Friedrich Schleiermacher

His Contribution to New Testament Studies

JAN H. NYLUND

INTRODUCTION

FRIEDRICH DANIEL ERNST SCHLEIERMACHER (1768–1834) is often referred to as the father of modern theology and thus not only the originator of new theology, but of a new era.¹ Marín ranks him with Calvin, Aquinas, and Augustine.² The claim that he is the father of modern liberalism is certainly justified, but too simplistic. Unlike Luther, Schleiermacher consciously endeavored to revolutionize the area of theology. He had a total reconstruction of Christian theology in mind.³

Schleiermacher's importance within the field of New Testament research is, however, often overlooked.⁴ This topic will be the main focus in our treatment of Schleiermacher, accounting for and discussing his *Introduction to the New Testament*, *The Life of Jesus*, and his *Critical Essay on the Gospel of St. Luke*, Schleiermacher's primary exegetical work on that Gospel. Below, an initial overview of Schleiermacher's life is given; a short section introduces some principal characteristics of his theological outlook; then, as mentioned, the bulk of the article focuses on Schleiermacher's New Testament research. In my concluding remarks an evaluation of Friedrich Schleiermacher's contributions is attempted.

1. Karl Barth uses the same words that Schleiermacher himself used about Frederick the Great to define Schleiermacher's contribution: "He did not found a school, but an era" (Barth, *Protestant Theology*, 425).

2. Marín, "Introduction," 1.

3. Christian, *Friedrich Schleiermacher*, 12–13.

4. Baird, *History of New Testament Research*, 208–9; Helmer, "Schleiermacher's Exegetical Theology," 229.

Schleiermacher And Feminism Sources Evaluations And Responses Schleiermacher Studies And Translations Vol 1:

The Oxford Handbook of Friedrich Schleiermacher Andrew Dole, Shelli M. Poe, Kevin M. Vander Schel, 2024 This Handbook presents authoritative interpretations of Schleiermacher's work from both German and English speaking scholars Topics covered include Schleiermacher's historical and intellectual context the structure and content of Schleiermacher's theology and philosophy and the reception of his thought [The Constructive Promise of Schleiermacher's Theology](#) Shelli M. Poe, 2021-04-08 This volume demonstrates how Friedrich Schleiermacher's thought can be used to address contemporary doctrinal refinement and development Taking a constructive approach Shelli M Poe weaves Schleiermacher's theology together with current scholarship in feminism womanism ecotheology and queer theology While Schleiermacher is widely acclaimed as the progenitor of modern theology Poe is one of the first to use his work as a springboard to refine contemporary doctrine This book demonstrates the promise of Schleiermacher's mature work for contemporary constructive forms of theology

Body, Text, and Science M. Sawicki, 1997-09-30 What is scientific about the natural and human sciences Precisely this the legibility of our worlds and the distinctive reading strategies that they provoke That account of the essence of science comes from Edith Stein who as Husserl's assistant 1916 1918 labored in vain to bring his massive *Ideen* to publication and then went on to propose her own solution to the problem of finding a unified foundation for the social and physical sciences Stein argued that human bodily life itself affords direct access to the interplay of natural causality cultural motivation and personal initiative in history and technology She developed this line of approach to the sciences in her early scholarly publications which too soon were overshadowed by her religious lectures and writings and eventually were obscured by National Socialism's ideological attack on philosophies of empathy Today as her church prepares to declare Stein a saint her secular philosophical achievements deserve another look *The Oxford Handbook of Nineteenth-century Christian Thought* Joel D. S. Rasmussen, Judith E. Wolfe, Johannes Zachhuber, 2017 This Handbook considers Christian thought in the long nineteenth century from the French Revolution to the First World War encompassing not only doctrine and theology but also Christianity's mutual influence on literature and the arts political and economic thought and the natural and social sciences *Toronto Journal of Theology*, 2001

Répertoire bibliographique de la philosophie, 1994 [Introducing Translation Studies](#) Jeremy Munday, Sara Ramos Pinto, Jacob Blakesley, 2022-05-02 *Introducing Translation Studies* remains the definitive guide to the theories and concepts that make up the field of translation studies Providing an accessible and up to date overview it has long been the essential textbook on courses worldwide This fifth edition has been fully revised and continues to provide a balanced and detailed

guide to the theoretical landscape Each theory is applied to a wide range of languages including Bengali Chinese English French German Italian Punjabi Portuguese and Spanish A broad spectrum of texts is analysed including the Bible Buddhist sutras Beowulf the fiction of Proust and the theatre of Shakespeare European Union and UNESCO documents a range of contemporary films a travel brochure a children s cookery book and the translations of Harry Potter Each chapter comprises an introduction outlining the translation theory or theories illustrative texts with translations case studies a chapter summary and discussion points and exercises New features in this fifth edition include New material to keep up with developments in research and practice this includes the sociology of translation chapter where a new case study employs a Bourdieusian approach there is also newly structured discussion on translation in the digital age and audiovisual and machine translation Revised discussion points and updated figures and tables New in chapter activities with links in the enhanced ebook to online materials and articles to encourage independent research An extensive updated companion website with video introductions and journal articles to accompany each chapter online exercises an interactive timeline weblinks and PowerPoint slides for teacher support This is a practical user friendly textbook ideal for students and researchers on courses in translation and translation studies

[A Short History of the New Testament](#) Halvor Moxnes,2014-10-10 Few documents in world history can match the inspirational impact of the New Testament For all its variety gospels letters and visions this first century collection of texts keeps always at its centre the enigmatic figure of Joshua Jesus the Jewish prophet who gathered a group around him proclaimed the imminent end of the world but was made captive by the authorities of Rome only to suffer a shameful criminal s death on a cross When his followers including former persecutor Saul Paul became convinced that Jesus had defeated extinction and had risen again to fresh life the movement crossed over from Palestine to ignite the entire Graeco Roman Mediterranean world The author shows how the writings of this vibrant new faith came into being from oral transmission and then became the pillar of a great world religion He explores their many varied usages in music liturgy art language and literature In discussing its textual origins as well as its later reception Moxnes shows above all how the New Testament has been employed both as a tool for liberation and as a means of power and control

Religion Index Two ,1994 **Historical Abstracts** ,1996 Vols 17 18 cover 1775 1914 **The Philosopher's Index** ,1983 Vols for 1969 include a section of abstracts **Books in Print** ,1987 *Arts & Humanities Citation Index* ,1996 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals [Choice](#) ,2006
