Russian Novelists In The Age Of Tolstoy And Dostoevsky:

Russian Novelists in the Age of Tolstoy and Dostoevsky J. Alexander Ogden, Judith E. Kalb, 2001 Provides a detailed portrait of the styles concerns and historical involvement of the novel in Russia in the second half of the nineteenth century representing an artistic range from master stylists to those who were more a part of popular culture and are important as a reflection of the flavor of the era rather than as artistic exemplars

A History of Russian Literature Andrew Kahn, Mark Naumovich Lipovetskiĭ, Irina Reyfman, Stephanie Sandler, 2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

The Cambridge Introduction to Russian Literature Caryl Emerson, 2008-07-10 Russian literature arrived late on the European scene Within several generations its great novelists had shocked and then conquered the world In this introduction to the rich and vibrant Russian tradition Caryl Emerson weaves a narrative of recurring themes and fascinations across several centuries Beginning with traditional Russian narratives saints lives folk tales epic and rogue narratives the book moves through literary history chronologically and thematically juxtaposing literary texts from each major period Detailed attention is given to canonical writers including Pushkin Gogol Dostoevsky Tolstoy Chekhov Bulgakov and Solzhenitsyn as well as to some current bestsellers from the post Communist period Fully accessible to students and readers with no knowledge of Russian the volume includes a glossary and pronunciation guide of key Russian terms as well as a list

of useful secondary works The book will be of great interest to students of Russian as well as of comparative literature [A History of Russian Thought](#) William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history **Reframing Russian Modernism** Irina Shevelenko, 2018-12-11 Presenting a multifaceted portrait of modernist culture in Russia an array of distinguished scholars shows how artists and writers in the early twentieth century engaged with politics science and religion At a time when many Russian social institutions looked to the past modernist arts powerfully amplified a gamut of new ideas about individual and collective transformation Expanding upon prior studies that focus more specifically on literary manifestations of the movement Reframing Russian Modernism features original research that ranges broadly from political aesthetics to Darwinism to yoga These unique complementary perspectives counter reductionism of any kind integrating the study of Russian modernism into the larger body of humanistic scholarship devoted to modernity **Virginia Woolf's Portraits of Russian Writers** Darya Protopopova, 2019-02-05 Virginia Woolf always stayed ahead of her time Championing gender equality when women could not vote publishing authors from Pakistan France Austria and other parts of the world while nationalism in Britain was on the rise and befriending outcasts and social pariahs As such what could have possibly interested her in the works of nineteenth century Russian writers austere and at times misogynistic thinkers preoccupied with peasants priests and paroxysms of the soul This study explains the chronological and cultural paradox of how classic Russian fiction became crucial to Woolf's vision of British modernism We follow Woolf as she begins to learn Russian invents a character for a story by Dostoevsky ponders over Sophia Tolstoy's suicide note and proclaims Chekhov a truly modern writer The book also examines British modernists' fascination with Russian art looking at parallels between Roger Fry's articles on Russian Post Impressionists and Woolf's essays on Chekhov Dostoevsky Tolstoy and Turgenev **Russian Writers Since 1980** Marina Balina, Mark Naumovich Lipovetskiĭ, 2004 Focuses on the highly diverse and controversial literary and cultural life in Russia during the last twenty years of the past century Major shifts on the political scene influenced Russian literature of these past two decades Literature managed to find in the political and historical turbulence of this period a source of powerful artistic insight [Wonder Confronts Certainty](#) Gary Saul Morson, 2023-05-16 A noted

literary scholar traverses the Russian canon exploring how realists idealists and revolutionaries debated good and evil moral responsibility and freedom Since the age of Tolstoy Dostoevsky and Chekhov Russian literature has posed questions about good and evil moral responsibility and human freedom with a clarity and intensity found nowhere else In this wide ranging meditation Gary Saul Morson delineates intellectual debates that have coursed through two centuries of Russian writing as the greatest thinkers of the empire and then the Soviet Union enchanted readers with their idealism philosophical insight and revolutionary fervor Morson describes the Russian literary tradition as an argument between a radical intelligentsia that uncompromisingly followed ideology down the paths of revolution and violence and writers who probed ever more deeply into the human condition The debate concerned what Russians called the accursed questions If there is no God are good and evil merely human constructs Should we look for life s essence in ordinary or extreme conditions Are individual minds best understood in terms of an overarching theory or as Tolstoy thought by tracing the tiny alternations of consciousness Exploring apologia for bloodshed Morson adapts Mikhail Bakhtin s concept of the non alibi the idea that one cannot escape or displace responsibility for one s actions And throughout Morson isolates a characteristic theme of Russian culture how the aspiration to relieve profound suffering can lead to either heartfelt empathy or bloodthirsty tyranny What emerges is a contest between unyielding dogmatism and open minded dialogue between heady certainty and a humble sense of wonder at the world s elusive complexity a thought provoking journey into inescapable questions

Literary Journals in Imperial Russia Deborah A. Martinsen, 1997 Given the restrictions on political action and even political discussion in Russia Russian literary journals have served as the principal means by which Russia discovered defined and shaped itself Every issue of importance for literate Russians social economic literary made its appearance in one way or another on the pages of these journals and virtually every major Russian novel of the nineteenth century was first published there in serial form **Literary Journals in Imperial Russia** a collection of essays by leading scholars originally published in 1998 was the first work to examine the extraordinary history of these journals in imperial Russia The major social forces and issues that shaped literary journals during the period are analysed detailed accounts are provided of individual journals and journalists and descriptions are offered of the factors that contributed to their success
