

Scars of War

The Impact of Warfare on Modern China

Edited by Diana Lary and Stephen MacKinnon

Scars Of War The Impact Of Warfare On Modern China

Harold Miles Tanner

Scars Of War The Impact Of Warfare On Modern China:

The Scars of War Diana Lary, Stephen R. MacKinnon, 2001 Throughout its modern history China has suffered from immense destruction and loss of life from warfare In its worst periods of warfare the eight years of the Anti Japanese War 1937 45 millions of civilians lost their lives But in China the story of modern war related death and suffering has remained hidden The Rape of Nanking is beginning to be known but hundreds of other massacres are still unrecognized by the outside world and even by China itself The focus of *Scars of War* is the social and psychological not the economic costs of war on the country The book is illustrated with contemporary photographs and woodblock prints Each chapter is introduced by a traditional Chinese saying cheng yu on warfare

Scars of War Diana Lary, Stephen MacKinnon, 2011-11-01 Throughout its modern history China has suffered from immense destruction and loss of life from warfare In its worst periods of warfare the eight years of the Anti Japanese War 1937 45 millions of civilians lost their lives For China the story of modern war related death and suffering has remained hidden The Rape of Nanking is beginning to be known but hundreds of other massacres are still unrecognized by the outside world and even by China itself The focus of *The Scars of War* is the social and psychological not the economic costs of war on the country The book is illustrated with contemporary photographs and woodblock prints Each chapter is introduced by a traditional Chinese saying cheng yu on warfare

Victorious in Defeat Alexander V. Pantsov, 2023-01-01 An extensively researched comprehensive biography of Chinese Nationalist leader Chiang Kai shek one of the twentieth century s most powerful and controversial figures Chiang Kai shek 1887 1975 led the Republic of China for almost fifty years starting in 1926 He was the architect of a new republican China a hero of the Second World War and a faithful ally of the United States Simultaneously a Christian and a Confucian Chiang dreamed of universal equality yet was a perfidious and cunning dictator responsible for the deaths of over 1 5 million innocent people This critical biography is based on Chiang Kai shek s unpublished diaries his extensive personal files from the Russian archives and the Russian files of his relatives associates and foes Alexander V Pantsov sheds new light on the role played by the Russians in Chiang s rise to power in the 1920s and throughout his political career and indeed the Russian influence on the Chinese revolutionary movement as a whole as well as on Chiang s complex relationship with top officials of the United States It is a detailed portrait of a man who ranks with Stalin Roosevelt Hitler Churchill and Gandhi as leaders who shaped our world

Women and Politics in Wartime China Vivienne Xiangwei Guo, 2018-12-07 Focusing on Chinese elite women as a special socio political group this book places the sophisticated networks they formed in the shifting geographical social cultural and political spaces of wartime China where their political engagement knowledge making and network building in support of national resistance and reconstruction kangzhan jianguo unfolded By examining the emergence development integration and transformation of these networks as an unsettled fragmented process a process that lasted through the extended wars and upheavals in China from the 1930s to the 1950s and that moves beyond party ideologies and geopolitical borders the book

seeks to explore the dynamics of war politics and gender in the broader context of the Second World War **China: A History** Harold Miles Tanner, 2009-03-13 A deep and rigorous yet eminently accessible introduction to the political social and cultural development of imperial Chinese civilisation this volume develops a number of important themes such as the ethnic diversity of the early empires that other editions omit entirely or discuss only minimally Includes a general introduction chronology bibliography illustrations maps and an index Japan's Imperial Army Edward J. Drea, 2016-05-03 Popular impressions of the imperial Japanese army still promote images of suicidal banzai charges and fanatical leaders blindly devoted to their emperor Edward Drea looks well past those stereotypes to unfold the more complex story of how that army came to power and extended its influence at home and abroad to become one of the world's dominant fighting forces This first comprehensive English language history of the Japanese army traces its origins evolution and impact as an engine of the country's regional and global ambitions and as a catalyst for the militarization of the Japanese homeland from mid nineteenth century incursions through the end of World War II Demonstrating his mastery of Japanese language sources Drea explains how the Japanese style of warfare burnished by samurai legends shaped the army narrowed its options influenced its decisions and made it the institution that conquered most of Asia He also tells how the army's intellectual foundations shifted as it reinvented itself to fulfill the changing imperatives of Japanese society and how the army in turn decisively shaped the nation's political social cultural and strategic course Drea recounts how Japan devoted an inordinate amount of its treasury toward modernizing professionalizing and training its army which grew larger more powerful and politically more influential with each passing decade Along the way it produced an efficient military schooling system a well organized active duty and reserve force a professional officer corps that thought in terms of regional threat and well trained soldiers armed with appropriate weapons Encompassing doctrine strategy weaponry and civil military relations Drea's expert study also captures the dominant personalities who shaped the imperial army from Yamagata Aritomo an incisive geopolitical strategist to Anami Korechika who exhorted the troops to fight to the death during the final days of World War II Summing up Drea also suggests that an army that places itself above its nation's interests is doomed to failure **China and Japan** Ezra F. Vogel, 2019-07-30 A Financial Times Summer Books Selection Will become required reading Times Literary Supplement Elegantly written with a confidence that comes from decades of deep research on the topic illustrating how influence and power have waxed and waned between the two countries Rana Mitter Financial Times China and Japan have cultural and political connections that stretch back fifteen hundred years but today their relationship is strained China's military buildup deeply worries Japan while Japan's brutal occupation of China in World War II remains an open wound In recent years both countries have insisted that the other side must openly address the flashpoints of the past before relations can improve Boldly tackling the most contentious chapters in this long and tangled relationship Ezra Vogel uses the tools of a master historian to examine key turning points in Sino Japanese history Gracefully pivoting from past to present he argues that for

the sake of a stable world order these two Asian giants must reset their relationship A sweeping often fascinating account Impressively researched and smoothly written Japan Times Vogel uses the powerful lens of the past to frame contemporary Chinese Japanese relations He suggests that over the centuries across both the imperial and the modern eras friction has always dominated their relations Sheila A Smith Foreign Affairs *Remembering Asia's World War Two* Mark R.

Frost, Daniel Schumacher, Edward Vickers, 2019-03-27 Over the past four decades East and Southeast Asia have seen a proliferation of heritage sites and remembrance practices which commemorate the region's bloody conflicts of the period 1931-45 *Remembering Asia's World War Two* examines the origins dynamics and repercussions of this regional war memory boom The book analyzes the politics of war commemoration in contemporary East and Southeast Asia Featuring contributions from leading international scholars the chapters span China Japan Malaysia Hong Kong and Singapore covering topics such as the commemoration of the Japanese military's comfort women system forms of dark tourism or commemorative pilgrimages e.g. veterans tours to wartime battlefields and the establishment and evolution of various war related heritage sites and museums Case studies reveal the distinctive trajectories of new and newly discovered forms of remembrance within and across national boundaries They highlight the growing influence of non state actors over representations of conflict and occupation as well as the increasingly interconnected and transnational character of memory making Taken together the studies collected here demonstrate that across much of Asia the public commemoration of the wars of 1931-45 has begun to shift from portraying them as a series of national conflicts with distinctive local meanings to commemorating the conflict as a common pan Asian or even global experience Focusing on non textual vehicles for public commemoration and considering both the local and international dimensions of war commemoration within *Remembering Asia's World War Two* will be a crucial reference for students and scholars of History Memory Studies and Heritage Studies as well as all those interested in the history politics and culture of contemporary Asia **Embattled Glory** Neil J.

Diamant, 2010-01-16 This groundbreaking book examines the treatment of veterans of the People's Liberation Army and military families as an illuminating window into Chinese patriotism citizenship and legitimacy Using a wealth of recently declassified archival documents and employing a wide comparative perspective Neil J. Diamant presents the first large scale study of these groups in comparison to similar populations in other parts of Asia and in the West He offers an unprecedented look at the everyday interactions among veterans military families state officials and ordinary citizens as they attempted to secure urban residence jobs spouses medical care and respect Often celebrated by the government for their glorious and patriotic service veterans and military families were the beneficiaries of many policies such as affirmative action in hiring and access to political power But the author asks if veteran and military families were heroic why did many of them compare their situation to donkeys slaughtered after grinding the wheat and tossed away dirty socks And what explains the thousands of suicides among veterans rampant discrimination and ongoing protests against the government By comparing veterans in

China to their counterparts in the United States the Soviet Union Israel and elsewhere this book provides important answers to the larger question of what circumstances lead to better or worse treatment of veterans and what this treatment tells us about patriotism legitimacy and respect for military service

Remembering the Second World War Patrick Finney, 2017-07-14 Remembering the Second World War brings together an international and interdisciplinary cast of leading scholars to explore the remembrance of this conflict on a global scale Conceptually it is premised on the need to challenge nation centric approaches in memory studies drawing strength from recent transcultural affective and multidirectional turns Divided into four thematic parts this book largely focuses on the post Cold War period which has seen a notable upsurge in commemorative activity relating to the Second World War and significant qualitative changes in its character The first part explores the enduring utility and the limitations of the national frame in France Germany and China The second explores transnational transactions in remembrance looking at memories of the British Empire at war contested memories in East Central Europe and the transnational campaign on behalf of Japan s former comfort women A third section considers local and sectional memories of the war and the fourth analyses innovative practices of memory including re enactment video gaming and Holocaust tourism Offering insightful contributions on intriguing topics and illuminating the current state of the art in this growing field this book will be essential reading for all students and scholars of the history and memory of the Second World War

Women and China's Revolutions Gail Hershatter, 2018-09-04 If we place women at the center of our account of China s last two centuries how does this change our understanding of what happened This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people using gender as its analytic lens Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events For instance did women have a 1911 revolution A socialist revolution If so what did those revolutions look like Which women had them Hershatter uses two key themes to frame her analysis The first is the importance of women s visible and invisible labor The labor of women in domestic and public spaces shaped China s move from empire to republic to socialist nation to rising capitalist power The second is the symbolic work performed by gender itself What women should do and be was a constant topic of debate during China s transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse What sorts of concerns did people express through the language of gender How did that language work and why was it so powerful Drawing on decades of Hershatter s groundbreaking scholarship and mastery of a range of literatures this beautifully written book will be essential reading for all students of China s modern history

Chiang Kai-shek's Critical Years, 1935-50 Emily M. Hill, 2025-04-01 From 1935 to 1950 Chiang Kai shek steered China s development as a nation and shaped global history Yet he remains an enigmatic figure remembered primarily for losing a decisive civil war A reinterpretation is overdue Based on Chiang s own writing particularly his diary Chiang Kai shek s Critical Years sheds new light on his call for

mobilization against Japan in 1937 and his relations with US representatives during the war his efforts first to accommodate and then to defeat the Chinese Communist Party and his ability to hold on to the presidency of the Republic of China after 1949 despite disastrous military failure This examination of Chiang s daily planning and reflection on events reveals astute improvisation that ensured political survival despite setbacks and weaknesses The sharpened sense of Chiang s agency that emerges from this important book provides an invaluable foundation for further analysis of the military and political institutional structures he helped build

Raising China's Revolutionaries Margaret Mih Tillman, 2018-10-02 A widespread conviction in the need to rescue China s children took hold in the early twentieth century Amid political upheaval and natural disasters neglected or abandoned children became a humanitarian focal point for Sino Western cooperation and intervention in family life Chinese academics and officials sought new scientific measures educational institutions and social reforms to improve children s welfare Successive regimes encouraged teachers to shape children into Qing subjects Nationalist citizens or Communist comrades In *Raising China s Revolutionaries* Margaret Mih Tillman offers a novel perspective on the political and scientific dimensions of experiments with early childhood education from the early Republican period through the first decade of the People s Republic She traces transnational advocacy for child welfare and education examining Christian missionaries philanthropists and the role of international relief during World War II Tillman provides in depth analysis of similarities and differences between Nationalist and Communist policy and cultural notions of childhood While both Nationalist and Communist regimes drew on preschool institutions to mobilize the workforce and shape children s political subjectivity the Communist regime rejected the Nationalists commitment to the modern bourgeois family With new insights into the roles of experts the cultural politics of fundraising and child welfare as a form of international exchange *Raising China s Revolutionaries* is an important work of institutional and transnational history that illuminates the evolution of modern concepts of childhood in China

Uncertain Allies Eric Setzekorn, 2024-10-15 *Uncertain Allies* looks at the U S military s experience in the China Burma India CBI theater during World War II through the eyes of Joseph Stilwell the commanding general of all American forces in those three countries Accomplished historian Eric Setzekorn focuses on two key themes uncertain allies and ambiguous missions Despite being allies relationships between the Americans and Chinese as well as the Americans and the British were marked by a profound lack of trust in the CBI theater This was particularly problematic because most combat personnel under Stilwell s command were Chinese As a result the lack of trust directly impacted tactical and operational planning The second reoccurring theme ambiguous missions refers to the poorly defined goals for the theater The CBI s mission was vague and Stilwell lacked clear objectives or benchmarks of success Underlying both themes is the key flaw in Stilwell s conduct in the CBI theater a failure to understand the American political context in which he operated Stilwell advocated for a transactional military and political relationship despite clear indications that President Roosevelt other political leaders and the American public at large desired a long term cooperative relationship

In this context of deep and widespread public support for forging a close and lasting alliance with China Stilwell's proposals to make military aid and American support on a quid pro quo basis was an isolated position that inevitably ran into staunch opposition. The result was a dangerous disconnect between American military operations and national policy. Setzekorn, who is fluent in Chinese, relied on a wide variety of sources when writing this penetrating account of the U.S. military's time in the CBI theater, including Chinese and Japanese language archival material. The declassification of numerous U.S. government sources over the past fifteen years also enables Setzekorn to make a full assessment and analysis of World War II era strategic thinking and military policy.

Not Just a Man's War Yihong Pan, 2024-09-01

In 1931 Japan began a brutal occupation of Manchuria, and in 1937 China and Japan entered a full-scale war that ended with Japan's defeat in 1945. The War of Resistance became the Chinese experience of the Second World War. Yet women scarcely get a mention in most accounts of the fourteen-year conflict. Through interviews, published reminiscences, and oral histories, *Not Just a Man's War* uncovers the extraordinary stories of ordinary Chinese women during the war. Communist women speak of fighting as soldiers for a good war and contributing to the party's rise to power. Nationalist women attribute their survival to the strength of the human spirit while acknowledging tremendous suffering. Women from the working poor and the middle classes describe the hardships of Japanese aggression, and in their narratives refuse to be ignored as passive beings. In speaking up, the victims of sexual violence become survivor activists demanding justice. These women demonstrate a striking autonomy regardless of political association, socioeconomic status, or education. By attending to their insights, *Not Just a Man's War* produces a multi-faceted, inclusive narrative of China's War of Resistance.

Imperial Japan's World War Two Werner Gruhl, 2017-07-12

Gruhl's narrative makes clear why Japan's World War II aggression still touches deep emotions with East Asians and Western ex-prisoners of war, and why there is justifiable sensitivity to the way modern Japan has dealt with this legacy. Knowledge of the enormity of Japan's total war is also necessary to assess the United States and her allies' policies toward Japan and their reactions to its actions, extending from Manchuria in 1931 to Hiroshima in 1945. Gruhl takes the view that World War II started in 1931 when Japan, crowded and poor in raw materials but with a sense of military invincibility, saw empire as her salvation and invaded China. Japan's imperial regime had volatile ambitions but limited resources, thus encouraging them to unleash a particularly brutal offensive against the peoples of Asia and surrounding ocean islands. Their 1931 to 1945 invasions and policies further added to Asia's pre-war woes, particularly in China, by badly disrupting marginal economies, leading to famines and epidemics. Altogether, the victims of Japan's World War Two aggression took many forms and were massive in number. Gruhl offers a survey and synthesis of the historical literature and documentation, statistical data, as well as personal interviews and first-hand accounts to provide a comprehensive overview and analysis. The sequence of diplomatic and military events leading to Pearl Harbor, as well as those leading to the U.S. decision to drop the atom bomb, are explored here, as well as Japan's war crimes and postwar revisionist/apologist views regarding them. This book will be of

intense interest to Asian specialists and those concerned with human rights issues in a historical context **The Routledge History of the Second World War** Paul R. Bartrop, 2021-11-08 The Routledge History of the Second World War sums up the latest trends in the scholarship of that conflict covering a range of major themes and issues The book delivers a thematic analysis of the many ways in which study of the Second World War can take place considering international transnational and global approaches and serves as a major jumping off point for further research into the specific fields covered by each of the expert authors It demonstrates the global and total nature of the Second World War giving due coverage to the conflict in all major theatres and through the lens of the key combatants and neutrals examines issues of race gender ideology and society during the war and functions as a textbook to educate students as to the trends that have taken place in how the conflict has been and can be interpreted in the modern world Divided into twelve parts that cover central themes of the conflict including theatres of war leadership societies occupation secrecy and legacies it enables those with no memory of war to approach it with a view to comprehending what it was all about and places the history of this conflict into a context that is international transnational and institutional This is a comprehensive and accessible reference volume for anyone interested in the most up to date scholarship on this major conflict Chapter 18 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com>

A Springboard to Victory Sherman Xiaogang Lai, 2011-01-07 Based on documents published in China this book examines the reasons behind the Chinese Communists success during the Sino Japanese War demythologizing Maoist guerrilla warfare by revealing the links between the Communists military and financial might during the Japanese occupation *War and State Terrorism* Mark Selden, Alvin Y. So, 2004-10-26 If the past hundred years will be remembered as a century of war Asia is surely central to that story Tracing the course of conflicts throughout the region this groundbreaking volume is the first to explore systematically the nexus of war and state terrorism Challenging states definitions of terrorism which routinely exclude their own behavior the book focuses especially on the nature of Japanese and American wars and crimes of war The authors also assess significant acts of terror instigated by other Asian nations including China Cambodia and Indonesia Offering a rare comparative perspective the authors consider how state terror leads to massive civilian casualties crimes of war and crimes against humanity In counterbalance they discuss anti war and anti nuclear movements and international efforts to protect human rights and the interwoven issues of responsibility impunity and memory Interdisciplinary and deeply informed by global perspectives this volume will resonate with readers searching for a deeper understanding of an epoch that has been dominated by war and terror *History Textbooks and the Wars in Asia* Gi-Wook Shin, Daniel C. Sneider, 2011-02-08 Over the past fifteen years Northeast Asia has witnessed growing intraregional exchanges and interactions especially in the realms of culture and economy Still the region cannot escape from the burden of history This book examines the formation of historical memory in four Northeast Asian societies China Japan South Korea and Taiwan and

the United States focusing on the period from the beginning of the Sino Japanese war in 1931 until the formal conclusion of the Pacific War with the San Francisco Peace Treaty of 1951 The contributors analyse the recent efforts of Korean Japanese and Chinese scholars to write a common history of Northeast Asia and question the underlying motivations for their efforts and subsequent achievements In doing so they contend that the greatest obstacle to reconciliation in Northeast Asia lies in the existence of divided and often conflicting historical memories The book argues that a more fruitful approach lies in understanding how historical memory has evolved in each country and been incorporated into respective master narratives Through uncovering the existence of different master narratives it is hoped citizens will develop a more self critical self reflective approach to their own history and that such an introspective effort has the potential to lay the foundation for greater self and mutual understanding and eventual historical reconciliation in the region This book will be essential reading for students and scholars of Asian history Asian education and international relations in East Asia

Scars Of War The Impact Of Warfare On Modern China Introduction

Scars Of War The Impact Of Warfare On Modern China Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Scars Of War The Impact Of Warfare On Modern China Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Scars Of War The Impact Of Warfare On Modern China : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Scars Of War The Impact Of Warfare On Modern China : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Scars Of War The Impact Of Warfare On Modern China Offers a diverse range of free eBooks across various genres. Scars Of War The Impact Of Warfare On Modern China Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Scars Of War The Impact Of Warfare On Modern China Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Scars Of War The Impact Of Warfare On Modern China, especially related to Scars Of War The Impact Of Warfare On Modern China, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own

Online Searches: Look for websites, forums, or blogs dedicated to Scars Of War The Impact Of Warfare On Modern China, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Scars Of War The Impact Of Warfare On Modern China books or magazines might include. Look for these in online stores or libraries. Remember that while Scars Of War The Impact Of Warfare On Modern China, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading.

Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Scars Of War The Impact Of Warfare On Modern China eBooks for free, including popular titles.

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Scars Of War The Impact Of Warfare On Modern China full book , it can give you a taste of the authors writing style.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Scars Of War The Impact Of Warfare On Modern China eBooks, including some popular titles.

FAQs About Scars Of War The Impact Of Warfare On Modern China Books

What is a Scars Of War The Impact Of Warfare On Modern China PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Scars Of War The Impact Of Warfare On Modern China PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Scars Of War The Impact Of Warfare On Modern China PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Scars Of War The Impact Of Warfare On Modern China PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Scars Of War The Impact Of Warfare On Modern China PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
