing theories are tested to explore whether these institutions aggravate or mitigate the security dilemma with Russia These institutions can be theorised to promote security as a positive sum game through European integration and democracy promotion or pursue collective hegemony with ideologically uncompromising

bloc politics Glenn Diesen argues that a European security architecture that demotes the largest state on the continent to an object of security inevitably results in European integration becoming a zero sum geopolitical project that has set the West on a collision course with Russia Exploring the Implications of Local and Regional Conflicts Pietrzak, Piotr, 2024-12-05 In today's turbulent global landscape the proliferation of local and regional conflicts presents a formidable challenge to policymakers and scholars alike From the War in Yemen to the Civil War in Syria these conflicts not only have a devastating toll on human lives but also threaten the stability of the international order As the world grapples with the complexities of post Cold War geopolitics there is an urgent need for a comprehensive framework to understand and address these pressing issues Exploring the Implications of Local and Regional Conflicts is a groundbreaking resource meticulously curated for academics and professionals in current affairs and security studies This essential volume offers a multidimensional analysis of critical conflicts shedding light on their underlying dynamics and implications for global power dynamics Drawing from disciplines such as geoeconomics geopolitics and security studies it equips readers with the analytical tools needed to navigate the complexities of this turbulent world **Russian Strategic Thought toward Asia** Gilbert Rozman, Kazuhiko Togo, 2006-11-27 The book explains the Putin era's ambivalent approach to Asia and finds lessons from earlier approaches worthy of further attention The overview compares how strategic thinking evolved while reflecting on factors that shaped it Emotional Choices Robin Markwica, 2018 This book examines coercive diplomacy and presents a theory of emotional choice to analyse how affect enters into decision making
