Scenes And Sins In Paradise:

The Saint John's Bible and Its Tradition Jack Baker, Jeffrey Bilbro, Daniel Train, 2018-10-08 In an age of e books and screens it may seem antiquated to create a handwritten illuminated Bible The Benedictine monks at Saint John s Abbey and University however determined to produce such a Bible for the twenty first century a Bible that would use traditional methods and materials while engaging contemporary questions and concerns In an age that largely overlooks the physical form of books The Saint John s Bible foregrounds the importance of a book s tactile and visual qualities This collection considers how The Saint John s Bible fits within the history of the Bible as a book and how its haptic qualities may be particularly important in a digital age Contributors David Lyle Jeffrey Matthew Moser Jonathan Juilfs Sue Sorensen Paul Anderson Gretchen Batcheller Jane Kelley Rodeheffer

Adam, the Fall, and Original Sin Michael R. E. Reeves, Hans Madueme, 2014-10-28 The Christian doctrines of original sin and the historical fall of Adam have been in retreat since the rise of modernity Here leading scholars present a theological biblical and scientific case for the necessity of belief in original sin and the historicity of Adam and Eve in response to contemporary challenges Representing various Christian traditions the contributors shed light on recent debates as they present the traditional doctrine of original sin as orthodox evangelical and the most theologically mature and cogent synthesis of the biblical witness This fresh look at a heated topic in evangelical circles will appeal to professors students and readers interested in the creation evolution debate
