*The Sceptical Feminist (RLE Feminist Theory)* Janet Radcliffe Richards, 2012-11-12 A systematic and original study of feminist issues The Sceptical Feminist fights a battle on two fronts against the view that little or nothing is wrong with women's position and at the same time against much current feminist dogma It is written by a philosopher who in the tradition of John Stuart Mill's classic *The Subjection of Women* avoids the psychological and sociological speculation characteristic of much recent feminism and concentrates on the analysis of arguments By these means she constructs a powerful and often unexpected case for radical change in the position of women as well as for a change of attitude among many feminists From her analysis Janet Radcliffe Richards argues that positive discrimination in favour of women is essential for justice that traditional sexual roles never had anything to do with beliefs about each sex's capabilities that current abortion practice reflects a disguised wish to punish women's sexual activity that women's work is rightly little valued and that traditional ideals of femininity are inherently pernicious But she also argues that a movement for sexual justice cannot take the woman's side in everything that feminism should not be thought of as the primary struggle that dismissing male logic and science will undermine feminists' own intentions that the state should not subsidise motherhood that ever available crèches would be disastrous for women that there is no inherent degradation in prostitution and that contempt for beauty and adornment has nothing to do with feminism This is a book for feminists for their critics and for students of moral political and social philosophy

*The Sceptical*

Feminist Janet Radcliffe Richards, 2012-10-11 A systematic and original study of feminist issues The Sceptical Feminist fights a battle on two fronts against the view that little or nothing is wrong with women's position and at the same time against much current feminist dogma It is written by a philosopher who in the tradition of John Stuart Mill's classic The Subjection of Women avoids the psychological and sociological speculation characteristic of much recent feminism and concentrates on the analysis of arguments By these means she constructs a powerful and often unexpected case for radical change in the position of women as well as for a change of attitude among many feminists From her analysis Janet Radcliffe Richards argues that positive discrimination in favour of women is essential for justice that traditional sexual roles never had anything to do with beliefs about each sex's capabilities that current abortion practice reflects a disguised wish to punish women's sexual activity that women's work is rightly little valued and that traditional ideals of femininity are inherently pernicious But she also argues that a movement for sexual justice cannot take the woman's side in everything that feminism should not be thought of as the primary struggle that dismissing male logic and science will undermine feminists' own intentions that the state should not subsidise motherhood that ever available crèches would be disastrous for women that there is no inherent degradation in prostitution and that contempt for beauty and adornment has nothing to do with feminism This is a book for feminists for their critics and for students of moral political and social philosophy The sceptical feminist Janet Radcliffe Richards, 1980

*Simone de Beauvoir's The Second Sex* Ruth Evans, 2024-06-04 Acknowledged by many feminists as the single most important theoretical work of the twentieth century Simone de Beauvoir's *The Second Sex* 1949 nevertheless occupies an anomalous place in the feminist canon Yet it has had an undeniable impact not only on the development of critiques of sexual politics but on twentieth century western thinking about the concept of woman in general This collection of six new essays by scholars from the disciplines of French English literature history cultural criticism feminist theory and philosophy makes a valuable contribution to the task of re-reading and reassessing this enormously influential text for a new generation of feminist readers and also for cultural theorists for whom the question of the feminine is at the centre of key debates in philosophy and postmodernity The contributors provide a significantly new rethinking of the place of *The Second Sex* in cultural history and of women and representation the role of fictions and the problem of ethical agency in the work of the leading intellectual woman of this age *Fashion Cultures* Stella Bruzzi, Pamela Church Gibson, 2013-10-18 From the catwalk to the shopping mall from the big screen to the art museum fashion plays an increasingly central role in contemporary culture *Fashion Cultures* investigates why we are so fascinated by fashion and the associated spheres of photography magazines and television and shopping *Fashion Cultures* re-addresses the fashionable image considering the work of designers from Paul Smith to Alexander McQueen and Hussein Chalayan investigates the radicalism of fashion photography from William Klein to Corinne Day considers fashion for the unfashionable body the old and the big football and fashion and geographies of style explores the relationship between fashion and the moving image in discussions of female

cinema icons from Grace Kelly to Gwyneth Paltrow and iconic male images from Cary Grant to Malcolm X and Mr Darcy that have redefined notions of masculinity and cool makes a significant intervention into contemporary gender politics and theory exploring themes such as spectacle masquerade and the struggle between fashion and feminism **Evolution, Feminism, and Romantic Fiction** Ania Grant, 2025-08-14 Romantic fiction has long been dismissed as trivial and denounced for peddling supposedly oppressive patriarchal myths of heterosexual love and marriage Despite such criticism the popularity of romantic fiction has only increased in recent decades Drawing on research from the evolutionary sciences Ania Grant proposes that narrative patterns of romantic stories and their enduring appeal reflect the importance of love as a fundamental human drive She examines two of the most successful and critically scrutinized romantic narratives of the past 200 years Jane Austen's classic novel *Pride and Prejudice* and the hit television series *Sex and the City* and argues that such texts simulate the cognitive and emotional complexities of mate choice one of the most consequential decisions from both a biological and a cultural perspective Her biocultural analysis aligns the interpretation of romantic fiction with the feminist ideals of female autonomy and gender equality It also suggests that positive identification with romantic heroines gives audiences the hope and energy to pursue the transformation of gender relations in real life The book will be of interest to anyone who ever wondered why so many women and some men around the world are enthralled by romantic stories It will also appeal to anyone who has ever been inspired by romantic happy endings to strive for a world in which men and women love and cooperate with each other even if it seems like a utopian ideal while the war of the sexes rages on **Approaching Philosophy of Religion** Anthony C. Thiselton, 2018-01-16 Encountering philosophy of religion for the first time we are like explorers arriving on an uncharted coastline This introduction from Anthony Thiselton is divided into three parts first mapping the main approaches then introducing us to the major ideas and thinkers and finally giving concise explanations of all the words and phrases readers need to know **The Fiction of Doris Lessing** Ratna Raman, 2021-10-15 Doris Lessing 1919-2013 a prolific contemporary author was awarded the Nobel Prize in Literature in 2007 for her life work Examining five decades of Lessing's unique life narrative strategies and the literary traditions that she drew upon and improvised this book highlights her extraordinary significance as a writer of our times and for our times Lessing's fiction and non fiction provide a seminal understanding of the key issues that shaped the twentieth century Autodidactic and keenly interested in the world around her Lessing flagged the problems of racism in Africa the inequity of class in modern England the limitations of white middle class women's movements that overlooked the rights of women across race and class the marginalisation of individuals the horror of nuclear war and the need for disarmament and the hazardous global expansion in the face of unrelenting technological progress Further she raised the concern of the atomisation of modern families violence and the urgent need for alternate modes of viewing voicing anxieties decades ahead of other contemporary writers Making futuristic projections through innumerable genres of writing such as realistic narratives memoirs diaries and science fiction Lessing

examines myth psychoanalysis and Marxist perspectives engaging with a gamut of experiences that have defined modernity and sets up feminist blueprints that challenge atrophying patriarchal hegemonies      **Secular Religions** Tamás

Nyirkos,2024-08-06 **Secular Religions The Key Concepts** provides a concise guide to those ideologies worldviews and social political economic and cultural phenomena that are most often described as the modern counterparts of traditional religions Although there are many other terms in use quasi pseudo ersatz political civil etc it is secular religion that best expresses the problematic nature of all such descriptions which maintain that modern belief systems and practices are secular on the one hand and religious on the other Today the topic is as popular as ever and secular religions are discovered far and wide Hence a critical summary is urgently necessary The juxtaposed title is itself an expression of ironic distance The book emphasizes inherent tensions of relevant literature in a critical and informative fashion The author provides over 100 entries from abortion to wokeness as well as a detailed introduction which gives an overview of the different definitions of religion and secular religion as well as the history of secular religious comparisons The main text reconstructs the argument of several key works on each given topic while lists of sources for further reading are provided at the end of each entry This book provides a clear introduction to secular religions and will appeal to researchers and students of religious studies political philosophy political theology the history of ideologies and cultural studies      **Work-Lifestyle Choices in the 21st Century**

Catherine Hakim,2000-11-02 In this book Hakim presents a new multi disciplinary theory for explaining and predicting current and future patterns of women s choice between employment and family work Preference theory is the first theory developed specifically to explain women s behaviour and choices As such it constitutes a major break from male centred theorizing to date in sociology and economics Preference theory is grounded on the substantial body of new research on women s work and fertility that has flourished within feminist scholarship It identifies five major historical changes that collectively are producing a qualitatively new scenario for women in prosperous societies in the 21st century Throughout the analysis the USA and Britain illustrate what the new scenario means for women how it alters their preferences and work lifestyles choices Hakim also reviews research evidence on contemporary developments across Europe Canada Australia Japan and the far East to develop a new theory that is genuine international in perspective      **Is Fashion a Woman's**

**Right?** Carolyn Beckingham,2005-05-01 Addresses the evidence for the belief that enjoyment of fashion is necessarily inconsistent with feminist values from a feminist point of view This book begins by establishing that many feminists hold this belief and argues that disagreeing does not mean claiming that feminism was unnecessary or that it is rendered redundant by social mores      **Being Gorgeous** Jacki Willson,2015-06-09 Being Gorgeous explores the ways in which extravagance flamboyance and dressing up can open up possibilities for women to play around anarchically with familiar stereotypical tropes of femininity This is protest through play a pleasurable misbehaviour that reflects a feminism for the twenty first century Willson discusses how whether through pastiche parody or pure pleasure artists artistes and indeed the spectators

themselves can operate in excess of the restrictive images which saturate our visual culture By referring to a wide spectrum of examples including Sofia Coppola's *Marie Antoinette* Matthew Barney's *Dr Sketchy's Audacity* Chutzpah Burly Q and Carnesky's *Ghost Train Being Gorgeous* demonstrates how contemporary female performers embody critique and thoroughly relish their own representation by inappropriately re-appropriating femininity

**Political Ideas in Modern Britain** Rodney Barker, 2013-01-11 The rise of the New Right and the collapse of state communism in 1989 has fundamentally changed political thinking in the late twentieth century Rodney Barker has revised and extended his classic text *Political Ideas in Modern Britain* in the light of these changes His accessible account of political thinking in Britain since the 1880s now includes detailed analysis of the demise of traditional conservatism and socialism the rise and decline of the New Right the growth of feminism liberalism and pluralism *Political Ideas in Modern Britain* charts the changing intellectual landscape of political thinking illustrating how contemporary political thought is both rooted in tradition and a radical transformation of it Whether the future is liberal communitarian pluralist or simply uncertain this is an essential guide for students of British politics Rodney Barker is Senior Lecturer in Government at the London School of Economics and Political Science

**Cultural Approach to Discourse** S. xu, 2015-12-28 Shi xu critiques universalism in discourse studies in terms of the cultural consequences of its current white western standpoint and advocates a culturally pluralist approach a theory and research methodology from an innovative position between Eastern and Western cultures Practical research strategies are illustrated by examples drawn from culturally wide ranging discourses This is a book to interest any scholar or student of discourse looking outside their own intellectual tradition

**New Horizons in Hermeneutics** Anthony C. Thiselton, 1992 This book explores the rapidly growing interdisciplinary area of hermeneutics and its significance for biblical studies combining wide fundamental rigorous and creative theoretical concerns with practical questions about how we read biblical texts
