Michigan Christian Advocate ,1909 Catholics, Conflicts and Choices Angela Coco,2014-09-12 Many Catholics today are disenchanted with the Church s continuing distrust of women and laity But despite this widespread dissatisfaction traditional power relations have hardly changed over the last century *Catholics Conflicts and Choices* presents detailed interviews with lay people priests Sisters and Christian Brothers each discussing their personal struggles with church teachings and practices The conversations are selected to illustrate different experiences of power relations particularly

different aspects of gender dynamics within the organisational structures of the Church. The interviews are examined within a framework of feminist sociological and psychological theory.
