

7 Listen and repeat. 032 Then ask and answer.

- Focus on the conversation. Play the recording, pausing after each line for students to repeat.
- Model exchanges with volunteers. Encourage the volunteers to choose different toys from exercise 2.
- Students work in pairs. They take turns to ask and answer questions about their favourite toys, using the conversation in their Student Book as a model.
- Walk around the classroom, helping and correcting where necessary. Make a note of any problems to address with the class.

Assessment for learning

- Time for feedback! Ask the class, in their own language, *How do you feel about the new words for toys?* Using your usual feedback routine (see Assessment for learning page 123), ask students to show you whether they understand the new language or whether they need more help.
- For further practice of new words, play more flashcard games (see Ideas bank page 142).

Team Up! 1

- Students work in groups. They ask each other what their favourite toy is, then either each draw their favourite toy or cut out the corresponding toys from template 1 of the worksheet. They stick their pictures on a piece of paper to make a collage. Students can give their collage a title and write labels for their toys. Students then hold up their collage, point to their pictures and say *My favourite toy is ...*. Note: Have extra copies of the template ready in case more than one child in a group has the same favourite toy.

Workbook

1 Read and number.

- Students read the words and number the matching toys in the picture.

ANSWERS

boat 1 kite 2 plane 3 teddy 4 robot 5 board game 6 skipping rope 7 ball 8

2 Write.

- Students look at the pictures and write the words.

ANSWERS

1 skipping rope 2 robot 3 teddy 4 boat
5 board game 6 plane 7 ball 8 kite

3 What is it? Write.

- Students look at the puzzle pieces and work out what toy each puzzle piece shows. They then write the sentences.

ANSWERS

1 It's a boat.
2 It's a kite.
3 It's a plane.
4 It's a ball.
5 It's a teddy.
6 It's a robot.

4 Write.

- Students read the questions, look at the pictures and write the answers. They can use exercise 7 on page 19 of their Student Book for help with the functional language.

ANSWERS

1 It's a board game.
2 It's a robot.
3 It's a kite.
4 It's a teddy.
5 It's a plane.
6 It's a skipping rope.

Assessment for learning

Write the word *toys* on the board. Tell students to take out their traffic light cards. Ask the class how well they think they can talk about toys. Students hold up the traffic light card that shows how confident they feel. Students then complete the record sheet to assess their learning for the lesson.

Lesson 2: Grammar

Learning objective

Students will be able to talk about toys they have and haven't got.

Language

Affirmative and negative (I've / I haven't): I've got a (boat). / I haven't got a (boat).

Warm up

- Play a game of Number words (see Ideas bank page 142) with the lesson flashcards to review the toys vocabulary from lesson 1.

Lead-in

- Write the word *toys* on the board and ask students if they remember what it means.
- Tell the class, in their own language, that today they will learn how to talk about what toys they have and haven't got.
- Write *I've got ...* and a tick on one side of the board and *I haven't got ...* and a cross on the other side.
- Show the lesson flashcards one by one and elicit the words for the toys from the class. Repeat students' answers using the lesson grammar, e.g. *I've got a (ball)*, or *I haven't got a (kite)*, referring to yourself. As you do so, stick each flashcard on the correct side of the board.

Student Book

1 Listen and follow. 033 Then act.

- Focus on the pictures in the grammar cartoon. Choose students to identify the characters (May and Nina) and say what they can see.
- Play the recording for students to listen and follow the story. Then model each sentence for students to repeat chorally.
- Choose students and ask *Who has got a boat? Who hasn't got a boat?*
