**Words Alone** Robert Fitzroy Foster, 2011 W B Yeats is usually seen as a great innovator who put his stamp so decisively on modern Irish literature that most of his successors worked in his shadow R F Foster's eloquent and authoritative book weaves together literature and history to present an alternative perspective By returning to the rich seed bed of nineteenth century Irish writing *Words Alone* charts some of the influences including romantic national tales in post Union Ireland the poetry and polemic of the Young Ireland movement the occult and supernatural novels of Sheridan LeFanu William Carleton's peasant fictions and fairy lore and folktale collectors that created the unique and powerful Yeatsian voice of the decade

from 1885 to 1895 As well as placing these literary movements in a vivid contemporary context of politics polemic and social tension Foster discusses recent critical and interpretive approaches to these phenomena He shows that the use Yeats made of his predecessors during his apprenticeship and the part that a self conscious use of Irish literary tradition played in the construction of his path breaking early work as he attempted to hammer his thoughts into a unity made him an inheritor as much as an inventor

*Last Words* Karl S. Guthke,1992-10-30 Whether Goethe actually cried More light on his deathbed or whether Conrad Hilton checked out of this world after uttering Leave the shower curtain on the inside of the tub last words regardless of authenticity have long captured the imagination of Western society In this playfully serious investigation based on factual accounts anecdotes literary works and films Karl Guthke explores the cultural importance of those words spoken at the border between this world and the next The exit lines of both famous and ordinary people embody for us a sense of drama and truthfulness and reveal much about our thoughts on living and dying Why this interest in last words Presenting statements from such figures as Socrates Nathan Hale Marie Antoinette and Oscar Wilde I am dying as I have lived beyond my means Guthke examines our fascination in terms of our need for closure our desire for immortality and our attraction to the mystique of death scenes The author considers both authentic and invented final statements as he looks at the formation of symbols and legends and their function in our culture Last words handed down from generation to generation like cultural heirlooms have a good chance of surviving in our collective memory They are shown to epitomize a life convey a sense of irony or play to an audience as in the case of the assassinated Mexican revolutionary Pancho Villa who is said to have died imploring journalists Don't let it end like this Tell them I said something Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Household Words* : ,1851 *Icelandic Authors of To-day* Halldór Hermannsson,1913 **Dictionary of Obsolete and Provincial English, Containing Words from the English Writers Previous to the Nineteenth Century ... and Words which are Now Used Only in the Provincial Dialects** Thomas Wright,1857
