Sbc Conservative Take Over Not A Make Over:

SBC Conservative "take-over" Not a "make-over" Shelton L. Smith,1997 *Mainstreaming Fundamentalism* Keith Bates,2023-08-18 In *Mainstreaming Fundamentalism* John R Rice and *Fundamentalism's Public Reemergence* Keith Bates embarks on a thematic and chronological exploration of twentieth century Baptist fundamentalism in postwar America sharing the story of a man whose career intersected with many other leading fundamentalists of the twentieth century such as J Frank Norris Bob Jones Sr Bob Jones Jr and Jerry Falwell Unique among histories of American fundamentalism this book explores the theme of Southern fundamentalism's reemergence through a biographical lens John R Rice's mission to inspire a broad cultural activism within fundamentalism particularly by opposing those who fostered an isolationist climate would give direction and impetus to the movement for the rest of the twentieth century To support this claim Bates presents chapters on Rice's background and education personal and ecclesiastical separatism and fundamentalism and political action tracing his rise to leadership during a critical phase of fundamentalism's development until his death in 1980 Bates draws heavily upon primary source texts that include writings from Rice's fundamentalist contemporaries his own *The Sword of the Lord* articles and his private papers particularly correspondence with many nationally known preachers local pastors and laypeople over more than fifty years of Rice's ministry The incorporation of these writings combined with Bates's own conversations with Rice's family facilitate a deeply detailed engaging examination that fills a significant gap in fundamentalist history studies *Mainstreaming Fundamentalism* John R Rice and *Fundamentalism's Public Reemergence* provides a nuanced and insightful study that will serve as a helpful resource to scholars and students of postwar American fundamentalism Southern fundamentalism and Rice's contemporaries *That's My Crowd!* Shelton L. Smith,2004 In the religious climate of today it is important to know what God says our crowd should be Through the use of well over two hundred passages of scripture Dr Shelton Smith defines the fundamental crowd for us Evaluating our crowd by the standard of the Word of God may sometimes cost us some friends and they may accuse us of abandoning them But our separation from them will not be because the Bible has changed It will be because they have hoisted anchor and drifted with the winds Make sure you are sailing in safe waters with the right crowd *Rise of Baptist Republicanism* Oran P. Smith,2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision *At Home and Abroad* Elizabeth Shakman Hurd,Winnifred Fallers Sullivan,2021-03-02 From right to left notions of religion and religious freedom are fundamental to how many Americans have understood their country and themselves Ideas of religion politics and the interplay between them are no less crucial to how the United States has engaged with the world beyond its borders Yet scholarship on American religion tends to bracket the domestic and

foreign despite the fact that assumptions about the differences between ourselves and others deeply shape American religious categories and identities At Home and Abroad bridges the divide in the study of American religion law and politics between domestic and international bringing together diverse and distinguished authors from religious studies law American studies sociology history and political science to explore interrelations across conceptual and political boundaries They bring into sharp focus the ideas people and institutions that provide links between domestic and foreign religious politics and policies Contributors break down the categories of domestic and foreign and inquire into how these taxonomies are related to other axes of discrimination asking questions such as What and who counts as home or abroad how and by whom are these determinations made and with what consequences Offering a new approach to theorizing the politics of religion in the context of the American nation state At Home and Abroad also interrogates American religious exceptionalism and illuminates imperial dynamics beyond the United States

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a

commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

The Southern Baptist Convention and the Judgement of History Luther E. Copeland, 2002-07-03 Without revealing when the original was published Copeland says he has incorporated subsequent events and has clarified his argument that taking the wrong side of the slavery issue was not the Convention s only error but merely its most pernicious He continues to assert that the position not only contributes to ongoing racism but also has possible effects on foreign missions relations with American Baptists responses to the ecumenical movement the treatment of women and attempts to enforce orthodoxy of belief He was a Baptist missionary

I Aim to Be That Man Sherrie Willis Brown, 2018-07-29 D L Moody once heard Henry Varley say The world has yet to see what God will do with a man fully consecrated to Him Moody was struck to his soul and when the words would not leave him responded By God s help I aim to be that man When God called Avery to follow him as a true disciple Avery knew he must make a similar commitment or remain a mediocre Christian for the rest of his life His surrender and his filling of the Spirit initiated a spiritual life of impact with global results Avery Willis is well known especially within the Southern Baptist denomination for his involvement in movements of God over the past fifty years Avery Willis s obedience to God led him to be a church planter in the United States and to strive for indigenous church planting in Indonesia where he served as a missionary He was a pioneer and leader in spiritual renewal disciple making decentralized theological education global mission partnerships and chronological Bible storying He is a well known author most notably of the MasterLife discipleship materials This biography written memoir style through his own journals letters and newsletters to his intercessors recounts Avery s life journey his spiritual encounters and struggles and the daily habits that Avery demonstrated as a disciple It is less about his greatest moments than the personal daily choices to follow God with all his heart It is the story of a man committed to God s purposes and passion to bring as many people of the world as possible to God s redemptive grace in Jesus regardless of the cost

God's Own Party Daniel K. Williams, 2012-07-12 In God s Own Party Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation

Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God s Word has been attacked throughout church history Today s assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God s inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on

Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever

Southern Baptist Politics Arthur Emery Farnsley, II, 2010-11 Unlike other recent studies of the Southern Baptists Southern Baptist Politics was written after the culmination of the Baptist battles of the 1980s when Fundamentalists had effectively taken control of the denomination It also considers the SBC not simply as a denomination but as an organization with characteristics similar to other voluntary associations in American society an approach that promises to be useful for the study of other religious groups in America Arthur Farnsley concludes that the SBC as an American denomination had within itself the seeds of pragmatism and individualism that characterize most American voluntary organizations Of primary interest to Farnsley are the crucial issues of authority and power Taking his cue from Paul Harrison's classic study Authority and Power in the Free Church Tradition Farnsley considers how authority has traditionally been exercised within the SBC and how Fundamentalists maneuvered within this existing authority structure to seize power According to Farnsley disgruntled Fundamentalists soon discovered that they could exploit the democratic elements within the SBC polity to their advantage So successful were they in their efforts that by 1990 all significant leadership positions within the denomination were filled by Fundamentalists thus enabling them to take and hold institutional power The lessons of Southern Baptist Politics extend beyond this one denomination By using the Southern Baptists as a case study Farnsley asks what the SBC controversy can tell us about religious organizations in America about dealing with cultural pluralism and about institutional means for creating change

Judgment and Grace in Dixie Charles Reagan Wilson, 2007-06-01 Religion has permeated nearly every aspect of modern southern culture in the US with results that range from portraits of Jesus on black velvet to the soul stirring orations of Martin Luther King Jr This work gives an appraisal of religion's influence on such expressions of regional life as literature music and folk art

One Faith No Longer George Yancey, Ashlee Quosigk, 2021-07-06 Irreconcilable differences drive the division between progressive and conservative Christians is there a divorce coming Much attention has been paid to political polarization in America but far less to the growing schism between progressive and conservative Christians In this groundbreaking new book George Yancey and Ashlee Quosigk offer the provocative contention that progressive and conservative Christianities have diverged so much in their core values that they ought to be thought of as two separate religions The authors draw on both quantitative data and interviews to uncover how progressive and conservative Christians determine with whom they align themselves religiously and how they distinguish themselves from each other They find that progressive Christians emphasize political agreement relating to social justice issues as they determine who is part of their in group and focus less on theological agreement Among conservative Christians on the other hand the major concern is whether one agrees with them on core theological points Progressive and conservative Christians thus use entirely different factors in determining their social identity and moral values In a time when religion and politics have never seemed so intertwined One Faith No Longer offers a timely and compelling reframing

of an age old conflict
